P.A.C.K. (Positive Actions that Create Kindness)

PBIS Goal: Increase Positive Peer and Student Interactions

At AKD, we reinforce the framework of PBIS by instilling in our students to focus on solutions and to know that when you focus on problems, you will have more problems. When you focus on possibilities you will have more opportunities.

Your thoughts become your words, your words become your behavior, your behavior becomes your habits, your habits become your values, your values become your DESTINY. – Mahatma Gandhi

Mrs. Jackson, Principal, Anna K. Davie

I LOVE the PBIS framework. At AKD we use the PBIS framework to recognize students and staff for the positive actions throughout our school. I am looking forward to seeing the progress at AKD.

-Ms. Reeves, Assistant Principal, Anna K. Davie

You can choose to do the easy wrong or the hard right and with PBIS we intentionally recognize students who "do the right thing." –
Mr. Christopher Wells, Counselor, Anna K. Davie
