## POSITIVE BEHAVIOR RECOGNITION

Beavercreek High School staff believe in recognizing the positive behaviors of our students. There are several ways we recognize outstanding student behavior as a school:

**SHINE Awards** - The SHINE award is Beavercreek City Schools' program to recognize students who demonstrate outstanding character. Recipients are recognized during the school day by staff, classmates, and parents. They are also recognized at a school board meeting. In addition they are eligible to receive a scholarship their senior year.

**Positive Student Referrals** - Staff members may refer students to administration for demonstrating one of the pillars of character education recognized by Beavercreek City Schools: Citizenship, Fairness, Caring, Trustworthiness, Respect, and Responsibility.

**Exam Exemption Incentives** - Each semester all students will be awarded one exam exemption that they may use in a single class where they have earned a "C" or better average up to the week before exams. Students may not exempt an exam in a year-long class for both semesters. Students may not use an exam exemption in a CCP or AP class. Students will lose the privilege of their exam exemption under the following condition: the student receives office discipline of a Saturday School, in-school or out-of-school suspension during the semester.

## ATTENDANCE

Beavercreek High School expects all students to attend every day school is in session. The official school day for students at BHS shall be at least six and one-quarter (6 ¼) hours of classes and other guided learning experiences. This is in compliance with the Ohio Operating Standards. All BHS students will be in attendance for at least six and a quarter (6 ¼) hours except for those in approved work-study programs; students attending college classes or approved vocational trade or technical classes; those students doing volunteer community service work; or those students recommended for an alternative program by a psychologist, a medical doctor or a social worker.

### REPORTING AN ABSENCE:

Parents must call the BHS attendance office (937-429-7547) or email (BHSattendance@gocreek.org) when their child is going to be absent from school. Parents must provide the name of the student, grade level, reason for absence, phone number, and relationship to the student for the student to be marked as an excused absence. Parents may also provide a note the following day if the student was not called in for their absence.

**There are three main types of absences: medically excused; parent excused; and unexcused.**

### MEDICALLY EXCUSED:

A medically excused absence requires a doctor's note listing all dates missed.

### PARENT EXCUSED:

When a parent calls or brings a note to school, the absence is counted as "parent excused." 10 parent excused absences are allowed each school year. After 10 parent excused absences, medical documentation is required for any additional absences to be excused. Medically excused absences do not count toward this limit.

The following are acceptable excuses for absence; the principal must approve other excuses.

1. Personal illness
2. Family illness necessitating presence of child
3. Quarantine of home
4. Death in the family
5. Work at home necessitated by absence or incapacity of parent or guardian
6. Observation or celebration of holiday
7. Out of state travel (up to 24 hours) for a district approved extra-curricular activity
8. Medical or dental appointments
9. Medically necessary leave for pregnant student
10. Service as a precinct officer at a primary, special, or general election with principal approval
11. Pre-approved family vacations up to 5 days (must be pre-approved 5 days in advance of the vacation)
12. Pre-approved college visit
13. Others as reviewed and approved by the Superintendent

*Students will have 3 days after their absence to bring in a note if they have not been called in, after that, it is considered unexcused.*

### UNEXCUSED ABSENCES:

1. Overslept (child or family member)
2. Missed the bus or running late
3. Car trouble
4. Family vacations without prior approval or more than 5 days
5. Student refusal
6. Suspensions
7. Personal or appointment (without further clarification)

### VACATION PROCEDURE:

Parents will be required to fill out a vacation form when a student is going to miss school due to a vacation (See vacation form online. State law allows 5 excused vacation days per year). This absence must be pre-approved 5 days in advance of the vacation. It is the student's responsibility to discuss this absence with teachers and make arrangements for missed work and assessments.

### MAKE-UP WORK:

Schoolwork missed due to a day of absence may be made up. It is the student's responsibility to take the initiative in making up work. Time equal to the number of school days of a class missed (the number of class periods missed with a particular teacher) will be given to complete make-up work. Students will be granted time to prepare for any missed quiz/test and should make arrangements with teachers to make up those assessments. If an unplanned absence occurs the day a major presentation, project, or assessment is due, students may be required to turn in or present on the day they return.

## **TRUANCY AND EXCESSIVE ABSENCES:**

A student with a serious or long-term illness may qualify for home-instruction (contact counseling office for more information). If absences become excessive within a grading period or semester, the student may be referred to the truancy officer or principal.

### **Habitually truant is considered:**

a) absent 30 or more consecutive hours without a legitimate excuse; b) absent 42 or more hours in one month without a legitimate excuse; c) absent 72 or more hours in one year without a legitimate excuse.

