Student Parent Policy Guide

POLICY GUIDE STATEMENT

The Stuart Public School district Student/Parent Policy Guide has been published to inform students and parents about policies & procedures of the District. The Student/Parent Policy Guide is revised and published each summer. The policy guide is distributed to each student in the school district (or possibly one per family upon enrollment), at the beginning of the school year and is available on the district website at www.stuart.k12.ok.us. As state or federal statutes & regulations are changed, District policies/procedures will be changed to be in compliance. In addition, it is not possible for all policies & procedures to be included in this guide. All students are obligated to abide by all Stuart Public School District policies & regulations.

Parents, please make time to go over this handbook with your child or children. We depend upon the support of you, as parents, to help make your child's experience the most positive it can be. We are proud to serve our community and the patrons of our district. Please contact us at any time to discuss your child or children. I would like to thank each parent and student in advance for making Stuart Public School the best school possible and for helping to make education a team effort.

Sincerely,

Tracy Blasengame
Superintendent

Chance Chapman
Principal

SCHOOL MISSION

“Inviting Thought, Motivating Minds, and Seeking Excellence”.

GOALS FOR STUART SCHOOL STUDENTS

- Be able to function effectively as a member of a family or household.
- Be an effective communicator.
- Be an effective problem solver in all aspects of life as well as an effective decision maker to minimize those problems.
- Be a productive citizen within our society who can render responsible decisions in order to vote and be potential leaders of their community.
- Be able to function effectively as a team member in the work place.
- Seek lifelong learning opportunities outside the structured educational environment.
- Have high self-esteem as well as a positive approach to life itself.
- Respect the value of human life and the rights of others no matter what their race, sex, religion or choice of lifestyle.

PHILOSOPHY

The philosophy of Stuart Public Schools is based upon the following general rules:

- Stuart citizens have rights and responsibilities, so also do classroom citizens have rights and responsibilities.
- The student does not divest himself or herself of their constitutional rights upon entering the school building.
- So long as a student does not disrupt the educational process, impose upon, endanger or deprive others of their rights, the student will enjoy his freedom of expression, orderly assembly, privacy of person and freedom from discrimination.
- Fair and reasonable procedures will be followed to assure the student's rights.

- The student, in turn, needs to recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority by school officials is necessary.
- All persons connected with our school must demonstrate respect for the rights of the students, and students must accept their responsibility toward others and toward the school system.
- Rules of discipline are guidelines for behavior so that all may know what is expected of them in the school community.

PARENT/SCHOOL COMPACT

Stuart Public School is committed to the belief that all children can learn and acknowledge that all of us—teachers, administrators, and parents—working together can make a positive difference in students’ achievement. The school district will provide an optimum learning environment in which students will experience success and achieve excellence in learning. We encourage parents to join with the school to provide an optimum learning environment for their children by:

- Encouraging their child to complete homework in a timely manner.
- Joining with the school to enhance their child’s self-concept, emphasizing that “all children can learn”.
- Becoming a participant in the educational process for their child including:
 - Attending parent/teacher conferences
 - Providing regular, quiet, uninterrupted study time
 - Discussing what their child has learned each day

ATTENDANCE

ARRIVAL/DISMISSAL

Breakfast begins at 7:40; School begins at 8:00 A.M. and is dismissed at 3:00 P.M.

Teachers report for work at 7:30A.M. Students not riding the bus **ARE NOT to arrive at school before 7:40 A.M.** When students arrive at school they should go directly to the cafeteria even if not eating breakfast. It is to be understood by all parents that there is no supervision at the school before 7:40 A.M. or after 3:00 P.M. (with the exception of detention which begins at 7:30am, after school tutoring which ends at 3:45pm, and extra-curricular activities) and the district will not be held responsible for accidents that may occur.

Students in grades PK-8 not being transported by the school bus are dismissed after the buses leave. Parents must wait in line behind the buses and we will load your children into your vehicle after the buses leave. Please stay in a single file line and do not pass. Please refrain from picking up your children early and try to make appointments on days we are out of school.

ABSENCES & ATTENDANCE

Students who are absent more than 18 school days will be considered for retention.

Oklahoma law holds parents/guardians responsible for their child's attendance at school. If a child is absent without valid excuse four (4) or more days or parts of days within a four(4) week (28 day) period the parent is in violation of state law.

Also, in order to pass a class, a student must miss no more than nine (9) times in a semester. An attempt will be made to contact the parent/guardian when students are absent with our School Reach system. Upon the 10th absence, regardless of the grade the child has earned, they will fail the class.

In either situation, if a parent/guardian fails to immediately and satisfactorily respond regarding these absences a case will be open in accordance with the **Oklahoma Compulsory Education Act (O.S. Title 70 10-105.) In accordance with the law, a citation may be written and charges filed through the District Attorney's office (misdemeanor criminal charge, resulting in fine and court costs.)**

Any student suffering from a chronic/reoccurring or contagious condition that may require several absences from school shall provide the school with a written doctor's statement pertaining to the student's illness as it relates to school attendance. Students with Dr. /Dental appointments will be excused if students return to school after their appointment. Students should return to school with a note from the Dr. /Dentist that states the time of the appointment and the time the student leaves the office. It is understandable that some trips to the Dr. /Dentist may require extended time and this will be taken into consideration. Funerals of family and close personal friends will also be excused, with time missed considered on an individual basis. Subpoenas to appear in court will also be excused. Excused means students may make up work. These absences still count toward the total number of days a student is allowed to miss.

If a student is going to be absent, the parent must contact the school by 9:00 A.M. the day of the absence or the student will be considered truant and subjected to disciplinary action. Parents may call as early as 7:30 A.M. If parents know in advance that their child will be absent, they should feel free to call the school any time between 7:30 A.M. and 3:30 P.M. Notes will normally not be accepted, unless presented in person by parents/guardians or verified by phone. Classes begin at 8:04 A.M. and students should be on time for all classes. A student will be considered tardy if he/she is not in the classroom, seated in their designated seat, when the tardy bell begins to ring. There will be no excused or unexcused designation concerning tardiness. An accumulation of three tardies in a single class will be counted as an absence. Students tardy over 20 minutes will be both absent and tardy.

Five (5) hours of class work will make a day's attendance. In order for a student to not be counted absent, he/she may not:

- Arrive later than 9:00 A.M. OR
- Leave earlier than 1:30 P.M.

Any student who feels they have absences that could not be avoided and miss 10 or more days, may petition an Appeals committee, made up of 4 teachers, to be determined at the beginning of each school year. The decision of that committee will be final in determining whether the student receives credit for their courses.

DAILY SCHEDULE

All students, with the exception of those concurrently enrolled in college or with work permits must attend school for seven periods each day. The minimum will be six class periods of attendance. Special permission may be granted for less than six class periods in extreme medical cases, which must be accompanied by a doctor's orders.

When students arrive at school they should go directly to the classroom, the cafeteria or other areas as designated by the principal or the principal's designees.

