Dear Parents/Guardians:

Welcome to Reef-Sunset State Preschool. We are excited to have you as part of our team during these precious preschool years. It is our pleasure to serve the community with the provision of high-quality early childhood education in a safe, warm, nurturing environment.

Parents are always welcomed as we are partners in caring for your children. We invite you to share ideas, give feedback, and get involved through volunteerism and participation in school events such as attending Parent Advisory Committee meetings, reading the monthly school letter, or simply having a daily conversation with the teaching staff.

Our goal is to provide an exemplary education for all learners recognizing that children are unique individuals who have various levels of development as well as a wide spectrum of potential and needs. To ensure and assist this is occurring we follow the guidelines of our funder California Department of Education, as well as the Preschool Framework standards.

I look forward to meeting everyone and getting to know our families. Please take the time to look through and familiarize yourself with our program's principles and philosophies. This handbook is presented to you as part of your orientation to the program. We look forward to working together to provide the best start possible for your child.

- Preschool teaching staff will be included in the *RSUSD Standards-based Instructional Model* the purpose of the instructional model is to support educators through district initiatives and professional development activities to increase the academic achievement of all students, provide curriculum aligned to the content standards, select high-quality instructional resources to meet students' needs and use assessments/data sources to monitor student learning.

OPEN DOOR POLICY

We believe that a high-quality early childhood program provides a safe and nurturing environment that promotes the physical, social, emotional, cognitive, and creative development of young children while responding to the needs of families and our community. We maintain an open-door policy where parents have the right to enter the preschool classroom at any time during operating hours. Please check with the office to obtain a visitor's pass.

ORIENTATION

A required orientation meeting is scheduled prior to enrollment or the start of the school year to assist parents and children in feeling comfortable at Reef-Sunset State Preschool and in understanding our program and policies. We encourage you to bring your child in to visit their classroom and meet the teachers prior to the first day of school. The classroom curriculum will be discussed with you in-depth during your classroom orientation, as the curriculum varies from classroom to classroom. The curriculum is developed mainly from the children's interests, developmental needs, and abilities (determined from the children's outcomes on the Desired Results Developmental

Profile). The Desired Results Developmental Profile is an assessment tool developed by the California Department of Education, Early Learning and Care Division, and WestEd. Assessments are completed each fall and spring.

NON-DISCRIMINATION-POLICY

The program operates on a non-discriminatory and non-religious instruction basis, provides equal treatment, and serves children regardless of their race, gender, religion, disability, ethnicity, or immigration status.

POLICIES AND PROCEDURES

ABSENCE & ATTENDANCE POLICY

Sign-in/out: As required by law and for the safety and supervision of the children and for program fiscal accountability. The parent or other authorized adult must enter the time of arrival and departure on the sign-in/out sheet using full signature. **It is a licensing requirement that you sign your child in, using your full legal signature, no initials.** Each child must be signed in and out daily. Please call your child's teacher if your child will not be attending school for that day. Please make sure your child attends the program every day unless they are ill or there is an emergency, in order for your child to fully benefit from the program.

Excused absences are: (CSPP, Section VI,D,p.33)(Education Code 8208)

- ❖ The enrolled child or parent illness or quarantine (child illness or 3 consecutive days requires a doctor's note).
- ❖ Family Emergency:
 - Death in the immediate family; parents, siblings, grandparents (connected by birth, adoption, marriage, civil partnership)
 - Hospitalization (requires a doctor note listing duration of the absence and a note stating the child is released to return to the program).
 - Court-ordered visitation with a parent or other relative as required by a court of law (a copy of the Court Order must be on file).
- ❖ A reason that is clearly "in the best interest of the child" (limited to 10 days). This includes such things as:
 - Family trips or vacations
 - Illness of another family member or caregiver necessitating that the child misses school
 - Visits with mother, father, or relatives
 - Stay home with parents/relatives
 - Field trip
 - Camping
 - Child or family birthday
 - Sibling school program or field trip
 - The family attended a family function and the child needed a day of rest
 - Other activities that are in the best interest of the child as approved by the Preschool Director

