# **Texas Education Agency** 2017-18 Federal Report Card for Texas Public Schools Campus Name: FOLLETT SCHOOL Campus ID: 148902001 District Name: FOLLETT ISD

Part (i): General Description of the Texas State Accountability System Under Subsection (c)

Part (i)(I) the minimum number of students that the State determines are necessary to be included in each of the subgroups of students, as defined in subsection (c)(2), for use in the accountability system;

The Texas accountability minimum size criteria are 25 tests for assessments related indicators or 25 students for non-assessment related indicators, such as graduation, for any student group, and 10 tests or students for All student group.

Part (i)(II) the long-term goals and measurements of interim progress for all students and for each of the subgroups of students, as defined in subsection (c)(2);

Part (i)(III) the indicators described in subsection (c)(4)(B) used to meaningfully differentiate all public schools in the State;

a. Academic Achievement Indicator: STAAR Performance Status (Percent at or above Meets Grade Level)

b. Other Academic Indicator for Non-High Schools: STAAR Growth Status

c. Graduation Rate: Federal Graduation Status

d. ELP Indicator: English Learner Language Proficiency Status

e. School Quality or Student Success (SQSS) Indicators: College, Career, and Military Readiness for High Schools and K-12; Student Achievement Domain Score: STAAR only for All Other Schools without Annual Graduates

Part (i)(IV) the State's system for meaningfully differentiating all public schools in the State, including: (aa) the specific weight of the indicators described in subsection (c)(4)(B) in such differentiation;

| Campus Type                   | Indicator                                     | Weight |
|-------------------------------|---|--------|
| Elementary and Middle Schools | Academic Achievement                          | 30%    |
| ·                             | Other Academic Indicator                      | 50%    |
|                               | English Learner Language proficiency          | 10%    |
|                               | SQSS: Student Achievement Domain Score        | 10%    |
| High Schools and K-12         | Academic Achievement                          | 50%    |
| •                             | 4-Year Graduation Rate                        | 10%    |
|                               | English Learner Language proficiency          | 10%    |
|                               | SQSS: College, Career, and Military Readiness | 30%    |

(bb) the methodology by which the State differentiates all such schools;

A weighted average of the accountability indicators will be computed from the number of items meeting targets divided by the number of items evaluated. The weighted average will be scaled to grades A (90-00), B (80-89), C (70-79), D (60-69), and F (0-59) and further used to differentiate all public schools.

(cc) the methodology by which the State differentiates a school as consistently underperforming for any subgroup of students described in section (c)(4)(C)(iii), including the time period used by the State to determine consistent underperformance;

Student group achievement is monitored annually through the Closing the Gaps domain of the State accountability. Any campus that has one or more achievement gap(s) between individual student groups and the interim goals for three consecutive years will be identified as a consistently underperforming school. (dd) the methodology by which the State identifies a school for comprehensive support and improvement as required under subsection (c)(4)(D)(i);

The Closing the Gaps domain scaled score is used to identify schools for comprehensive support and improvement. TEA rank orders the scaled domain score for all campuses. The lowest five percent of campuses that receive Title I, Part A funds are identified for comprehensive support and improvement. Also, if a campus does not attain a 67 percent four-year graduation rate for the all students group, the campus is also automatically identified for comprehensive support and improvement. Additionally, any Title I campus identified for targeted support and improvement for three consecutive years is identified for comprehensive support and improvement the following school year. TEA will annually identify campuses for comprehensive support and improvement beginning with the August 2018 accountability release, which is based on school year 2017-18

performance data

Part (i)(V) the number and names of all public schools in the State identified by the State for comprehensive support and improvement under subsection (c)(4)(D)(i) or implementing

targeted support and improvement plans under subsection (d)(2); <u>Comprehensive Support and Improvement Schools</u> and <u>Additional Targeted Support Schools</u> list those campuses that have been identified for comprehensive support and additional targeted support based on performance in the Closing the Gaps domain (Excel file).