The first bell of the day will ring at 8:00 A.M. and classes begin at 8:04 A.M. Dismissal at the end of the day will be at 3:00 P.M. **Students will be allowed to leave the school grounds during the course of the school day only with the permission from the principal, who must have verbal permission from that student's parent or guardian.**

The decision of that committee will be final in determining whether the student receives credit for their courses.

ATTENDANCE/DRIVERS LICENSE (High School)

HB 2692, effective July 1, 1996 requires a school district to notify the Department of Public Safety when a child under 18 withdraws from school through an enrollment status form, or accumulates 15 unexcused absences throughout the course of the school year, as defined by the state; unless the student is withdrawn due to circumstances beyond his control, a lawful excuse, transfer to another school or home schooled as confirmed in writing from the parent or guardian. The Department of Public Safety, upon notification will deny a driver's license to any person under 18 who is not attending school or revoke an existing license except for the aforementioned reasons.

TARDY TO SCHOOL

Three (3) unexcused tardies to school may result in an absence. Students are to come directly to the office to report in of tardy to school.

TARDY TO CLASS

Upon receiving the third tardy to class within a nine week period, a student will be given a prescribed writing assignment. Failure to complete this assignment will result in three (3) days in The Zone. The writing assignment must be finished in that time or additional punishment will ensue.

TRUANCY

Parents shall contact the school by 9:00AM if a student is not going to be at school or the student will be truant. If it is determined that the student is truant, they will serve time in detention equal to the number of class periods missed. Students will not be able to make up work when found to be truant. In severe cases, the District Attorney's office and DHS will be contacted. Students who miss more than 10 days will not receive a passing grade or credit for the classes they miss.

NO SCHOOL DUE TO ADVERSE WEATHER

Announcements of school dismissal due to adverse weather will be broadcast on all local McAlester radio stations K101 & 105.1, and Tulsa and Oklahoma City Television Stations. Dismissal announcements will be called in to the radio and TV stations by 6:30 A.M. Also, School Reach messaging system may be used to aid in the dispersal of information.

ACADEMICS

ASSIGNMENTS

Homework assignments are due on the date designated by the teacher making the assignment. If the student does not have the assignment completed at the time the teacher has set for the work to be completed, a zero will be recorded for that assignment. Assignments that are messy and difficult to read will be considered in the same category as assignments not completed.

MAKE-UP WORK

Make-up assignments will be given on a day for day basis. For example, if a student is absent on Tuesday, work will be given on Wednesday and it is due on Thursday. If students miss more than one day, for example Monday and Tuesday, work will be assigned for both days on Wednesday, with Monday's work due Thursday and Tuesday's work due Friday, along with their normal work for Thursday and Friday. The assignments may be turned in earlier and will be accepted late with stipulations.

It is the responsibility of the student to pick up any work missed. **The grading policy states that a student can turn in a paper 1 day late and lose 7pts. A student may do that only 3 times per class per semester. At that point teachers do not take late papers from that student for any reason.** Teachers will not approach the student requesting the assignment. The student will be responsible to turn in the assignment when due.

- **TEACHER'S RESPONSIBILITIES:**
Supply the make-up work with an explanation of the subject matter covered.
- **STUDENT'S RESPONSIBILITIES:**
Complete the make-up work and turn it in on the assigned day.

Students who miss on days that projects are due or on test days will make up those assignments upon their first day back to school. It is also the responsibility of the student to make sure that all homework is done neatly and as accurately as possible. Teachers shall have authority to request a student to resubmit a homework assignment if it is considered of poor quality or deemed unreadable.

ASSIGNMENT BOARD

Every classroom will have an area on the smart/marker board where daily assignments are written for students to refer to if needed. Parents are welcome to come by and check the assignment boards as needed.

ACADEMIC BEHAVIOR

Assignments must be turned in on time. Assignments which are not complete will be considered in the same category as the assignments which have not been turned in at all. ***Cheating will not be tolerated from any student at any time for any reason.*** Students should have supplies (books, pencils, paper, etc.) on their desks ready to begin class work when the tardy bell rings.

PROGRESS REPORTS/REPORT CARDS & GRADING SCALE

Grading Policy

Junior High and High School

Grades 9-12 teachers will use a weighted test/homework scale.

- Daily grades/homework are weighted at 60%
- Test grades are weighted at 40%
- All subjects will stress SPELLING, VOCABULARY, and WRITING SKILLS.

Grades 7-8 teachers will use a weighted test/homework scale.

- Daily grades/homework are weighted at 50%
- Test grades are weighted at 50%
- All subjects will stress SPELLING, VOCABULARY, and WRITING SKILLS.

There should be a minimum of 2 grades per week per subject for students. Work is to be graded in a timely manner and returned once all students have turned work in. Grades need to be recorded in a hard copy grade book and the on-line grade book weekly.

Grading Scale:

90-100	A
80-89	B
70-79	C
60-69	D
59 and below	F

Students who have not completed the required coursework at the time report cards are issued will receive an "I". When the student completes the missing coursework within a reasonable amount of time as set by the teacher, (Not to exceed 2 weeks unless students have medical or other acceptable reasons that more time is needed.) the student will be graded out and the "I" replaced with the grade the student earned.

Elementary Grades 1-6 (PK-KG grading is based on satisfactory completion of Objectives.)

There should be a minimum of 3 grades per week per subject for students. This may be modified in self-contained classes based on need to work longer on one subject. Work is to be graded in a timely manner and returned in homework folders for grades 1-4 on the last day of the week and given back to students in grades 5-6 when all students have completed an assignment. Grades need to be recorded in a hard copy gradebook and the on-line grade book weekly.

Late work:

All Grades, 1-12. (PK-KG is based on satisfactory completion of Objectives.)

Students may have late work, up to 1 day late, and lose 7 points from that assignment. This will only be allowed 3 times per class per semester. After the 3rd time per class per semester, a “0” will be recorded on work not turned in on time. (Students with an IEP will be based on their own goals and modifications.)

Make-up Work:

All Grades, 1-12. (PK-KG is based on satisfactory completion of Objectives.)

Students will be required to make up work missed. (Exception: Students are exempt from daily work if they are taking exams at a scholastic meet.) Work will be made up on a day for day or period for period basis. If a student misses Tuesday, returns to class on Wednesday, work for the Tuesday missed will be due on Thursday.

Exceptions will be made for students with extenuating circumstances and will be considered on a case by case basis.

INELIGIBILITY

Students in grades 3-12 must maintain a “D” average in order to be eligible to participate in school sponsored extracurricular activities. Notices begin being mailed home the first Friday in September and continue through the last Friday in April.

One week probation is allowed for students to bring their grades back to eligible status. If grades are not raised to a “D” average during probation week, the student will then not be allowed to participate in any extracurricular activities taking place during the following week, Monday through Sunday. A student’s behavior is also a factor weighted in the eligibility status.