Unexcused absences (All other absences not listed above) 5 “unexcused absences” in a program year will be cause for termination. Unexcused absences can be:

- The child didn’t feel like coming to school
- Parent/child overslept
- Any absences not falling in the “best interest” or excused absence category
- Any absence that has not been cleared by the parent
- Once the 10 “best interest” days are used, any absence will be counted as unexcused

ASSESSMENT

At the preschool, your child will be participating in the mandated state-wide assessment program. Within the first 60 days of enrollment, and again in the spring, your child will be given the Desired Results Developmental Profile (DRDP). This profile measures your child's progress in 8 areas called Domains: learning self-regulation, social and emotional development, language and literacy development, English language development, math and science, physical development and health, history/social science, and visual and performing arts. If you have any questions concerning the Desired Results assessment, please contact your child’s teacher.

BEHAVIOR SUPPORT

Our behavior philosophy is that all children have the right to share in the learning process in a positive manner. It is essential for each child to take responsibility for his/her own behavior. The preschool staff feels that high expectations, consistent procedures, self-discipline, self-concept, and learning to respect others all play a part in helping to maintain a positive school climate. Please let the teacher know of special or changing circumstances which may contribute to a child’s behavior. Examples would include things like a parent traveling, an upcoming vacation or move, or a new sibling. Student behavior expectations:

- 1) Follow all directions from teachers and staff.
- 2) Keep hands, feet, and objects to themselves.
- 3) Use only kind words towards others, respect the feelings of classmates and all staff members, and treat others as they would like to be treated.
- 4) Respect classmates’ and school property.

The staff will encourage behaviors such as cooperating, helping, negotiating, and problem-solving. When interventions are necessary, they will be clearly defined and consistently maintained. The teacher will keep parents informed of their child’s progress and behavior.

PHYSICALLY AGGRESSIVE BEHAVIOR POLICY

Children act out for many reasons and careful observation is necessary to guide our effective and appropriate intervention. We will take the time necessary and observe all that is happening prior to the occurrence of the incident. We will reinforce all positive behavior from the child, and provide positive guidance. However, if the physically

aggressive behavior (biting, hitting, kicking, throwing toys, etc.) continues, the following steps will be taken:

Step 1: Teacher and parent will meet regarding the incident

Step 2: Conference will be held with the parent, teacher and site supervisor and an action plan will be developed.

Step 3: Child will be referred to outside agencies for support. (Assistance with referrals to Kings County Behavioral Health)

Termination could result if behavior continues, depending on the severity of the situation.

There will be no spanking of children at the CDC by staff members, parents, or parent representatives. Verbal threats and use of sarcasm are also prohibited.

***NO CORPORAL PUNISHMENT/VIOLATION OF PERSONAL RIGHTS shall be permitted-

DISMISSAL FROM PROGRAM

We may drop the child from the program for the following reasons:

- Child’s immunizations are not kept up-to-date.
- Current physical is not on file.
- For not meeting the District’s attendance requirement or 3 late drop-offs or 3 late pick-ups. A 14-day notice will be given when services are changed.
- Rude, malicious or disruptive actions toward staff, parents, or children by the parent or designated representative (profane language, unwarranted use of social media, threats, destroying property, etc).
- Unreasonable demands made of staff regarding the care of an individual, which is inconsistent with the school’s policies, philosophy, or current child development practices, and is not in the best interest of the child.
- The child is in danger of harming himself/herself or other adults and children in the school (aggressive behavior, hitting, biting, or any other behavior that injures other children, adults and materials in the environment.
- Failure to meet subsidy requirements.
- Failure to pay parent fees.
- Knowingly using incorrect or inaccurate information to obtain a benefit that they would otherwise not be entitled to receive.

- Child is not picked up on time according to their contracted hours.

DRESS CODE

Your student needs to wear comfortable clothes to enjoy the preschool activities.

Appropriate dress includes:

- T-shirt, shirt, shorts, slacks, jeans, skirts, dresses, pants, and blouses.

