Student Arrival

Students may enter the building starting at 8:30 am Please do not drop off your students prior to 8:30 am, as he or she will be left unattended.

Please continue to use the car line to drop off your student(s) each morning; or, if you chose to park in the lot be sure to walk your student (s) through the crosswalk to the front of the building. Please do not just drop them off in the parking lot. In order to speed up the drop off line, please be sure to have your students ready to exit upon entering the drop off zone. This means backpacks are in place so the student(s) can exit the curb side quickly while the adult driver remains in the car.

Please allow other drivers to merge into the single lane near the drop zone, as this is a matter of student safety. Students will not be marked tardy if a car is waiting in the drop off line. Thank you for your patience as we ensure all students enter the school safely.

If your student is going to miss school:

- * Be sure to call the office attendance line at 440-466-4831 extension 3007 to report your student’s absence.
- * When your student does return to school, please send a note or medical excuse.