PROMOTION/RETENTION

Attendance and satisfactory completion of work required, along with meeting the mandates for the State department of Education will be used as factors in retention. Satisfactory work in at least 70% of the academic subjects is required in order to be promoted. Individual capacities will determine satisfactory work. ***Students who miss more than 18 days (more than 9 days per semester) will be considered for retention.***

As State mandated Test Scores, DIBELS progression, and CCC also give levels of student achievement, they will also be used to determine Promotion/Retention. **School officials have the final say in retention.**

WORK/STUDY PROGRAM (Grades 11-12)

The following criteria will be used to determine which students may serve as office helpers.

1. Must be a junior or senior on schedule for graduation.
2. Must have a good attendance record for previous year.
3. Must maintain at least a 3.00 GPA
4. Must be of good character
5. Students who qualify will be assigned only one class period as an office helper. Students who leave last period on work release or attend Vo-Tech, may not be enrolled in work-study.

HONOR ROLL

Students shall be selected for the Superintendent’s Honor Roll for each grading period in which they achieve a 4.00 grade point average with no letter grade lower than an A (B if College class). Students who achieve at least a 3.00 grade point average and who have received no letter grades of “C”, “D” or “F” shall be named to the Principal’s. At the end of each semester, grade points will be averaged for the most recent nine weeks and the completed semester.

VALEDICTORIAN/SALUTATORIAN AND HONOR STUDENTS:

It is the policy of the Stuart School Board of Education, that the student(s) with the highest cumulative GPA based on the seven semesters of the 9th, 10th, 11th, and first semester of the 12th grade will be the Valedictorian and the student(s) with the 2nd highest GPA, based on the same seven semesters, will be the Salutarian.

There may be more than one Valedictorian and Salutatorian if there is a tie in cumulative GPA.

Beginning with the 2001-2002 school year, in order to be considered for Valedictorian or Salutatorian, students must attend Stuart Public Schools for both semesters of their Junior year (11th Grade) and the first semester of their Senior year (12th Grade) and be regularly enrolled on a continuous basis. Grades accepted for transfer/new students must be from an accredited institution. All other students who have a cumulative GPA of 3.5 or above, for the same seven semesters, will be considered honor students.

ACADEMIC RESPONSIBILITY

All citizens of the United States have the right to receive a free and appropriate education and the majority of students in public schools are in school to take advantage of that right. Stuart Public Schools supports the rights of these students, while also supporting the idea that no person has the right to interfere with the educational process. Students who are repeatedly disruptive will not be tolerated. (See Discipline Policy). Students who continually show a lack of interest in the educational process by (a) refusing to participate in class activities, (b) not submitting homework assignments regularly, (c) not doing seat work with due diligence, or (d) exhibits a poor attitude toward school in general; will also be disciplined after normal teacher motivational techniques have failed.

Beginning with the fourth week of each semester, when regular eligibility is checked, any student who is failing two or more classes due to any of the aforementioned reasons may be assigned to the Lunchtime Learning Program for all of the following week and is considered to be on academic probation. Those students may be required to meet in the History Room at noon each day they are ineligible for a tutoring session with the Principal and/or other appointed tutors until they are passing. Grades will be checked weekly and if the student is able to correct his situation by having a passing grade in all classes or by showing a markedly improved attitude toward their schoolwork responsibilities, that student will be released from the Lunchtime Learning Program. Students who fall behind grade level will be referred to Alternative Education.

OKLAHOMA HIGHER LEARNING ACCESS PROGRAM (OHLAP)

To enroll in the OHLAP program, you must be:

1. An Oklahoma resident;
2. Enrolled in the eighth, ninth or 10th grade in an Oklahoma high school; and
3. The child of parents, custodians or legal guardians who earn less than \$50,000 per year.

Applications must be:

1. Completed during the school year in the student's 8th -, 9th - or 10th grade year and
2. Witnessed by the student's parent(s), custodian(s) or legal guardian(s) who also agree to help the student comply with OHLAP requirements.

TRANSPORTATION

Stuart Public School provides safe transportation to all students who are legally eligible to ride to and from school. Students who ride the school buses should be careful about loading and unloading. The driver of the bus is a school official and has the same control over pupils as the teacher in the classroom. Misconduct will be reported immediately to the principal.

THE SCHOOL LAWS OF OKLAHOMA STIPULATE THAT TRANSPORTATION BY BUS MAY BE FURNISHED BY THE SCHOOL DISTRICT BUT THAT THE DISTRICT IS NOT REQUIRED TO DO SO. THEREFORE, BY LAW, IT IS A PRIVILEGE TO RIDE A SCHOOL BUS AND NOT A "RIGHT" TO SUCH TRANSPORTATION. Serious infractions may result in immediate suspension of bus privileges or suspension from school. Bus drivers will send a written copy of infractions that will be sent home to parents for any infraction other than verbal warnings. This will come through the office before its sent home.

BUS SAFETY RULES

- Enter the bus in an orderly manner and take your seat.
- Never tamper with the bus or distract the bus driver.
- Never throw anything out the windows of the bus.

STUDENT INSURANCE

Funds have never been appropriated by the State of Oklahoma for student insurance. Therefore, neither the State nor Local Boards of Education carry liability insurance, or any other type of insurance for the protection of the student in case of accident or injury.

All students and parents are informed at enrollment that if they wish insurance protection against injury or accident or for liability insurance as protection against injury to others, they must secure insurance themselves. Students are provided with insurance information, but it is the responsibility of the parent or guardian to provide insurance protection without reference to the school.

GENERAL SCHOOL PROCEDURES

CLASS DISRUPTION POLICY

All visitors are to **FIRST** go to the **MAIN OFFICE** when entering the school. Parents are asked to check in at the Main Office and allow the secretary to help contact their child. Students must be **SIGNED OUT** through the Main Office when leaving early from school.

VISITATION POLICY

VISITATION BY NON-ENROLLED CHILDREN IS NOT PERMITTED UNDER ANY CIRCUMSTANCES. NO EXCEPTIONS WILL BE MADE.

Parents are welcome to visit their child's classroom and observe classroom instruction but must first make an appointment with the teacher who in turn will notify the principal of the scheduled visitation. **All visitors must check in at the office before being allowed to enter a classroom.** Stuart School recognizes the importance of parental involvement in the development of students within our system. Parents are allowed to come and visit their child at lunch time, but are asked to limit these to (1) one visit per (2) two weeks, and to sit with their child removed from the other students (i.e. at another table that other students are not occupying). Parents are to check in/sign in upon arrival to notify staff.

Should problems arise that prohibit the normal flow and function of school activities, or it is deemed necessary by Administration, Stuart Schools or its administration may alter or change this policy.

ADMINISTERING MEDICATION

Parents/guardians of each student will be asked to sign an "Administering Medication" form that will allow school personnel to give over the counter medications to students. If any prescription medications must be taken at school, those medications must be checked in at the main office and will be kept there and administered by school personnel at the appropriate times and in the prescribed amounts. The medications should be in the original container, if possible. If the original container cannot be sent, the prescription label with instructions on the amount and times to take the medication should be included. Only the amounts of medicine to be taken at school should be sent to school where the medications will be kept in the office until the end of the dosage period. Any medicines left at the end of school must be picked up by parent or guardian by the last working day in May, or they will be discarded.