Please no tank tops or spaghetti straps. Shorts or leggings must be worn under dresses and skirts. Please dress your student in closed-toe shoes. For safety purposes, children are not permitted to wear flip flops, sandals without back straps, or open-toed shoes.

Children need to be dressed appropriately. If your child comes dressed inappropriately, you will be called to bring a change of clothes or to pick up your child and take them home.

DROP OFF/PICK-UP POLICY

Only persons authorized by parent(s), in writing, may pick up the child. Parents need to advise the school in advance, if a person not listed on the enrollment form is to pick up a child. The parent is the only person who can add or delete persons from the emergency contact list and emergency card. If a parent does phone the school to inform us of a change in pick-up, the calling parent's driver's license number may be required to verify it is the parent calling. Parents should advise other authorized persons to bring their driver's license with them to pick up a child. The child will not be released to a person who is not on the authorization form, the Preschool Director and parent will be contacted immediately. A child may not be released to a sibling or anyone else under the age of 18 years unless he or she is the parent of the child. Teachers have the right to refuse to allow the child to leave with the designated representative if they feel the child would be endangered.

Upon arrival, you are to escort your child into the building and ensure that the teacher knows your child is there. **Children are not allowed to be outside or in the lobby by themselves, at any time. Children are never to be left unattended in a vehicle.** It is illegal to leave a child under 6 years of age in a vehicle without a person at least 12 years of age if there are conditions that pose a threat to the health or safety of the child; or if the vehicle is running and/or the keys in the ignition. As mandated reporters, we are required to report violations of these vehicle codes (Kaitlyn's Law - vehicle code #15620). It is very important for children to develop habits of arriving on time at an early age, beginning from the time they start school.

LATE PICK-UP

All children must be picked up by the required time, as our ratios are based on the hourly schedule of children in each classroom. Picking up your child on time is even more critical if your child is in a half-day program or scheduled until closing, as our teachers are only scheduled during actual class times. We will attempt to call the numbers on your child's emergency card and emergency information form. **Please keep these numbers up to date.** If you will be late contact the Preschool and let us know.

ENROLLMENT

Reef-Sunset State Preschool is a California State Part-time Preschool (CSPP) that must

meet the policies of four distinct entities: the California Department of Education (CDE), the USDA Food Program, the Department of Social Services, and the Reef-Sunset Unified School District. Each one of these groups has directives for student enrollment (including priority for services) which include requirements pertaining to age, family income, and students in an at-risk category. These factors are legally binding and must be used as determining factors for student enrollment.

Families who meet those requirements, and reside in the Reef-Sunset Unified School District educational boundaries, have priority enrollment. Families will complete a family enrollment folder (State mandated, community care licensing, and school district forms) upon enrollment to confirm a space in either the AM or PM class.

Licensing forms to be completed and submitted:

To do this, the contractor must provide the family with a copy of the most recent Schedule Of Income Ceilings (85 percent SMI) for Recertification.

HEALTH & SAFETY POLICIES NUTRITION

Mealtimes/Nutrition: Traditional Meals (pre-plated)

Avenal Elementary School Cafeteria will be providing breakfast, lunch for am session and lunch and afternoon snack for pm session. Food will be dispersed to children by Preschool Staff in the classroom.

When serving pre-plated meals, the center staff and the Food Service Department for the school district (located at Avenal Elementary School cafeteria) must ensure that all meal components, including milk, are served to each participant at the same time.

During the course of the meal, it is the responsibility of the supervising adult to actively encourage each participant to accept the required portion of each food component of the meal

pattern. We view our mealtime as a learning experience for the children. Our staff models appropriate table manners.

- Children often want to try new foods when they see other children and adults eating them.
- Children and staff can enjoy quiet conversations and a relaxed meal together.
- Talk about the types of foods they are eating (don't forget about color, texture, etc.).
- Have enough food available to meet meal pattern requirements.
- Some food may spill as children learn to serve themselves. Allow for this.
- **FOOD WILL NEVER BE WITHHELD AS A FORM OF DISCIPLINE.**

Medical Dental Emergency:

In the case there is a medical and/or dental emergency at the center Staff will evaluate the necessary protocols depending on the situation.

