

CCSD Virtual Learning Program for 21-22

CCSD will offer virtual learning for students in grades 7 – 12 with a diagnosed underlying medical condition which places the student in a high risk category associated with Covid-19. Students must receive pre-approval for the VLP program. VLP packets which outline the full criteria for eligibility in the program are available in the CCHS office. Packet information and medical documentation must be turned in to the CCHS office no later than Wednesday, July 28th.