SELF ADMINISTRATION OF MEDICATION

Senate Bill 343, "Self Administration of Medication," became effective April 28, 2003. The purpose of this bill authorizes self-medication for asthma inhalers. In order for a student to be permitted the self-administration of inhaled asthma medication the following must be in place:

- The parent or guardian must provide authorization in writing for the student to administer the medication.
- The parent or guardian must provide a written statement from the physician treating the student that states the student has asthma and is capable of self-administration of medication.
- It is also required that the parent or guardian of the student provide the school with an emergency supply of the student's medication.

The school district and its employees shall incur no liability as a result of any injury arising from the self-administration of medication by the student.

MEDICATIONS

A portion of HB 1550, 1984 Oklahoma State Legislature states:

- The term "medicine" in the policy means "non-prescription" medicine and "filled prescription" medicine. "Filled prescription" medicine is in a vial with a label which correctly states the name and address of the pharmacy, date of filling, name of patient, name of prescriber, prescription number, and directions for administering.
- Only authorized personnel will be allowed to administer the medicine at school.
- No medicine shall be administered unless the parent/guardian of the student requiring medication during school shall bring the medication to the school and complete and sign the parent authorization part of the enrollment sheet.
- Each school in which any medicine is administered shall keep a record of the name of the student to whom the medicine was administered, the date administered, the name of the person who administered, the type of medicine, the dosage and the time the medicine was administered.
- The Board of Education adopted this policy pursuant to provisions of HB 1550, 1984-1162. Under this statute the school, administration or designated school employee are not liable for damages for personal injuries to the student which result from administering medicine pursuant to the provisions of this statute.

INJURED OR ILL AT SCHOOL

Students who become ill will be cared for temporarily by a teacher or office staff and the parent will be notified. We will render simple first aid only. If emergency medical attention is necessary and the parent cannot be located, the child will be taken to the emergency room of a hospital. Students with contagious diseases or fever should not be sent to school. If a child should arrive at school with symptoms of either a contagious disease or fever, the parent will be called immediately to pick-up the child.

TELEPHONE CALLS BY & FOR STUDENTS

- Students will not be permitted to make telephone calls except for emergency reasons. All calls made by students should be brief, and good manners should be practiced.
- Students will only be called to the telephone to speak with a parent / legal guardian in case of an emergency. Persons calling students while the students are in class will be asked to leave a message. This policy is intended to cut down on classroom disruptions only, and by no means is it intended to make parents feel as though we do not want them talking to their children, or to make them feel as though their phone calls are not welcome.
- Students will not be permitted to call to ask to go home with or spend the night with anyone. Those arrangements need to be made in advance.

CAFETERIA

- Keep noise level low
- Show respectful attitude towards cafeteria workers
- Clean eating area before leaving

CARE OF BOOKS & UNIFORMS

Students are responsible for all textbooks, workbooks, library books, and athletic suits/uniforms issued to them during the school year. If they are lost or damaged, the student is responsible for the loss or damage. Excuses such as “someone stole my book” will not be accepted. All property belonging to a student should be clearly marked to identify the object as belonging to that student.

All lost or damaged books and/or athletic suits/uniforms suits must be paid for. Teachers will record the condition of each item checked out to the students at the time they are distributed. At the end of the year when items are checked back in to the school, note will be taken as to the returned condition. **If the item(s) are found to be damaged in any manner, the student’s parent/guardian will be held responsible for replacement costs.** *The student will not be issued another textbook, workbook, athletic uniform, or library book until this fee is paid.*

If locks create a problem for students by causing them to be late for class, they will be removed. Lockers are to be kept clean and neat and are to have no liquid beverages stored in them. **Lockers may be searched by school authorities at any time deemed necessary.** Oklahoma State Law, Section 24-102 of Title 70, states: “Pupils shall not have any reasonable expectation of privacy toward school administration or teachers in the contents of a school locker, desk, or other school property in order to properly supervise the welfare of pupils. School lockers, desks and other areas of school facilities may be opened and examined by school officials at any time and no reason shall be necessary for such a search.” The student should use only the locker assigned and should never share lockers with other students. The lockers remain, at all times, the property of the school. Report any locker problems to the office. Lockers should not be used to store valuable personal items or money. The school assumes no responsibility for items missing from lockers.

All guidelines are contained therein, and this policy will be kept on file and renewed each year. Students must follow all guidelines contained in the driving policy or be subject to disciplinary action. Stuart Schools provides a bus and that is the only means by which Stuart School Students may travel to and from Kiamichi Technology Center. If you do not wish for your child to participate in any of these parties, please notify the teacher or principal of this request. **There will be no individual Birthday parties at school.**

STUDENT CONDUCT/DISCIPLINE

STUDENT CONDUCT CODE

The laws of the State of Oklahoma place the school in “Loco Parentis” (in place of parents). This means any student enrolled in the school comes under the protection and guidance of the school administration and teachers. Students, therefore, may look to the school personnel for protection, help and guidance. **Bullying, harassing, hazing, nor threats will be tolerated at Stuart Schools. (See headings for each.)**

Students should be aware that the supervision of conduct, both during school and at school sponsored functions, is a responsibility of the teaching staff. Failure on the part of the student to follow instructions of any member of the staff may result in disciplinary action. School personnel has authority over Stuart students at all times during the school day and at all school sponsored activities, whether on Stuart School property or not.

GENERAL CONDUCT EXPECTATIONS

We ask that students observe a few general conduct guidelines. If these are followed, then the time spent at Stuart Elementary & High School will be productive and pleasant for you and those around you. One of the most important words you can learn is the meaning of RESPECT. (RESPECT: giving careful thought concerning the needs and feelings of others, yourself, and the needs of the environment you live in.) If you put into practice the meaning of this word, you will be a very happy, successful person no matter what you are doing.

AT ALL TIME & LOCATIONS

Respect others	Be helpful
Respect your environment	Be polite
Respect yourself	Be honest

CLASSROOM

- Conduct yourself in a manner that promotes a positive, orderly learning atmosphere.

CAFETERIA

- Enter, eat, and leave in an orderly, polite, quiet manner.
- Please be kind and pick up your messes.
- Students should feel free to socialize, but excessive noise will not be tolerated.
- Be polite and respectful to those serving you.

PLAYGROUND

- Playground behavior and the use of playground equipment should promote a healthy, safe and orderly environment.

THE FOLLOWING ARE GUIDELINES FOR ADMINISTRATORS TO USE IN THE DISCIPLINE OF STUDENTS, AND AT THE DISCRETION OF ADMINISTRATION MAY BE REVISED. STUDENTS ENGAGING IN OFFENSES THAT ARE CRIMINAL IN NATURE OR VIOLATE LOCAL, STATE, OR FEDERAL LAWS MAY BE SUBJECT TO CITATION, FINES, OR PROSECUTION.