Mild Injuries Staff will: Check the child's injury • Put on disposable gloves. • Rinse with water to clean out any debris. • Clean the area around the injury . •Apply ice or a cold pack to reduce swelling • Place ice in a disposable glove or a small, closable plastic bag. • Cover with a clean

cloth to protect skin from extreme cold. • Apply ice as tolerated for periods of 20 to 30 minutes.

For a knocked out tooth • If dirty, hold the tooth by the crown and rinse root. • Put the tooth in water or saliva. • Contact parent/guardian to take the child and tooth to the dentist immediately.-Fill out Incident Report and go over with Parent at pick up

If a fractured jaw or head injury is suspected or any other major injury • Seek emergency care (call 9-1-1). • Do not move the jaw -Then call Parents/Authorized Representative

In the case a child needs food accommodations (see examples below) we will need to inform the Food Service Dept. Temporary accommodations for the student can be made for up to 30 days until the parent can have the dentist or doctor fill out the meal accommodation form. (see Site Supervisor for form) We can do any meal accommodation that is needed; the National School Breakfast and Lunch Program allows us to cover any expenses needed to facilitate our students. Examples of meal accommodations covered (but not limited to):

- Provide alternative milks, juice, or water if a student has a medical condition or allergy to ingredients.
- Provide calorie counted meals for students that are on limited calorie diets according to their orders.
- Provide sodium free meals or limited sodium if a student has a low or no sodium diet.
- Meals can be cut, chopped, and/or pureed if a student has a medical condition and/or 504 plan.

ILL CHILD POLICY

Please contact the preschool office if your child is ill and will be absent. If the child shows symptoms of illness, such as a green runny nose, severe cough, skin rash, diarrhea, warts, head lice, or high temperature (fever =100.4), the child must not be brought to the Preschool program. If the child is sent home with a green running nose, severe cough, skin eruptions, diarrhea, vomiting, warts, head lice, or high temperature (fever), the child is not allowed back to the program **until two days later**. This will prevent the spread of contagious diseases.

Please ensure your phone numbers are up to date.

MEDICATION

Prescribed medication may be administered at the school, only if a medication form is filled out and signed. **Prescription and over-the-counter medication are only administered if accompanied by a doctor's note with instructions and original label on the prescription bottle and a completed medication form.** Required documentation will be forwarded to the District nurse. Any expired medication will be returned to the parent for proper disposal. In case of an emergency, first aid will be administered.

Resting & Relaxation

Half-day sessions: Our facility does not offer naptime. We do have soft quiet areas for a child to be able to rest and relax.

All Day Pre-K session:

Children will be provided with a nap or rest time daily. We encourage your child to rest during that period. Blankets may be brought from home but must be labeled and laundered weekly. RSSP provides a mat and fitted sheet. Your child may bring a blanket from home. Children are not obligated to sleep, yet teachers encourage the children to quietly rest. Teachers set up quiet activities for children when they do not fall asleep. The teachers create a restful environment by turning off the lights, shading windows, and providing a comfortable temperature. If necessary, teachers give individual attention to children who need support at naptime. There is enough light in the rooms to allow for visual supervision.

FIELD TRIPS/WALKING EXCURSIONS

We do not take field trips that require transportation; however, we believe it is important for children to be aware of their community. As part of our program, we do provide walking excursions, weather permitting, with a ratio to be determined by age and group of children. Walking locations are determined by the Site-Supervisor and may include trips to the school library, fire station, police station, post office, and businesses in the community. Parents will be required to complete a permission slip for off-campus excursions. Ratios are to be no less than 1 to 6. All volunteers are subject to the new immunization laws effective September 1, 2016.

**There are no transportation arrangements.*

PARENT INVOLVEMENT & EDUCATION

PARENT INVOLVEMENT/PARTICIPATION

One of the most important aspects of our program is parent education and involvement. To make certain the educational goals for both children and families the following participation is strongly encouraged:

- 1) make sure your child's attendance is consistent (according to policy);
- 2) bring and pick up your child at the designated times;
- 3) attend parent education meetings;
- 4) attend your child's parent/teacher conference; and
- 5) volunteer/participate in the classroom
- 6) read your monthly newsletters.

