

Geneva Area City Schools Newsletter

Eagle's Landing

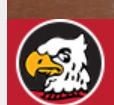

Introducing Our District Newsletter!

District Feature

Stay Up-to-Date with Geneva Schools

An exciting new school year is already underway in our buildings! As we start off the school year strong, we want to give parents and families another opportunity to stay up-to-date with what's going on in Geneva Area City Schools. You will now begin receiving our new district-wide email newsletter at the beginning of each month. Keep reading for recent student highlights, upcoming events, school activities and more from around our district!

Academics

Student Athletes Dedicated to Learning

The learning doesn't stop when our student-athletes leave the classroom! Our student athletes work hard to maintain their academic standing, while also working hard on the field. Pictured above, our Geneva High School Boys Football Team was focused on homework and studying before they headed to practice. We are proud of all of our student-athletes dedication and hard work!

Achievements

Homecoming King and Queen Crowned

Congratulations to this year's homecoming king and queen, Johnny Haeseler and Glory Kinnunen! We had a great homecoming week full of spirit days and excitement. Our Eagles football team walked away with a 41-8 victory!

Professional Development

Elementary Teachers Participate in Professional Development

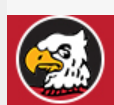

Our K-3 teachers from Austinburg, Cork, and GPS attended a professional development day on Friday, September 23, at Geneva High School. This day focused on reviewing the building report card issued by the state, writing gifted educational plans for identified students, activities surrounding personalized learning, and opportunities for discussion around family engagement.

Athletics

Girls Tennis Wins 2nd Place in Ashtabula Tournament

We're very proud of our Geneva High School Girls Tennis team for their 2nd place finish in the Ashtabula County Girls' Tennis Tournament. The team also celebrated the 500th program win this season! Read more about this accomplishment in the [Star Beacon](#). Excellent job, Eagles! Your hard work and practice paid off!

Extra Curriculars

Art Students Help with Geneva Christmas Display

Geneva students take their interests and creativity to a whole new level with their involvement in our wide range of clubs, electives and more! Our high school students taking Art III & IV classes recently refurbished these plywood poinsettias and candy canes. Be sure to check them out around town as the holidays approach in Geneva's Christmas display!