GENERAL DISCIPLINE PROCEDURES

The Stuart Public Schools, in order to provide quality education for all of its students, will not tolerate disruptive acts that interfere in any way with the tranquility of its school. The students, while enrolled in Stuart School, shall be under supervision and accountable to school personnel. The supervision shall include going to and from and while attending any school-sponsored activity or going to and from such activity.

A disruptive or interfering act shall be defined as, but not limited to: inciting, encouraging, promoting, or participating in activities which interfere with the due process of the educational program of the school. violence, disrespect or disobedience to school personnel, harassment and/or intimidation (verbal or physical, of students and/or personnel), and disruptive publications.

Except in extreme or flagrant violations, **the procedure for disciplinary action is by teacher referral. The teacher will refer the student to the principal after his/her attempt to correct the students' behavior has failed.**

Grade 7-12 Note: The seriousness of the offense may result in a skip in steps!

After the principal has received these referrals, the possible procedure will be as follows.

1st offense	Up to 3 morning detentions.
2nd offense	Up to 5 days out-of-school attitude modification.
3rd offense	Up to 10 days out-of-school attitude modification
4th offense	Out-of-school attitude modification for remainder of current school year or possible placement in Alternative Education, depending on the seriousness of the offense.

Parents may choose corporal punishment in place of all of 1st Offense, part of 2nd and 3rd Offenses, but none of the 4th Offense.

BEHAVIOR ADJUSTMENT ZONE (“THE ZONE”)

A student may be assigned one to three days in the Behavior Adjustment Zone. “Zone” time will be served in the room adjacent the principal’s office. Students assigned to the Zone will be isolated from the remainder of the student population for the entirety of the time they have been assigned.

Students may only serve (2) two times the Zone within a school year. If further discipline is needed, Out-Of-School placement will be considered. While students are serving time in the Zone they will not be eligible to participate in any extra-curricular activities during or after school.

While serving in the Zone, Students will be isolated from the main student body for the entire day. They may be assigned a report at the beginning of each day, which must be completed by the end of that day. It may be found necessary for the student to be placed in the Principal’s Office for direct supervision by the Principal or designee. Students will receive the day’s work from their regular classroom teachers at the end of the school day. This work will be due at the beginning of the next school day, and will be graded and recorded. Poor quality or unfinished work will not be accepted.

Strict conduct rules will be enforced. Any violation of rules or misconduct will result in further discipline. Students placed in the Zone will be expected to be on task and work diligently for the duration of the allotted time. Parents will be notified when the Zone has been assigned to their child and the reasons leading up to the discipline.

BEFORE SCHOOL DETENTION

1. Any student with detention will serve their detention the following day to allow the student to make transportation arrangements.
2. Students will serve their detention in the mornings beginning at 7:15 A.M.
3. Students may work on assignments during detention; if they have nothing to work on they may be given a writing assignment. Students will remain seated and silent during detention.
4. Any student assigned more than 1 period of detention must serve their detention on consecutive days, unless otherwise arranged with the principal.
5. Any student who is late or fails to show up for detention will be assigned an additional day of detention. A student may miss detention one (1) time to allow for an emergency that may arise at home. Permission must be gained from the principal before that student misses. Any student who misses detention for three (3) consecutive days or purposely fails to show for detention will be placed on in-school AMP for 3 days.
6. Any student may be assigned detention by any teacher for disciplinary infractions. Amount of detention will be determined by the seriousness of the infraction.

Students who have been assigned detention may volunteer to do odd jobs around the school in exchange for a shorter detention period if it can be arranged by the principal. One hour of manual labor/work will gain the student two hours of detention credit.

CORPORAL PUNISHMENT

Permission must be given by the parent or legal guardian before corporal punishment will be administered. When Corporal Punishment is administered, the child will be taken to a private area. The child, the one administering the punishment and one other teacher/administrator witness will be the only ones present. Parents may be present upon request. Corporal punishment of students will be administered (at the discretion of the principal or his/her designees) and under the following policy adopted by the Board of Education for the Stuart School and in accordance with the Oklahoma State Statues.

1. Corporal punishment is used as a form of discipline when the infraction by the student is considered serious or is a repeated infraction of school rules.
2. Corporal punishment will be administered by certified personnel (teacher or principal) and only in the presence of other certified personnel or individuals directly involved with the disciplinary procedure. It shall be applied to the buttocks only. The witness should be informed of the infraction in the presence of the student.
3. A written report shall be made for each student receiving corporal punishment. The report will describe the offense and the disciplinary action taken. A copy of the report will be placed on file. A copy is to be signed by the certified person administering the punishment and the witness.
4. If a parent does not wish for their child to receive corporal punishment they should file a written request with the principal at the beginning of each school year.
5. Any student whose parent has requested that no corporal punishment be used or a student who refuses corporal punishment, when corporal punishment has been deemed appropriate by the teacher or principal, the student may be placed on out-of-school attitude modification for a period no less than two (2) days.
6. In certain situations, parents may choose to substitute corporal punishment as part of either detention, in-school AMP, or suspension. Corporal Punishment may take the place of the entire length of detention, but only part of In-School Attitude Modification Program (the Zone) and Out of School suspension. Suspensions for over 10 days must be served with no substitute of Corporal Punishment.

SUSPENSION OF STUDENTS

In accordance with the policy of the board of education, the following regulation shall govern the suspension of students from school. The authority to suspend a student from school is delegated to the Principal, Assistant Principal or Superintendent. Any Student may be suspended for:

- o Acts of immorality
- o Violations of policy or regulations
- o Possession of an intoxicating beverage, low point beer (37 O.S. § 163.2)(see policy FNCE)

- Possession of missing or stolen property if the property is reasonably suspected to have been taken from a student, school employee, or the school during activities.
- Possession of a firearm may result in out-of-school placement for one calendar year. (see policy FNCGA)
- Possession of a dangerous weapon or controlled dangerous substance (Uniform Controlled Dangerous Substances Act) (See policies FNCE and FNCGA).
- Any act which disrupts the academic atmosphere of the school, endangers or threatens fellow students, teachers, or officials, or damages property.

The term of the suspension may be modified by the district superintendent on a case by case basis.

A full suspension shall not extend beyond the present semester and the succeeding semester except for violations of the Gun Free Schools Act which provides for suspension of one calendar year. Except under circumstances that require the immediate removal of a student or students, the parent(s) or legal guardian(s) shall be informed before a student is released from school.

Any student adjudicated as a delinquent and has been removed from a public or private school in this state or any other state for such act will not be enrolled in a regular classroom setting in the district but may be provided an alternative education solution until such time as that student no longer poses a threat to self, other students, or faculty.

Students suspended out-of-school who are on an IEP pursuant to IDEA, P.L. No. 101-476, shall be provided the education and related services in accordance with the student's IEP.

