The 1971 BRAVE is no miracle. It is the result of hard work and long hours on the part of the Yearbook Staff. The numerous frustrating tasks which had to be performed now seem worthwhile. The experience gained while working on this Yearbook will be one of the most rewarding experiences of our lives.

TO THE STUDENT BODY

As you view here the highlights of another chapter from your school days, we join you in pleasant reminiscence. We would like to join you, too, in a pledge. Let us pledge for the next chapter - to struggle harder, grumble less, and achieve higher.

"What some call "luck" is really "pluck"
and doing things over and over.
Courage and will, perseverance and skill
are the four leaves of Luck's clover.

Luck to you!
