Minutes
11/6/2019 @ 4 p.m.
Central Office Conference Room

Those in attendance include: Dianne Teafatiller, Kiri Neill, Stuart Sutton, Peyton Watson, Christina Moore, Debbie Earl, Dixie Johnson, Savannah Cooper, Becky Glover, April McBroom, Joshua Valenzuela, Daniel Keith, Jaclyn Street, Lynett Walker

I. Call to Order

Dianne called the meeting to order. Savannah Cooper introduced herself to the group.

II. Co-Chair to read Minutes from Sept. 30, 2019 meeting for approval

Christina Moore read the minutes from the previous meeting. Correction was made on the counseling services which has changed to CATR, Campus Alliance for Telehealth Resources. Joshua Valenzuela made the motion to accept and second by Stuart Sutton.

III. Sub-Committee Report on Vaping and Sex Education Assembly

Ms. Glover stated that they have scheduled the two events. AIMS will be January 9 beginning with a presentation to the parents. On January 10th, they will offer five student presentations which includes two at the Jr. High and the remaining three at the High School. The presentation over Vaping will be January 23 with two student presentations followed by a parent night.

IV. New Business - Reports and Campus Updates

A. Nurse – Wellness Policy and Blood Station Kits

Kiri stated that the kits have arrived and been distributed. They will be mounted on the wall next to the AED.

Jaclyn Street has been teaching CPR and first aid to the law class at the High School.

B. Cafeteria

Debbie Earl stated that the district will have a audit/review in January over the wellness policy. Paperwork will be submitted to the auditors for the January review in December.

C. Elementary

Stuart shared that they have created restorative groups with the 5th grade boys and girls to resolve some behavior concerns. Kiri stated that she is doing her vision and hearing screening on her campus at this time.

D. Junior High

Walker discussed the grant for counseling at the Jr. High. Perry Collins, Head of the Counseling Department at Wayland Baptist University is working with the campus to provide needed support. The counselors provided through the grant are reaching students and are on campus regularly.

E. High School

April shared that WT mentors are coming in to assist the seniors in the application process and scholarships. They also are guiding the juniors in selecting career options. MHMR counselors and CATR staff are diagnosing and recommending specific counseling based on individual needs. Vaping was discussed and less referrals are occurring at this time. April stated that the failure list has decreased from the first to the second six weeks. Savannah stated she spoke at Amarillo College and is enrolled in dual credit classes. Becky stated that the campus is working towards giving students an opportunity to get their associate degree before graduating High School through Onramps.

Dixie stated that the testing committee attended TAC training this weekend was very beneficial and educational.

Wellness Plan Goals and Objectives was discussed by the committee. Dianne will send out the goals and objectives for everyone to edit and make suggestions to be submitted in December for the audit and will be posted on the Tulia website. Dianne will email the comments shared today and will place it on google drive for editing.

V. Next Meeting: Feb. 5, 2020

VI. Adjourn

Joshua made a motion to adjourn and second by Stuart Sutton. Meeting was adjourned at 4:45.
