

Dear Parent and Student,

This letter is to inform you that Logansport High School students who are enrolled in some AP/ACP/Dual Credit classes are to purchase their own textbooks for the corresponding courses. This opportunity is aimed at allowing you the flexibility to purchase used and/or discounted textbooks from various online vendors.

Similar to college courses, students will keep these textbooks at the end of these courses. It is highly encouraged to rent or purchase your books on your own through Amazon, Chegg, Barnes & Noble, cheaptextbooks.com, another student, etc. You can save a lot of money. Dual credit classes are a huge savings per credit hour, which is great for our students. Most courses are \$25.00 per credit hour and Ivy Tech credits are free. College textbooks can be costly; in some cases, the books are more expensive than the fees for credit hours.

Below you will find a list of the courses being offered and the textbook/other fees that will be used in the class. **Please have this book(s) on the first day of school on August 11, 2021 (unless, you have the course second semester, then January 6, 2022).** If your dual credit course is not listed, your textbook/online material will be provided and/or charged through student fees. **If you have any questions, please email your teacher.**

**Mrs. Beene-** English 12AP

*Patron Saints of Nothing* by Randy Ribay ISBN 13: **978-0525554929**
