Dear Parents/Guardians,

We are excited to announce our partnership with the YMCA commencing with the 2022-2023 school year. They will be facilitating our latchkey program at the K-5 level. As you can see below, the times and locations will remain the same as they were this year. Additionally, the district will be covering the cost of the registration fee for all students who enroll this year during the transition. We also encourage you to apply for financial assistance through the Ohio Department of Jobs and Family Services if needed.

If you or anyone you know is interested in applying to be a lead teacher, assistant teacher or site administrator, please apply by contacting the Ashtabula YMCA and/or through the posting on our district website.
