2021-2022 Budget Message

May 17, 2021

To the Prospect School District #59 Budget Committee:

Thank you for investing your time in support of the budget-approval process. People who volunteer their time for the good of the school district truly want what is best for children. It is an honor to work with you and collaborate together during this process.

Last Year at a Glance

As you all know, nobody could quite prepare for what we have experienced with COVID-19. Even now, there is tremendous uncertainty around the impact COVID-19 will play during the 2021-2022 school year. On May 4th, I sat in a statewide superintendent meeting led by Colt Gill at the Oregon Department of Education. He told us to plan for masks, social distancing, Comprehensive Distance Learning, as well as preparing for conditions to worsen as we get closer to winter. Mr. Gill also informed us that school districts would not receive guidance (Ready Schools Safe Learners) until July 19th. While districts across the state are demanding this guidance sooner, we have to prepare for late summer adjustments to our current plan.

Early last summer the district was notified that they were chosen as a recipient for the Morris Family Foundation. This award came shortly after myself, Mrs. Durham, and Mr. VanWormer developed a vision and presented to the MFF Board of Directors. We shared about our vision for the arboretum and expanding our CTE opportunities for students in the way of Construction, Landscaping, Woods, and Culinary Arts. The Pole Barn currently being built is fully funded by the Morris Family Foundation and will be the main classroom for the added CTE courses. Of the \$79,000 received from Measure 98, we dedicated \$43,000 to the tools and equipment needed to have high functioning CTE programs. The total award from the Morris Family Foundation was just under \$250,000.

Last summer we took some calculated risks with hiring that ended up paying off in a big way. As we speculated that Comprehensive Distance Learning was coming, we chose not to hire a History and PE teacher. We reduced our elective classes and divided our MS/HS history classes amongst teachers already on staff. These moves saved the district 2 FTE's with a savings between \$130,000-\$190,000 when factoring in salary/insurance/PERS.

Similarly, we made the calculated risk not to hire Instructional Assistants during the summer of 2020 despite having several openings. We knew if we hired an IA and then were forced to lay him/her off due to CDL, it would cost the district thousands of dollars. This risk paid off significantly as we saved \$34,600. Regarding First Student, we were able to save \$16,545 for 2020-2021, and then through stern negotiations, we managed to save \$26,212 for the 2021-2022 school year.

As you are also aware, Congress passed several stimulus bills over the last year to help with Comprehensive Distance Learning and battling the impact of COVID-19. With our CDL Grant

Prospect School District

Prospect, Oregon • (541) 560-3653 • prospect_school@prospect.k12.or.us

of just more than \$99,000, we were able to purchase Hot Spots, iPads, Tablets, Doc Cameras, Monitors, Chromebooks, and much more. It freed up several line items we had budgeted for in the tech department giving us more savings and flexibility.

With the ESSER I fund, we were able to purchase desks, tables, food carts, custodial wages, benefits, and even sporting equipment such as catcher's gear which students are no longer allowed to share. We still have a balance in this account of just more than \$10,000.

Looking Ahead

With the ESSER II and ESSER III funding coming in, we are able to battle the current crisis and yet also prepare for the future. You should expect to see facility upgrades around the property as the year progresses with new flooring, windows, and potentially even roofing. While we would not wish this last year upon anyone, one bright spot for PSD is the significant amount of funding coming in to improve our facilities as a whole.

Our district is committed to improving our facilities, bringing in and training a high quality staff, and providing more educational opportunities for our students. We know these elements are essential to maintain ADM and to have the funding needed to have a successful school district.

Measure 98 and the Student Investment Account was fully funded this year which is great news for our district. With the SIA funding, our goal is to hire a mental health/guidance counselor for the 21-22 school year. Along with hiring a counselor we plan to continue using the online school program called Edgenuity. We've had over 40 students participate in this program this year and it has proven to be a great success with the help of our Distance Learning Specialist monitoring and following up with students in the program. Additionally, we plan on partnering with the ESD to fine tune the way our data is generated. This is important because it allows educators to identify learning gaps so we can begin providing additional academic supports.

Again, I want to thank each of you for being here tonight. This is a great team of people who have always worked well together.

Special Thank You

I would be remiss if I did not give credit where credit is due. Sheri Eary has spent countless hours beyond her workday preparing this budget and keeping line items in check. Her expertise and commitment to Prospect School District is a blessing and we are forever grateful for her service.

Sincerely,

Brian Purnell, Superintendent

Funding is based on the March 1, 2021 estimate of \$9.1 billion with a 49/51 split for the first year of the state's biennial budget. This amounts to an estimated \$2.7 million to Prospect School District for the 2021-2022 school year. Wages and benefits were budgeted according to the approved classified salary schedule and the expiring Collective Bargaining Agreement for licensed staff. General fund contingency has been increased due to the unsettled licensed negotiations and the formation of a classified union. The District has several grants in the special revenue fund that will remain level. STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING **

Funding is based on the March 1, 2021 estimate of \$9.1 billion with a 49/51 split for the first year of the state's biennial budget. This amounts to an estimated \$2.7 million to Prospect School District for the 2021-2022 school year. Wages and benefits were budgeted according to the approved classified salary schedule and the expiring Collective Bargaining Agreement for licensed staff. General fund contingency has been increased due to the unsettled licensed negotiations and the formation of a classified union. The District has several grants in the special revenue fund that will remain level. Additions include the Federal ESSER II and III funds totaling \$445,000 and the maintenance fund for facility improvements of \$150,000.