Once a student has missed 72 hours in a school year, the student will be placed on an attendance contract. In addition, the following steps will take effect: a) Within seven days of the triggering absence, the district will do the following: i. Select members of the absence intervention team; ii. Make three meaningful attempts to secure the student's parent or guardian's participation on the absence intervention team. b) Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team; c) Within 14 days after the assignment of the team, the district will develop the student's absence intervention plan; If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in the juvenile court.

### **Excessive absences are considered:**

a) absent 38 or more hours in one school month with or without a legitimate excuse; b) absent 65 or more hours in one school year with or without a legitimate excuse. Once a student has missed 65 hours in a school year, documentation may be required from a healthcare professional on office stationery to excuse the absences, and the student will be placed on an attendance contract. In addition, the following steps will take effect: a) The district will notify the student's parents/guardians in writing within seven days of the triggering absence; b) The student will follow the district's plan for absence intervention; and the student and family may be referred to community resources.

## **HOUSE BILL 410:**

Per House Bill 410, a preventative approach to habitual and chronic truancy has been mandated in the state of Ohio. To support academic success for all students, the district will partner with students and their families to identify and reduce barriers to regular school attendance. The district will utilize a continuum of strategies to reduce student absence including, but not limited to:

- Notification of student absence to the parent or guardian;
- Development and implementation of an absence intervention plan, which may include supportive services for students and families;
- Counseling; Parent education and parenting programs;
- Mediation;
- Intervention programs available through juvenile authorities;
- Referral for truancy, if applicable.

### **DEFINITION OF TRUANCY AND EXCESSIVE ABSENCE**

When a student is excessively absent from school, the following will occur:

The district will notify the student's parents in writing within seven days of the triggering absence;

The student will follow the district's plan for absence intervention; and

The student and family may be referred to community resources.

### **DISTRICT RESPONSIBILITIES WHEN A CHILD IS HABITUALLY TRUANT**

When a student is habitually truant, the following will occur:

Within seven days of the triggering absence, the district will do the following:

- Select members of the absence intervention team;
- Make three meaningful attempts to secure the participation of the student's parent or guardian on the absence intervention team.

Within 14 days after the assignment of the team, the district will develop the student's absence intervention plan.

If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in juvenile court.

## **LATE ARRIVAL AND EARLY DISMISSAL OF STUDENTS**

**All students must sign in and out of the attendance office when arriving late or requiring an early dismissal. Late arrivals and early dismissals will not be excused without a signature by a parent or legal guardian.** Students leaving school without a note or students that leave school prior to their excused dismissal time will be considered as skipping and truant.

We require a parent signature for signing a student in or out unless the parent calls or emails the school regarding the absence.

If you are coming into the school to pick up your student please allow additional time for the attendance office to locate and dismiss. In order to reduce the amount of time your student will be missing class we do not dismiss a student until you arrive on school grounds.

### **LATE ARRIVAL:**

Students arriving at school within fifty-nine (59) minutes after school begins will be counted tardy, unless the office excuses their reason for absence. A medical or parent note/call is required for an **excused** late arrival.

Students arriving at school after 8:15 a.m. will sign-in at the attendance office.

Students arriving at school after 9:15 a.m. and before 11:35 a.m. will be counted as absent one-half day. Students arriving at school after 11:35 a.m. will be counted absent one full day.

### **EARLY DISMISSAL:**

Because Beaver Creek High School believes that education is very important, early dismissals are discouraged; however, if a student must

miss for a doctor's or dentist's appointment, funeral, family emergency, award ceremony, driver's exam, or a court date, he/she should follow the procedure below.

Students are to take a note stating the reason for the early dismissal to the attendance office *before school begins*.

\*If a parent is going to call the doctor's office for an appointment, and is unsure as to the exact time, he/she should send a note with the student stating so. The student should take this note to the attendance office before school begins. Later, the parents can call the office and report the exact time of the appointment. The office will then notify the student of the early dismissal time.

### **EARLY DISMISSALS AND LATE ARRIVAL NOTES**

Parent, when writing an early dismissal or late arrival (**tardy**) note, please include the following:

1. Student's name
2. Student's grade level
3. Reason for early dismissal or late arrival
4. Your signature and phone number
5. Date and time if early dismissal or late arrival.

### **ALTERNATIVE OPTIONS:**

You may email attendance notes to **both** [caren.byers@gocreek.org](mailto:caren.byers@gocreek.org) **and** [kim.mantia@gocreek.org](mailto:kim.mantia@gocreek.org). You may fax a note at **937-429-7546**.

