

To the parent(s) of: *is*PROP:FirstName*is* *is*PROP:LastName*is*,

Online enrollment for the upcoming school year is now available! This process replaces the paper forms sent home at the beginning of each school year. You will use the PowerSchool Parent Portal to access the PowerSchool Registration.

How do I get started?

Visit [PowerSchool](#) From the Parent Portal:

1. Select the student you wish to register along the top
2. Select the PowerSchool Student Registration Icon on the left side for **2021-2022**
3. Agree to the terms and conditions
4. Click Begin Forms

I can't remember my login for the PowerSchool Parent Portal.

If you aren't able to retrieve your login credentials using the "Having trouble signing in?" link on the Sign In page, please contact your school directly for assistance logging in to the Parent Portal.

Do I have to answer all the questions?

Questions marked with "required" must be completed.

What if I make a mistake?

If you would like to make a change prior to submitting the form, you can either navigate back to the page using the "Prev" and "Next" buttons or if you are on the Review page click on the underlined field. If you have already submitted the form you will need to contact your student's school so they can make the changes for you.

I've completed the form, now what?

Once you have finished entering your information click "Submit." This will send all of the information you've entered to the school. If you cannot click on this button you will need to make sure that you have answered all required questions. After successfully submitting the forms you can click the link under the Fee's section to make payments at our [Web Store](#)

What if I have more than one student in the district? Do I need to do this for each child?

Yes you will need to provide information that is specific to each child. We recommend that you complete and submit one form and then start another. This will allow you to "snap" (or share) selected family information, which saves you time.

Help! I'm on the PowerSchool form and I'm having technical difficulties.

For technical support, visit [PowerSchool community support](#).
