

G.P.S. Navigator

May/June 2023

Families,

It is hard to believe that this school year is quickly drawing to a close. I would like to personally thank parents, students, and the GPS staff for their flexibility and cooperation throughout this school year. All car tags should be discarded after you pick up your student(s) on the last day of school. New car tags will be issued for the 2023-2024 school year starting in August. Each family will receive (2) tags. You must come in prior to the first day of school to request one.

Final report cards will be mailed home the week of June 12th along with other information for the upcoming school year. Please make sure that you have an updated address on file. Please see the directions below on how to update your address through our new electronic enrollment system.

Please enjoy your summer and remember to read.

Sincerely,

Ms. Julie Farina, Principal

Electronic Enrollment System

Please visit the link below to set up an electronic enrollment account.

- This account also allows existing families to update their contact information and new students to enroll with the district.
- Please enroll anyone in your household that turns 5 by August 1, 2023 for kindergarten using the link below.

RAPID REGISTRATION LINK: <https://genevaareacityschools.esvportal.com/Login.aspx>

If you have questions about our new Rapid Enrollment System.

Please contact Mrs. Horvath.

She can be reached at

440-466-4831 x 2002,

Fax: 440-466-0217.

A separate form will be sent home if 5th grade parents would like to take their student home after the clap out along with other siblings.

Dress Code

Parents, please be reminded of our dress code guidelines as the warm weather returns. Students may wear shorts. Shirts must include sleeves and cover the chest, back and underarms. Flip flop style sandals may not be worn. All shoes must have a back on them. Sunglasses may not be worn. Shorts should be long enough as not to expose undergarments when your child bends over. Dress or skirt length should be down to the fingertips. All toys should stay at home.

Summer Backpacks

I am excited to announce that all students in grades kindergarten through fifth grade will be sent home with a backpack full of learning materials for the summer during the last week of school. Backpacks will be specific for students in kindergarten through second grade and third through fifth grade students. All students will receive a package of nonfiction books, a math trade book, a math game or set of manipulatives, and a Summer Solutions book for both reading and math. Please take the time to explore these resources and enjoy them with your students. Any student that returns both Simple Solutions books completed, will be given a token to use at one of our new book vending machines. Happy Learning!
