

June 17, 2021

Dear Families,

I am very excited to be teaching second grade again next year! In my teaching career so far, I have taught second grade for eleven years and third grade for six years. I also taught first grade, AIS Reading and Math and Pre-K for one year each. It's hard to believe that I have been teaching for about 20 years now! Second grade is the very first grade I taught at GCCS and so far it is still my favorite!

I am very pleased that your child will be in my class! I had the chance to visit with the whole grade. I am looking forward to getting to know everyone in September!

The following supplies are needed for next year:

2 Plastic Pocket Folders (Plastic works best for mail/homework)

2 Regular Pocket Folders

2 Marble Composition Books Wide Ruled

3 (12 ct) box Sharpened #2 Yellow Woodcase Pencils

2 Large Erasers

1 Box of 24 crayons

Glue Sticks

Pencil Case (The soft, flexible kind fit in the desks better than the hard case box)

Water Bottle

1 box of Quart Size Plastic Bags

Students tend to run out of some of these supplies, especially pencils, crayons and glue. Please send these supplies to school throughout the year as needed. If you are unable to get any of these items, I will have extras of most things.

I am looking forward to a great school year with your child in second grade! I hope you have a wonderful, happy and safe summer!

Sincerely,
Mrs. Shaul
