Dear First Grade Families,

I am very excited about starting a new school year, and I am looking forward to being your teacher. We are going to be learning about several different things, some of which include bears, the Arctic and Antarctica, the Rainforest, and much, much more! We will also be going on a few, fun and exciting field trips.

If for some reason there are things that you can't get on the supply list, please email me at [djaeger@gccs.us](mailto:djaeger@gccs.us) and we will figure it out. Each student will need these items for the first day of school as we will not be sharing supplies.

I hope you have been enjoying your summer, but I also want you to keep reading. There are libraries in Windham, Middleburgh and Stamford. I would like you to keep a journal about the many exciting things you may do this summer. This can be done as a scrapbook, a written journal, or even a poster. When you come back to school in September, I want you to either bring your journal or one thing from your summer that you would like to share with the class. I have enclosed a flat Mrs. Jaeger-Brand that I hope you take with you on trips, hiking, fishing, for ice cream or whatever it is you do this summer. Take a picture with me and share with me all the exciting things you have done over the summer!!

Have a GREAT summer and I can't wait to see you in September.

Sincerely,

Mrs. Jaeger-Brand
