

Marietta City Schools Title 1 Parent Involvement Policy

To insure that parents and students are informed of the needs, purposes, values, and statures of the Title 1 program, the following goals have been established:

1. To have Title 1 information shared at the annual open house.
2. To provide at least two scheduled parent teacher conferences, and encourage parents to schedule conferences at any time.
3. To encourage and provide parents with materials to review and practice with children, and to provide activities where parents and child(ren) interact in a learning atmosphere throughout the school year.
4. To provide schoolwide and grade level newsletters and communications home during the school year
5. To involve parents in the design, operation and evaluation of the program through home/school communications, meetings, workshops and progress reports. Ongoing means of consultation to enable parents and school to work together to form partnerships.
