Learning Options for 2022-2023

Sunray Collegiate ISD plans to reopen to provide one option for learning.

1. Full-time, in-person on campus learning

Full-time In-person Considerations:

Students will attend school in an as normal as possible environment. Increased cleaning and disinfection of facilities will be implemented. CDC guidelines will be reviewed.

Asynchronous Online Learning is not an option for the 2022-2023 school year.

Technology:

Sunray Collegiate ISD has prepared for a one-to-one device program for students from Pre-K through 12th grade. Our technology will be utilized for in-person learning. If a school device will be taken home, it will be released to students for a \$25 usage fee.

Extracurricular Considerations:

Although UIL guidance allows students to participate in extracurricular activities in a virtual format, through the SISD Board Resolution, students who choose to participate in athletics, extracurricular activities, student activity groups, attend activities on school property, and specific CTE courses must choose the in-person option. These courses include, but are not limited to:

- All UIL activities
 - o Athletics
 - o Band
 - o Academics
 - o Theatre
- Cheerleading
- Art
- CTE programs and classes

- Student Activity Groups/Clubs

See SISD's complete Board Resolution at the end of this document.

Health/Safety Efforts

- The following are the protocols we will be putting into place:
 - Germ Blast will be treating our district as needed.
 - Hand sanitizers in each classrooms are available.
 - The nurse's office is available for sick children and adults.
 - We may utilize facial recognition 'ipads' that will take temperatures on staff, students, parents and community members as they come onto campus. Campus principals will utilize these using their discretion.

For the 2022-2023 School Year

- Campus and district custodial/maintenance personnel will continuously work to thoroughly sanitize campuses.
- Hand sanitizer is available on campuses.
- The district nurse will follow protocols for students that become ill at school.
- Hands-free thermometers are available if needed.

Return to Work Protocol for Employees

Symptomatic Employees with Laboratory-Confirmed Diagnosis of COVID-19

The individual may return to work when the employee has satisfied the recommendations from his/her medical professional.

Non-symptomatic Employees with Laboratory-Confirmed Diagnosis of COVID-19

The individual may return to work when the employee has satisfied the recommendations from his/her medical professional.

Employees Experiencing COVID-19 Symptoms

The individual should seek medical care and obtain a COVID-19 test. The individual may return to work when the employee has satisfied the recommendations from his/her medical professional.

Employees with Close Contact to COVID-19

Staff will follow recommendations from his/her medical professional.

Employee with Recent Travel

Any restrictions based generally on employee travel are difficult. District should encourage communication from employees that have traveled significantly (including domestic and international travel) and make decisions regarding protocols on an individual basis.

**Resolution of the Board Regarding Exclusion from
Extracurricular Activities and Elective Courses**

WHEREAS, Texas Education Agency (TEA) guidance authorizes school districts to develop local policy that would exclude students who are receiving all-remote instruction from participating in extracurricular activities and elective courses open only to students in a particular University Interscholastic League (UIL) activity;

WHEREAS, the TEA guidance states that the policy may apply to all students who are learning remotely or only to interdistrict transfer students who are learning remotely and that the exclusion policy must otherwise be applied equally to all students and to all extracurricular activities;

WHEREAS, TEA guidance provides that if a parent chooses remote instruction for their child, the District may limit the student’s return to an on-campus setting to occur only at the end of a grading period if the District believes it is in the student’s educational interest;

WHEREAS, the UIL has clarified that students participating in remote learning offered by their school district, whether synchronous or asynchronous, may participate in UIL activities if they meet all other UIL eligibility requirements in accordance with the UIL *Constitution and Contest Rules* but that districts may develop local policies with additional requirements for participation; and

WHEREAS, Texas Education Code 11.151 gives the Board of Trustees the exclusive power and duty to govern and oversee the management of the public schools of the District.

NOW, THEREFORE, BE IT RESOLVED that for the 2020–21 school year, the Board of Trustees of Sunray School District approves the following provision:

[A student or an interdistrict transfer student] who is voluntarily participating in an all-remote instructional method, whether synchronous or asynchronous, shall not be permitted to participate in any extracurricular activity, practice, or performance or elective course open only to students participating in a particular UIL activity for the grading period in which the student is receiving all-remote instruction.

The authority granted by this resolution shall only apply for the 2020–21 school year unless the Board takes further action.

Adopted this 3rd day of August, 2020, by the Board of Trustees.