A student who has been suspended for a violent offense that is directed towards a classroom teacher shall not be allowed to return to that teacher's classroom without approval of that teacher.

PROCEDURAL STEPS TO SUSPENSION

Before a student is suspended from school, the principal of that school shall consider and apply, if appropriate, alternative in-school placement options that are not to be considered suspensions. Such placements can include an alternative school setting, reassignment to another classroom, in-school suspension, and/or Corporal Punishment. If such alternate placement or corporal punishment is rejected, written justification must be placed in the student's permanent record.

1. Both the student and the parent/guardian shall be notified of the suspension, the grounds thereof, and the right to appeal the suspension to the board of education. A student suspended out-of-school will be placed in a supervised, structured environment in either a home-based school work assignment setting or another appropriate setting.

2. If a student is suspended out-of-school for five (5) days or less, the district may provide an education plan. If a student is suspended for more than five (5) days and is found guilty of acts as described above, the school administration shall provide the student with an education plan designed for the eventual reintegration of the student into school which provides for the core units in which the student is enrolled. The minimum core units shall consist of English, mathematics, science, social studies, and the arts. The plan shall set out the procedure for education and shall address academic credit for work satisfactorily completed. A copy of the plan shall be provided to the student's parents or guardian, and the parents or guardian shall be responsible for the provision of a supervised, structured environment in which the parent or guardian shall place the student and bear responsibility for monitoring the student's educational progress until the student is readmitted to school.

DISPLAY OF AFFECTION

Boy/girl relations are to go no further than holding hands. Displays of affection such as arms around each other, kissing, and other forms of inappropriate closeness will not be permitted at school or school sponsored events. School is not a proper place for this type of activity. Students in violation of the policy are subject to penalties listed in the discipline code.

FIGHTING

Because of the potential for injury, fighting will not be tolerated at any time. When fights occur, both participants will be disciplined. With this in mind, no child is expected to allow another child to harm or abuse him/her without defending him/herself in an appropriate manner. It is first and foremost important for the child being attacked to quickly get to a teacher or other school personnel to get help and not use the attack as an opportunity to “get back” at someone. Students who are attacked, unprovoked will be allowed to use reasonable force in defending themselves and not be punished for it. In Accordance with Article III, Section 1041.1 of Oklahoma School Laws, any Person who commits aggravated assault or battery, or both, upon an official of the school while performing school duties, will be subject to Felony Prosecution.

SEXUAL HARASSMENT, THREATS, HAZING, BULLYING & CYBER-BULLYING

1. **Sexual harassment** of students is a real and serious problem in education at all levels. It can affect any student, regardless of sex, race, or age. Harassing behavior, if ignored or not reported, is likely to continue and become worse, rather than go away. Moreover, sexual harassment is ILLEGAL. Therefore, Stuart Public Schools has adopted a policy of no tolerance for sexual harassment. A student or employee of Stuart Schools should report all cases of sexual harassment to the Principal immediately. A reporting form is available in the Principal and/or Superintendent. Due to the seriousness of this offense, any and all acts reported to the Principal will be investigated, and punishment will be rendered upon the conclusion of the investigation. A complete policy on the regulations, definitions and reporting/investigation of Sexual Harassment is on file in the office of the Superintendent.
2. **“Harassment, Intimidation, and Bullying” as defined by Oklahoma Statutes 70 O.S. S 24-100.2 will not be tolerated at Stuart Public School. “Harassment, intimidation, and bullying” include, but are not limited to, a gesture or written, verbal, or physical act that is reasonably perceived as being motivated by a student’s religion, race, color, national origin, age, sex, sexual orientation, disability, height, weight, socioeconomic status, or any other distinguishing characteristic.** This includes cell phone text messaging/instant messaging or any other type of Cyber-Bullying. **Any threatening or harassing cell phone text messages or computer instant messages or e-mails occurring within or outside of school which could cause problems at school will be treated as a threat and or harassment. OSSBA Policy will be adopted in dealing with this statute.**

No school organization, team or extracurricular activity will be permitted to use hazing at or away from school. Any students who initiate or participate in hazing will be disciplined. This includes, but is not limited to wrestling, pushing and shoving, and tackle football.**

Any student being threatened or hearing another student being threatened should report the incident to any teacher or administrator.**

DRUG AND ALCOHOL POLICY

The Stuart Public School District supports a policy of no tolerance of students involved in the possession, use, delivery, transfer, or sale of alcoholic beverages, controlled substances or prohibited substances while in school or at school sponsored events. - **Because of the potential danger to the student presented by his/her acute intoxication of alcohol or other drugs, students exhibiting evidence of acute intoxication, incapacitation, or drug overdose while in school, or at a school sponsored event will be transported immediately to the local hospital facility designated to provide detoxification services with immediate notification of parents and police.**
- **The U.S. Supreme Court has ruled that under the Fourth Amendment to the U.S. constitution, searches of students by school officials need not adhere to the strict standards of “probable cause” imposed upon law enforcement officers. Rather, the legality of searches will depend upon the “reasonableness” of the search in light of all the circumstances. There must be reasonable grounds to believe that the search will reveal a violation of school rules or produce evidence of unlawful activity.**
- **Any student suspected of selling or distributing, or Flagrant or excessive violations such as “spiking punch” or any of the aforementioned substances will be placed on the out-of-school attitude modification program immediately for the remainder of the current semester as well as the next semester, and prosecuted to the full extent of the law.**

Any subsequent offenses will result in the item being confiscated, returned only to the parents, and the general discipline procedures will be followed.

CELLULAR PHONES/DEVICES/SMART WATCHES

With an increase in Cyber-Bullying and the constant disruptions associated with cellular phones, No student shall possess or use cell phones or electronic paging device including Apple Watches or Smart Watches capable of receiving or sending info while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school, EXCEPT, cell phones may be at after hours activities for parent contact only. **Cell Phones and Smart Watches are not to be used during the school-day, but may be taken to after school events for emergency use only. This includes but is not limited to wrestling, pushing and shoving, and tackle football.

SAFE SCHOOL POLICY

Fortunately, Stuart Public School has always been a safe place for children to attend school. We have exceptional students, supportive/involved parents, concerned educators and numerous other community members

interested in our students and school. However, in the wake of several school tragedies across our nation, need has arisen to address the issue of our society's growing violent tendencies.

We at Stuart School will be addressing these issues by:

- Introducing projects such as Character Development Training.
- By providing counseling services for those students in need of anger management.
- By encouraging students to communicate to an adult their concerns about potentially dangerous situations.
- By building student/teacher confidence.

PROTECTING OUR STUDENTS

In order to protect our students, teachers, personnel, administration and citizens, Stuart Public Schools has adopted a **NO TOLERANCE** policy concerning any act of violence. Any student who makes a verbal or physical threat upon the life of a teacher, fellow student, an administrator, other school personnel or citizen will be immediately suspended for a period of no less than ten days for the first offense. The parent/guardian and Law Enforcement Officials will be immediately notified.

