Message from the SUPERINTENDENT

Dear Staff,

It's August already! It seems that summer used to be much longer, but I am looking forward to facing what this coming school year has to offer. This has been one of the busiest summers in my career. The construction project has required daily attention. While the end of the project is within sight, the beginning of the year will present some different situations than we usually would face.

Things will begin normally at the elementary school. Major projects this summer were to seal the parking lot, replace the flat parts of the roof, and better prepare the intermediate playground to deal with some of the flooding we have seen.

The high school and middle schools will look a bit different as you enter those buildings. Most of the drop ceilings have been removed, allowing the construction team to better access the area above to prepare for new lighting, HVAC, and technology wiring. There will be pockets of time in which 3-4 classrooms will be closed to complete remodeling. I have worked with Mr. Fife to identify swing space to accommodate those challenges. The end result of any inconvenience will be better buildings with new HVAC, windows, doors, and lighting. I have gone through this process in my last job and know that we will be fine and love the finished product.

Ruscilli Construction will utilize evenings and weekends as much as possible to make the process go more smoothly. As you will notice, the addition is coming along quickly, with occupancy still expected in mid-December. I look forward to seeing each of you in a few weeks.

Go Mustangs!

APPLICATION

Now Available!

Apply online today!

During the last school year, children and families benefitted from no-cost school meals for all students, made possible by special permission from the United States Department of Agriculture. Unfortunately, these permissions have expired. Westfall Local School District and the Ohio Department of Education cannot extend the permissions for no-cost meals for all students.

School meals will still be available to all students; however, they will not be free to all students. Households may apply for free or reduced-price meal benefits by August 31, 2022.

Applications are available at www.westfall.k12.oh.us on the food service page, as was done before the pandemic. Eligibility for free and reduced-price lunch is based on federal income guidelines or participation in programs such as Supplemental Nutrition Assistance Program and Ohio Works First. For additional information concerning the National School Lunch Program, please see the U.S. Department of Agriculture school lunch question and answer webpage.

For the 2022-23 school year, the price of reduced and paid lunches will be as follows:

Grades K-5: Breakfast: \$2.00 | Lunch: \$2.80
Grades 6-12: Breakfast: \$2.00 | Lunch: \$3.00
Reduced-Price Students, All Grades
Breakfast: \$0.30 | Lunch: \$0.40
