

Self-Care Tips

- ➔ Be aware of your emotions and when you need a break.
- ➔ Be mindful of physical exhaustion.
- ➔ Eat healthy, drink plenty of water and do something positive to burn off frustrations.
- ➔ Avoid negative media bombardment; try to keep a positive attitude.
- ➔ Get adequate sleep to recharge your inner batteries.

Relaxation Techniques

- ✓ Take several deep, controlled breaths.
- ✓ Meditate to soothing music or video.
- ✓ Create something artistic.
- ✓ Keep a journal of thoughts and emotions, including points of gratitude.
- ✓ Pray & talk to loved ones frequently.
- ✓ Sing or dance to uplifting music.
- ✓ Go on a nature walk, actively aware of the sounds and smells of nature.
- ✓ Visualize your "happy place" and go there mentally.
- ✓ Take a virtual vacation online. There are many available!