### **FORGED EARLY DISMISSAL NOTES AND ABSENCE NOTES:**

Students who forge their parent's or guardian's signature on notes for early dismissal from school or to excuse absences from school will be subject to discipline by school administration.

### **COLLEGE VISITS**

Students and parents who plan to visit colleges while school is still in session must contact the principal in written form at least 5 school days before the scheduled days off. Upon return from the college visit, please bring verification of the visit on college/university letterhead. The principal reserves the right to reject a request for an excused absence for college visits.

## **ACADEMIC POLICIES**

### **GRADING SCALE**

90-100	A
80-89	B
70-79	C
60-69	D
Under 60	F

### **NINE-WEEK AND SEMESTER GRADES**

All nine week grades are to be averaged to the nearest percent only. Student report cards will display the letter grade for the nine weeks. When calculating the semester grade each nine weeks grade will count 40% and the Semester exam will count 20% of the grade.

### **SEMESTER EXAMS**

A Semester Exam will be given and incorporated in the Semester Grade.

### **OFFICIAL TRANSCRIPT**

The official transcript, which is available to colleges and employers, will contain grades in letter form only. Transcripts are available from the registrar in the guidance office.

### **WITHHOLDING CREDIT**

1. Students removed from a class permanently for disciplinary reasons may not receive credit for that class for the year.
2. Assignments turned in late may not be graded for credit.
3. Participation in classroom activities may be included as a calculation in a student's course grade.
4. A student may petition for ½ credit for a year-long course if he/she fails one semester of the course.

### **SCHEDULE CHANGE POLICY**

Courses chosen during the scheduling process in the spring are treated as final selections. Student course selections dictate the master schedule created for the school. Important fiscal decisions such as the number of teachers required to offer courses, the number of times to offer a class per school day, and the number of books and other resources to order are made based upon spring course selections.

Therefore, we cannot make schedule changes after the schedule is established. **Classes will not be changed for social reasons or to accommodate the desire for a specific teacher.**

Schedule changes will ONLY be made for the following reasons:

1. Scheduling process error
2. Pre-requisite failure
3. Administrative directive

\*Requests that meet these requirements should be directed to the student's assigned school counselor. A class drop form must be completed by the student, teacher, and parent before a class will be dropped from a student's schedule. \*No credit will be earned for partial completion of a course.

### **SCHEDULE CHANGE REQUESTS**

Schedule change requests will not be reviewed until after the first five days of the course. Classes will not be changed for social reasons or to accommodate the desire for a specific teacher. Students may request a schedule change during days 6-10 of the school year (or semester for a ½ credit class). A student must complete a drop form, available from their counselor, within this window of days and return the form to his/her respective school counselor.

### **WITHDRAWALS FROM A COURSE**

Withdrawals from a course should be requested as early as possible, preferably before the start of the school year. Students that are withdrawn from a course will be placed in a study hall. If this results in a student having more than one study hall, the request must have administrative approval.

The request for withdrawal must be made and completed within six weeks of the start of the semester/year. Second semester withdrawals of a year-long class will not be granted. Students that request and are allowed to withdraw after 6 weeks will have a W placed on their high school transcript. Requests to withdrawal from a course should be directed to the student's assigned school counselor. \*No credit will be earned for partial completion of a course.

### **IN-SCHOOL SUSPENSION (ISS)**

In school suspension (ISS) is a program designed to support students with varying academic and/or behavioral needs in an individualized learning environment. These students may include those who are struggling academically, those who require academic and/or behavioral accommodations, or those who have demonstrated disruptive classroom behaviors.

### **OUT-OF-SCHOOL SUSPENSION (OSS)**

Students suspended from school by the administration for a violation of the Student Conduct Code will be required to make up **all** missed work. It is the responsibility of the student, upon his/her return to school, to make up all work missed within the same number of school days he/she was suspended. The principal involved in assigning the suspension will work with the student's teachers in getting make up work. Assignments for suspended students may be picked up in the Main Office or sent to the student via email. Students may receive full credit for make-up work during a suspension. Students who fail to make up the assigned work during their suspension will receive a 0% on all missed work.

Students expelled by the Superintendent for longer than a 10-day period may not make up classroom work or exams missed during the expulsion unless special provisions are placed in the expulsion letter for being readmitted to school.

### **REPORTING TO PARENTS**

Grades will be reported to parents each nine weeks with interim reports available electronically to parents.

