

Collingswood

It Pays to get vaccinated!

JULY 23 - Pop-up Vaccine Event

PROTECT YOURSELF, FRIENDS, & OUR COMMUNITY

Why Get Vaccinated?

The vaccine protects you from getting and spreading the virus. protects you and those around you and also can prevent serious illness in the event you do get COVID-19.

Is it Safe?

COVID-19 vaccines were developed using science that has been around for decades. Extensive testing and monitoring have shown these vaccines are safe and effective.

Is it Free?

There is no cost for the vaccine at any location.

How will I feel after?

You may have some side-effects such as pain in the arm, fever, or tiredness. These are normal that your body is building protection and last a few days. Some people have no side effects.