- Whereas the same student returns to school and makes another threat upon the life of a teacher, fellow student, an administrator, other school personnel or citizen, the said student will be suspended for the balance of the current school year. The parent/guardian and Law Enforcement Officials will be immediately notified.
- Any student possessing any type of gun, knife, or weapon, or using such items in a threatening manner will be suspended immediately for one calendar year. The parent/guardian and Law Enforcement Officials will be notified immediately.
- Any student who does intentional physical harm to a teacher, fellow student, an administrator, other school personnel or citizen will be suspended immediately without consideration of gaining reentry to Stuart Schools. The parent/guardian and Law Enforcement Officials will be notified immediately.

DRESS & GROOMING CODE

Stuart Public Schools expect our students to come to school in clothes that are clean and neat, and we expect students to exhibit basic cleanliness and grooming that will not be a health or safety threat to themselves or to other students or staff. While we desire students to express themselves in their clothing and grooming styles, we do not permit students to wear clothing with pictures, emblems, or writing that is lewd, offensive, vulgar, or obscene or that advertises or depicts tobacco products, alcoholic beverages, drugs, or any other substance that students are prohibited from having or using at school. Clothing shall not be disruptive, or revealing in manner that distracts from the educational process. The Administrators make the final decisions about dress and grooming violations.

Students in violation of the dress code must either change clothes at school or have permission from parent and principal to go home to change, before being allowed to continue attending classes. If the student has no way home or no other clothing at school, they will be issued a sweat/t-shirt and/or sweat pants (if available) for the remainder of the day. RULES GOVERNING INTERSCHOLASTIC ACTIVITIES IN SENIOR HIGH SCHOOLS

RULE 1- AGE, PHYSICIAN AND PARENTS CERTIFICATE

- **SECTION 1**
Any student who reaches the age of nineteen before September 1st will not be eligible for athletic competition. Non-athletics: Any student who reaches his twenty-first birthday before September 1st will not be eligible.
- **SECTION 2**
No student shall be eligible to represent the school in athletic competition until there is on file with the principal a physical examination and parental consent certificate on a form prescribed by the OSSAA, on which the examining physician shall certify as to findings that the student is physically fit at that time to participate in the various athletic sports for the current school year. **The school year begins July 1; this physical examination is required for students each school year. One or both parents or legal guardian must sign the parental consent form each year before the student participates in athletic contest.**
- **SECTION 3**
Each non-athletic activity organization, which assists in the sponsorship of interscholastic activities, may operate under a constitution, or set of rules, which complies with the Constitution and rules of the Oklahoma Secondary Schools Activities Association.

RULE 2- ATTENDANCE

A student who has not attended class ninety percent of the time for the semester becomes ineligible. Exceptions may be made by the principal due to injury, illness, death in the immediate family, or valid reasons for

late enrollment. Ninety percent means that students involved in extra-curricular activities may miss only four and one half- (4 ½) days per nine-week period. However, this doesn't mean a student can miss all 4 ½ days in the first couple of weeks. If for example, school has been in session for 15 days, a student may have only missed 1 ½ days at that time. Missing two days in a 10 day interval would make the student ineligible. All Students must also attend 2 of the 1st 3 periods and 3 of the last 4 in order to be eligible for an activity, unless the principal has approved otherwise.

RULE 3- SCHOLASTIC ELIGIBILITY.

OSSAA scholastic eligibility standards are required of all students participating in extracurricular activity programs. Local school boards may make exceptions for only those students participating in noncompetitive activities. (Board Policy).

SECTION 1-SEMESTER GRADES

- A. Students may have received a passing grade in any five subjects counted for graduation that they were enrolled in during the last semester they attended fifteen or more days. (This requirement would be five school credits for the 7th and 8th grade students.
- B. If students do not meet the minimum scholastic standard, they will not be eligible to participate during the first six weeks of the next semester they attend.
- C. Students who do not meet the minimum scholastic standard may regain their eligibility by achieving passing grades in all subjects they are enrolled in at the end of a six-week period.
- D. Students enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the proceeding semester should be obtained from the records in the school last attended.

SECTION 2-SPECIAL PROVISIONS

- A. 12th grade students must maintain eligibility if they are passing the classes required for graduation. The number of classes can be no less than four. A 12th grade student who is concurrently enrolled in high school and college may use the college courses to meet the minimum number of four subjects needed to maintain eligibility. These may be a combination of high school and college subject's equivalent to four high school units which are accepted by the Oklahoma State Department of Education.
- B. An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three weeks. Students may regain their eligibility by achieving the scholastic standard in Rule 3, Section 2b at the end of a three-week period, if they meet all other requirements.
- C. Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision (Rule3, Section 3-c) if the incomplete grade was caused by an unavoidable hardship. (Examples of such hardships would be illness, injury, death in the family and natural disaster). (Board Policy allows a maximum of two weeks to apply this exception).
- D. One summer school credit (one-half unit or one subject) earned in an Oklahoma State Department of Education accredited program may be used to meet the requirements of Rule 3, Section 1-A for the end of spring semester.
- E. Schools may choose to run eligibility checks on any day of the week. The period of ineligibility will always begin the Sunday following the day eligibility is checked.
- F. Stuart High School will have an eligibility list submitted by each teacher on each Thursday of each week beginning the third week of each semester. These lists will be compiled by the principal and those students who are failing in any class will be notified Friday. These grade checks are cumulative to the 1st day of each semester. Students receiving a failing grade for the first time will have one week of probation to be passing in all classes. A student who is failing any class for two consecutive weeks will be declared ineligible. (A student who fails one class one week and a different class the next week is still ineligible). A student may regain eligibility when they are passing in all classes. Periods of ineligibility will run from Sunday (following the check on Thursday) through Saturday. Note that this period of ineligibility will run for the entire week even though the student may get his/her grade up before the end of that period.

- G. If a student cannot turn in work that would make that student regain eligibility, due to illness and not being at school when grades are checked, the student may turn in that work on Monday and eligibility will be restored if the student is passing. (Same rule as making up missing work.)

ATHLETICS/PHYSICAL EDUCATION

All students in our athletics/physical education courses are required to dress appropriately and participate in the class each day. For the gym, students will need proper athletic shoes that are not used for street wear. These may be old shoes with soles cleaned thoroughly or new ones. Proper footwear on the gym floor is vital for the safety of the student. If your child has been ill and does not need to exert him/herself, you must send a note to let the coach know, otherwise, the student will be expected to suit out and participate. Students who miss class may be required by the Coach/teacher to make up missed conditioning by running, not as a punishment, but as work missed. We are currently sending student athletes to Wetumka Health Clinic during the summer for free physicals. Dates and times are released during the summer.

- Parents may sit with students in this assigned area but students will not be allowed to move away from their class or teacher.
- In order to cut down on confusion, students are not allowed to “run errands” for their parent(s) unless they first receive permission from the teacher on duty.
- Students may go to the concession stand during the half-time of games and between games.
- Students may go to the bathroom and get a drink, one at a time, after they have received permission from the teacher or as a group when the teacher allows the group to take a break.

