Bullying Report

Ohio law requires school policies to use the definition of bullying found in R.C. 3313.666, which defines "harassment, intimidation, or bullying" as:

Any intentional written, verbal, or physical act that a student has exhibited toward another particular student more than once and the behavior both: (a) causes mental or physical harm to the other student; (b) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

House Bill 116 further requires school districts to establish cyber-bullying policies. Those requirements are covered in Ayersville BOE policy 5517.01- Bullying and Other Forms of Aggressive Behavior.
