VISITORS TO THE SCHOOLS

The Board welcomes the active interest of parents and citizens in their public schools, and invites the community to visit at any time. Schools are a place of work and learning; therefore certain limits must be set to visits. The building principal is responsible for all persons in the building and on the grounds. For these reasons, the following policy applies to visitors to the school while school is in session:

1. Anyone who is not a regular staff member or student of the school shall be termed a "visitor".
2. Any visitor to the school must report to the office of the principal upon arrival at the school; failure to do so may lead to legal charges. Visitors must sign in at the office and will be given a visitor badge. Visitors must return to the office to sign out and return the visitors badge.
3. Parents or citizens who wish to observe a classroom while school is in session are urged to arrange such visits in advance with the teacher, so that class disruption may be kept to a minimum.
4. Teachers are expected not to take class time to discuss individual matters with outside visitors.
5. Visitors will conduct themselves in a manner fitting to their age level and maturity and with mutual respect and consideration for the rights of others while attending school events. Visitors failing to conduct themselves accordingly may be asked to leave the premises. Children who wish to visit school must be accompanied by a parent or responsible adult. It is the responsibility of employees to report inappropriate conduct. It is the responsibility of the superintendent and principals to take the action necessary to cease the inappropriate conduct. If the superintendent or principals are not available, a school district employee will act to cease the inappropriate conduct.
6. Children will not be released from the school without the approval of the principal or his/her designee.