Part (i)(VI) the exit criteria established by the State as required under clause (i) of subsection (d)(3)(A), including the length of years established under clause (i)(II) of such subsection. Campuses that do not rank in the bottom five percent of the Closing the Gaps domain for two consecutive years and have increased a letter grade (for example, from F to D or from D to C) on the Closing the Gaps domain will be considered as having successfully exited comprehensive support and improvement status. To exit additional targeted support and improvement status, a student group must meet at least 50 percent of the indicators evaluated and meet the targets for the Academic Achievement component in both reading and mathematics.

Part (ii): Student Achievement by Proficiency Level

This section provides information on student achievement on the STAAR (State of Texas Assessments of Academic Readiness) performance for mathematics, ELA/reading, and science by grade level and proficiency level for the 2017-18 school year. These results include all students tested, regardless of whether they were in the accountability subset.

Indicates zero observations reported for this group.

Part (iii): Academic Growth and Graduation Rate

#### Part (iii)(I): Academic Growth

This section provides information on students' academic growth for mathematics and ELA/reading for public elementary schools and secondary schools which don't have a graduation rate. These results include all students tested, regardless of whether they were in the accountability subset.

Indicates results are masked due to small numbers to protect student confidentiality.

. . Indicates there are no students in the group.

Part (iv): English Language Proficiency

This section provides information on the number and percentage of English learners achieving English language proficiency.

| Total EL in Class | Proficiency of EL | Rate of Proficiency |
|-------------------|-------------------|---------------------|
| *                 | *                 | *                   |

1:11 Indicates results are masked due to small numbers to protect student confidentiality. ....

Indicates zero observations reported for this group.

Part (v): School Quality or Student Success (SQSS)

This section provides information on the other indicator of school quality or student success, which is college, career and military readiness (CCMR) for high schools and average performance rate of the three STAAR performance levels of all students, regardless of whether they were in the accountability subset, for elementary and secondary schools without a araduation rate.

Indicates results are masked due to small numbers to protect student confidentiality. 1\*\*1

When only one racial/ethnic group is masked, then the second smallest racial/ethnic group is masked (regardless of size). Indicates there are no students in the group.

 $\mathbf{Q}$ Blank cell indicates the student group is not applicable to this report.

Part (ix): Teacher Quality Data

This section provides information on the professional qualifications of teachers, including information disaggregated by high- and and low-poverty schools on the number and percentage of (I) inexperienced teacher, principals, and other school leaders; (II) teachers teaching with emergency or provisional credentials; and (III) teachers who are not teaching in the subject or field for which the teacher is certified or licensed.

|  | All S  | chool   |
|--|--------|---------|
|  | Number | Percent |
| Inexperienced Teachers, Principals, and Other School Leaders   | 3.3    | 18.9%   |
| Teachers Teaching with Emergency or Provisional Credentials  | 0.0    | -       |
| Teacher Who Are Not Teaching in the Subject or Field for Which the<br>Teacher is Certified or Licensed | 3.4    | 20.6%   |

 $\mathbf{Q}$ Indicates there are no data available in the group. Blank cell Indicates data are not applicable to this report.

Part (x): Per-pupil Expenditure

This section provides information on the per-pupil expenditures of federal, state, and local funds, including actual personnel expenditures and actual non-personnel expenditures, disaggregated by source of funds, for each school district and campus for the preceding fiscal year.

The Public Education Information Management System (PEIMS) encompasses all data requested and received by Texas Education Agency (TEA) about public education, including student demographic and academic performance, personnel, financial, and organizational information. The submission of PEIMS data is required of all local education agencies (LEAs).

The TEA will utilize PEIMS submissions to develop and report the per-pupil expenditures of Federal, State, and local funds, including actual personnel expenditures and actual nonpersonnel expenditures of Federal, State, and local funds, disaggregated by source of funds, for each LEA and each school in the State for the preceding fiscal year; the data will be reported on 2018-2019 school year report cards.

### Part (xi): STAAR Alternate 2 Participation

This section provides information on the number and percentage of students with the most-significant cognitive disabilities who take STAAR Alternate 2, by grade and subject.
