BULLY PREVENTION MONTH

Throughout the month of October, students will learn more about bullying.
Keep the conversation going at home!

Follow the link for more information. <https://www.stopbullying.gov/>

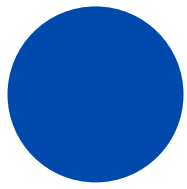

FIRE PREVENTION WEEK OCT. 10-14, 2022

Students will be learning more about fire prevention and fire safety this week at school.

This week would be a great time to:

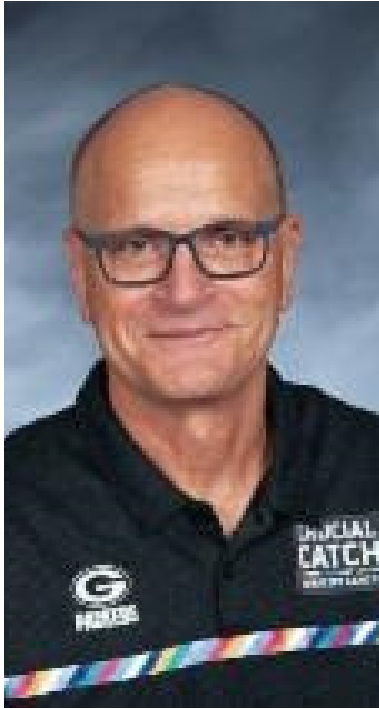

- Check the fire alarms in your home.
- Plan an escape route with your family in case of a fire.

TEACHER SPOTLIGHT

ROUND LAKE –
BREWSTER
SCHOOL

*Amazing things are happening
everyday in the classrooms of RLB
because of our great teachers!*

Mr. Eichenberger

Mr. Eichenberger was nominated by Mrs. Muniz as the first teacher spotlight nominee! She says, "He's always so positive and shows empathy towards others. He is a great colleague! He always makes popcorn for everyone!"

Mr. Eichenberger teaches art and shop classes for grades kindergarten through 8th grade. He has been part of the RLB school system for 41 years.

Mr. Eichenberger sees RLB as a very special place. Over the years, he has seen student enrollment grow, which he sees as a testament to the quality of education that teachers provide here, and the trust parents have in our school. Mr. Eichenberger is also proudly involved in adding and coordinating a growing number of extra-curricular activities such as boys and girls basketball and soccer.

Round Lake-Brewster school has become even more special to Mr. E in recent years. His daughter, Miss (Mara) Eichenberger teaches here and his granddaughter, Savvy is a kindergartener. He says, "It is wonderful to see them in the here, and I look forward to seeing more of my grandchildren in the halls in a few short years."

“My favorite things about teaching at Round Lake-Brewster are the students and the staff. The staff does a wonderful job; we work well together and as for the students, it's fun to see them after they have left RL-B, and to hear how things are going, especially when they tell me they miss RL-B. Better yet, it's nice that they remember me. So making some connection with the students is very special.”

Mr. Eichenberger sees so many students and somehow manages to remember all of our names. He is someone you can go to if you need help. He is very trustworthy, and one of the best teachers.

- Camila (Gr. 8)

Mr. Eichenberger helps you when you need it. He is very understanding and kind. All of the lessons that he teaches are very fun.

- Klayton (Gr. 4)

He is chill and fun to hang out with. He is great and kind, awesome and helpful, in my opinion.

- Elby (Gr. 6)

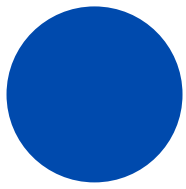

Mr. Eichenberger is always finding ways to help people. He always asks how your day is going. He is one of the best teachers I know.

- Brandon (Gr. 7)

I love art! He is really nice. He pushes you to do things you've never done before and then you're happy with what you did. He makes you proud of yourself.

- Lucy (Gr. 2)
