## The Big Night!!

# Gone.....

## *Allen Kristofer Pollard*

One night I dreamed I was walking along the beach with the Lord.

Many scenes from my life flashed across the sky.

In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there were one set of footprints.

This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints.

So I said to the Lord, 'You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there have only been one set of footprints in the sand.

Why, when I needed you most, you have not been there for me?'

The Lord replied, 'The times when you have seen only one set of footprints in the sand, is when I carried you.'

# But Not Forgotten

## *John Patrick Blake*

Don't think of him as gone away-  
his journey's just begun,  
life holds so many facets-  
this earth is only one. . .

Just think of him as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.

Think how he must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.

And think of him as living  
in the hearts of those he touched...  
for nothing loved is ever lost-  
and he was loved so much.

Desperation is inspiration for great faith.
