PERFORMANCE LEVEL DESCRIPTORS

https://www.discoveractaspire.org/performance-level-descriptors/

Performance Level Descriptors outline the knowledge, skills, and practices that students performing at any given level achieve in each content area at each grade level. They indicate if the students are academically prepared to engage successfully in further studies in each content area, the next grade material and, eventually at the high school level to verify that they are college and career ready.

DOK LEVELS

http://www.livebinders.com/media/get/MTYyMTQyOTU=

The DOK framework is a language system that was developed by Norma Webb that is used to describe the content complexity of learning expectations, instructional materials and assessment items. Complexity is the key word that separates it from similar cognitive scales. **Included: ELA, Math, Science and Social Studies**