Please discuss other opportunities with your child's teacher. If you are going to be volunteering in the classroom, parents will need to provide a negative TB clearance, proof of Tdap, MMR, and a current flu shot. All parent volunteers are required to complete a district volunteer application.

PARENT ADVISORY COMMITTEE (P.A.C.) AND PARENT EDUCATION

The Parent Advisory Committee is composed of all enrolled parents and is dedicated to making the school a better place for children and families. The PAC meets to discuss school activities, policies, curriculum, child development issues, and appropriate fund-raising opportunities. The most important aspect of the PAC is to become a support system for the program, advocate for

children's issues, and connect the program to the community. Parent education seminars are offered monthly, guest speakers from the field of child development, nutrition, and pediatric medicine will present topics. All families are strongly encouraged to attend PAC/education meetings.

*Our preschool program does not offer supplementary or optional services at this time.

PARENT COMMUNICATION

We encourage parent/teacher communication to support each child's progress and/or special needs. If you have concerns, please express them to your child's teacher, directly, not to an assistant or substitute. Arrangements can be made for teachers to be available for conferences at your convenience. To support our team our program has implemented many different ways that staff and parents can share information. Our primary choice of communication is verbal. We encourage you to meet or speak to your child's teacher. In addition to verbal communication, Parent/Staff Communication forms are available. Simply complete one and include your phone number, concern, or question and a good time to reach you. However, we realize that some of you might not have the opportunity to come to the preschool so many of our teachers can communicate via email or texting. Simply talk with them to see what method is good for both of you.

PARENTS' RIGHTS

We invite parents to come visit their child's classroom. Upon identification, parents have the right to enter and inspect the CDC without notice to the center's staff. Parents will be denied access to the CDC in the event of the following: The parent is behaving in a manner, which poses risk to staff or children in the facility and/or The facility has legal documentation, which prohibits non-custodial parent contact with child. Information regarding the child will only be shared with the parent(s) of record and are documented through the child's paperwork. (See copy of Parents Rights below)

PERSONAL ITEMS

Children should wear comfortable play clothes and not take unnecessary items to school. Reef-Sunset State Preschool will not be responsible for any lost or damaged items.

POTTY TRAINING

Children must be potty trained prior to entering our program unless an IEP or 504 plan specifies otherwise. If your child soils his/her clothing, our policy is to contact the parent to bring a change of clothes and change their child or pick up their child and take the child home. Parents may put a change of clothes in a large bag and leave it in their child's backpack so that they have a change of clothes readily available when someone comes. Staff will follow District guidelines

when providing toileting assistance or changing diapers when required.

RECORD KEEPING

Keeping the preschool records up to date is incredibly important. Parents have the responsibility to provide all information requested by the preschool and to notify the program immediately of any changes, most importantly to the emergency notification card (for example, address, telephone number, or persons authorized to pick up students). Finally, when necessary, parents need to provide a two-week notice if they wish to drop their child from the preschool program.

RELIGIOUS INSTRUCTION

Given that State funds are received, the preschool refrains from religious instruction and worship.

SUPERVISION OF CHILDREN

All children must be supervised by sight and sound at all times throughout the day.

CHILDREN'S RIGHTS

No person may threaten or enact corporal punishment on a child. We respect the child as an individual with unique qualities and developmental abilities.

In keeping with this commitment, candid pictures of children, parents or staff taken at any of our centers (in the classroom or in the outside environment) are not allowed to be shared through any social media (e.g. Facebook, Instagram, Snapchat, LinkedIn, MySpace, etc.). Families choosing not to follow this policy could jeopardize their child's enrollment in the program. At times, Reef-Sunset State Preschool will use candid pictures of children in the program on our website or newspaper articles; however, the center will obtain written consent of the parent during the enrollment procedures.

****In the case you have taken a photo of your child that you would like to share you must blur/cover any other child/staff/parent that may be included in the picture.***
