THE 1999 YEARBOOK IS DEDICATED

Onita Jean Pitman
1981-1999

You touched us, you moved us, and delighted us
You enriched our deepest memories
You made us happy when we were down
You brightened our day and took away our frown.

Your smile could bring light into the darkest night
And make us feel warmed by your presence
We will always treasure the times that we shared
Because you have deeply touched our lives forever.

IN LOVING MEMORY OF:

Karen Nicole Fields
1982-1999

Monica Diane Watson
1982-1999

You brought to our lives a little bit of magic
We continue to mourn your leaving and we regret that your farewell
was tragic
You were able to move us with your smile and your presence
The way that you were able to touch our lives was no coincidence
We know in our hearts that you are in heaven above
That you watch over us and shower us with love
We left so many things unsaid but the bond of friendship is always there
Just thinking of you brings back all the memories we share
Although you are not here to touch with hands
We know you are there watching from heaven's stands
