

Career Connected Learning (CCL) Coordinator

Northeast BOCES is seeking applications for a Career Connected Learning (CCL) Coordinator to begin immediately. The position is full-time, funded by the Rural Coaction Grant, and is for the 2022-2023 and 2023-2024 school years only.

The CCL Coordinator will support collaboration and resource sharing across the 12-member districts of the BOCES. The CCL coordinator will provide project management and operational services (e.g., communications, other coordination as needed) to accelerate learning opportunities and increase student engagement via development of additional career pathways, apprenticeships, internships, industry certifications, and expansion of career-connected learning (CCL) opportunities.

A Bachelor or Master's degree and 2-3 years of related experience is preferred. Salary is competitive with benefits. Applications can be found on the BOCES website: www.neboces.org. Submit application, letter of intent and resume to Northeast BOCES, Colleen Lockwood, Executive Assistant, P.O. Box 98, Haxtun, CO 80731 or clockwood@neboces.org. Call BOCES at 970-521-2771 with questions. Position is open until filled.
