STAFF SPOTLIGHT

2023 TEACHER RETIREES

At the end of the 22/23 school year, the School Board of Trustees and Administration recognized our teacher retirees at the May board meeting. This year we have two retirees from the Nathan Hale teaching staff.

Mrs. Naomi Irvine, Nathan Hale kindergarten teacher retired at the end of the current school year after 15 years of service with the district.. Naomi started teaching with the SCW during the 2007/2008 school year. Mrs. Irvine has a BA in Elementary Education. Mrs. Irvine loved teaching kindergarten and for the past 15 years, she has brought hundreds of our little ones into the world of learning by teaching them social skills, basic reading, math skills, and the love of learning.

Our second retiree this year is Mrs. Theresa Gonzalez, our Title I teacher at NH

Elementary. Ms. Gonzalez began her teaching career in August of 1990 giving 33 years of service to the students and families in the SCW. Ms. Gonzalez has a BA and MS in Elementary Education. Theresa served many roles during her time at the SCW; as a classroom teacher in kindergarten, first grade, 3rd grade and 5th grade in addition to her current position as our Title I teacher. Ms. Gonzalez has also contributed to the success of NH through her work as an instructional leader, teacher mentor, and school improvement plan team member.

Both Mrs. Irvine and Mrs. Gonzalez have shown great dedication to the students as well as their coworkers and Administration in the SCW; always ready to give support to those who need it. We wish both Mrs. Irvine and Mrs. Gonzalez a happy retirement, good health, and lots of stress free time to relax and enjoy time with family and friends. They will be missed!