FACTS ABOUT MENINGOCOCCAL DISEASE & VACCINATION

What is meningococcal disease?

- Meningococcal disease, also known as bacterial meningitis, is a rare but sometimes deadly infection that can strike adolescents and young adults. The disease strikes quickly and has devastating complications, including hearing loss, brain damage, limb amputations, and loss of kidney function and, in some cases, death.

Who is at risk for meningococcal disease?

- Adolescents and young adults are at increased risk for getting meningococcal disease. In fact, they account for nearly 15 percent of all cases of meningococcal disease reported in the U.S. Death rates are higher among adolescents and young adults compared with other age groups and approximately one in seven will die. The majority of meningococcal disease cases among adolescents and young adults may be prevented by vaccination.

Why are adolescents and young adults at risk for meningococcal disease?

- Certain lifestyle factors common among adolescents and young adults increase their risk. These include, but are not limited to:
 - Irregular sleep patterns
 - Crowded living situations, such as sleep-away camps, dormitories and other student-style housing arrangements
 - Active and passive smoking
 - Social situations where there is crowding

How is meningococcal disease spread?

- Meningococcal disease is contagious. The disease is transmitted through the exchange of respiratory droplets such as coughing or sneezing, or through direct contact with an infected person (e.g., kissing).

What are the symptoms of meningococcal disease?

- Meningococcal disease is often misdiagnosed as something less serious, as the symptoms often resemble those of the flu. Symptoms may include sudden high fever, headache, stiff neck, nausea, vomiting and exhaustion. Some people also develop a rash. Since symptoms progress quickly, it is very important that medical attention is sought immediately.

Can meningococcal disease be prevented?

- Yes. Vaccination offers the best protection against the disease. Meningococcal vaccines are available in the U.S. for people 6 weeks of age and older.

How can adolescents and young adults reduce their risk of getting meningococcal disease?

- Adolescents and young adults can reduce their risk by being vaccinated against meningococcal disease. Vaccination protects against four of the five common strains of the disease that cause the majority of cases in this age group. Vaccination is the best method of prevention. However, maintaining a healthy lifestyle like getting plenty of rest and not coming into close contact with people who are sick can also help.

Are there government recommendations for meningococcal disease vaccination?

- The Centers for Disease Control and Prevention (CDC) recommends vaccination for all 11-12 year olds, with a booster dose at age 16. For those who receive the first dose at 13 through 15 years of age, a booster is recommended at 16 through 18. CDC suggests that adolescents receive the vaccine less than five years before starting college. There are others recommended for meningococcal vaccination, including younger children and adults with certain medical conditions, travelers and military recruits. For the full list of persons recommended by the CDC for meningococcal vaccination, please visit: <http://www.cdc.gov/vaccines/vpd-vac/mening/who-vaccinate.htm>.

Where can I find more information?

- Following are additional resources that provide more information about meningococcal disease and prevention methods, including vaccination:
 - National Meningitis Association: www.nmaus.org
 - Centers for Disease Control and Prevention: www.cdc.gov

What is the National Meningitis Association?

The National Meningitis Association (NMA) is a nonprofit organization founded by parents of children who have died or live with long-term effects from meningococcal disease. NMA’s mission is to educate families, medical professionals and others about meningococcal disease and prevention approaches to the disease. For more information about NMA and the organization’s activities, or to contact a member of NMA, please call 1-866-FONE-NMA (1-866-366-3662) or visit www.nmaus.org

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) afford parents and students eighteen (18) years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate and misleading.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Education, a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. According to the No Child Left Behind Act of 2001, and the National Defense Authorization Act for Fiscal Year 2002, requests for secondary students’ names, addresses, and telephone numbers will be provided to military recruiters unless a parent or eligible students opts out of providing such information. Enrollment packets include written documentation of the choice made by parents or eligible students regarding release of personally identifiable information.

In compliance with 10 U.S.C. Section 503 as amended by The National Defense Authorization Act (P.L. 107-107), Stuart Public Schools will maintain and release “directory information” without the parent’s or guardian’s prior written consent, unless the parent or guardian informs the district that any or all of the following information should not be released without prior consent.

“Directory information” is defined as:

It shall be the policy of the Stuart Board of Education to comply fully with the provisions of the Oklahoma Open Records Act to protect the rights of privacy of students and their families and to protect the rights and privacy of individual employees while ensuring and facilitating the public's right of access to and review of those school records authorized thereby.

OUT OF SCHOOL SUSPENSION FOR STUDENTS WITH DISABILITIES

This policy applies to the suspension or other disciplinary removal of a student with a disability from a current educational program. Disciplinary removal refers to reassignment of a student with a disability to an interim alternative education setting not specified in the student's IEP. A student with a disability is defined as any student who has been determined disabled under IDEA or Section 504 Rehabilitation Act and has a current Individual Education Plan (IEP) or 504 Plan.

- ***Disciplinary Removal for Less Than Ten (10) Days:*** School personnel may unilaterally remove a student with a disability from the current educational placement for not more than ten school days within a school year without providing educational services for any conduct that would warrant disciplinary removal of a student without disabilities. The principal may remove a student for up to ten consecutive school days per offense, as long as the additional removals do not constitute a change in placement. The district will follow its policy and procedures for the suspension/disciplinary removal of students without disabilities. Change in placement occurs if a series of removal constitute a pattern. A pattern is determined by the length of each removal, the total amount of time the student is removed, the proximity of the removals to one another, and the nature of the offense.
- ***Disciplinary Removal for More Than 10 Days:*** Prior to any change in placement resulting in a school removal of more than ten consecutive days per offense or ten cumulative days that constitute a change in placement, the student's IEP team, including the parents, must meet to determine if the misbehavior is a manifestation of the disability. Procedural safeguards prescribed in state and federal regulations shall be implemented not later than the tenth day after taking disciplinary action involving suspension or placement in an interim alternative education setting.

Stuart Public School Internet Acceptable Use Policy

Please read the following carefully before signing document.

Internet access is available to students and teachers in the Stuart Public School district. We are very pleased to bring this access to our school and believe the Internet offers vast, diverse and unique resources to both students and teachers. Our goal in providing this service to students and teachers is to promote educational excellence in the Stuart Public Schools by facilitating resource sharing, innovation and communication.

The internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and teachers have access to:

- 1) Electronic mail communication with people all over the world
- 2) Information and news
- 3) Public domain and shareware of all types
- 4) Discussion groups on an over abundance of topics ranging from diverse cultures to the environment to music to politics
- 5) Access to many university catalogs

With access to computers and people all over the world also comes the availability of materials that may not be considered to be of educational value in the context of the school setting. **The Local Education Agency and the Internet provider have taken available precautions to restrict access to inappropriate materials. However, on a global network it is impossible to control materials and an industrious user may discover inappropriate information.**

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines.

These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a LEA user violates any of the provisions, their access will be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legal binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand (s) their significance.