### **INCOMPLETE GRADES**

Any incomplete grade will be changed automatically to an "F" three weeks after report cards are issued unless the principal grants a special extension. The responsibility for changing the grade should rest with the student or teacher. The student should follow this up with his/her counselor.

### **VALEDICTORIAN/SALUTATORIAN ELIGIBILITY**

For a student to be eligible for salutatorian or valedictorian status at Beaver Creek High School, the student must have enrolled at Beaver Creek High School and been awarded grades and credits by Beaver Creek High School during the entire 7th semester.

The valedictorian and salutatorian selection will be made at the conclusion of the 7th semester. Selection will be based on grade point averages using the final grades for all courses in grades 9, 10, and 11. The GPA will also include courses taken in middle school, which receive high school credit. The final GPA will be rounded to the nearest tenth.

Students taking courses under the provisions of the College Credit Plus program should be aware that courses taken at the university level shall also count in calculation of the GPA and class rank. All courses taken at the college level for high school credit will be compiled using the four (4)-point scale in determining the student's high school GPA and class rank.

School policy regarding students moving into our district and calculating their GPA shall be: only those advanced level and honors courses which are weighted and equivalent to those existing in Beaver Creek's curriculum will be used in calculating a student's GPA and

determining class rank. Any other advanced level and honors courses appearing on the transcript that has no equivalent course in the Beaver Creek curriculum will be calculated using the four point grading scale. The transcript will show all courses that were designated advanced courses by the former school.

## BEAVERCREEK HIGH SCHOOL PROCEDURES

### BUS PROCEDURES

#### **Bus Rules:**

Any behavior that distracts the driver is a hazard to the operation of the bus and, as such, jeopardizes the safety of all passengers and will not be tolerated. Bus rules are posted in each bus.

#### **General Safety Rules for Loading and Unloading:**

1. Students must be cautious of other buses entering the lot. Once students have arrived at school, they are not to leave school grounds without permission.
2. In the afternoon students must go straight to their buses; they must not loiter in the halls or near the buses. Buses leave promptly at 3:07 p.m.
3. All students must board the buses from the front.
4. Once the buses start moving, students **MUST NOT CHASE** after a missed bus. If a student misses his/her bus, he/she must make other arrangements for transportation home.
5. Students must allow the buses to come to a complete stop before approaching.
6. If a student is walking home or to the student parking lot, he/she must not run between the buses as they are pulling out. Students must allow all buses to leave before crossing the lot.
7. All students who drive to school must receive permission from staff members before exiting the parking lot.
8. Under no circumstances should there be any horseplay near or on the bus at any time.

#### **Bus Changes:**

Bus changes are approved only with a valid written reason from the student's parents further validated by the principal's signature. e.g.:

**Valid Reason:** Temporary emergency

**Not valid reason:** Staying overnight with a friend.

**Bus changes are limited to emergency situations only.**

### CAFETERIA

Students may either purchase lunch in the cafeteria or bring their lunch from home. Parents are discouraged from bringing in outside food orders for their child. Students are not permitted to order outside lunch and have it delivered to school (i.e. DoorDash). If a student places an order, he/she will not receive the food until the end of the school day. **Students are not permitted to leave school grounds during lunch.**

#### **Cafeteria Violations and Possible Consequences:**

**Leaving School:** BHS has a closed lunch. Students are not permitted to leave school grounds during lunch. Students are not permitted to order food delivery for lunch. Possible consequences: Saturday School, ISS, OSS.

### COMMUNICATION DEVICES

- For purposes of this policy, personal communication device (PCD) includes computers, game systems, tablets (e.g., iPads and similar devices), electronic readers ("e-readers"; e.g., Kindles and similar devices), smart watches, cell phones (e.g., mobile/cellular telephones, smartphones), and/or other web-enabled devices of any type. This also includes PCD accessories such as earbuds, headphones, or phone cases.
- Students may use their **PCDs** before school, after school, during lunch, during class change, and during building-approved times as determined by the principal.
- Students should never play music or sound through the speakers on their PCD.
- If a student is using headphones, one ear must always stay open in order to hear announcements or staff directions.
- Students should remove earbuds/headphones upon entering class and while talking to staff members.
- Students **are prohibited** from recording and/or distributing any digital audio, pictures, or video without permission from the staff. This includes any social media such as Snapchat and Instagram.
- Students **are not** to use their **PCDs** during class without teacher permission. If a student fails to comply with the teacher request to discontinue use, teachers may write a referral to administration.

*If there is a need to use a phone, students may use the phones in the Main Office with staff permission. Students are personally and solely responsible for the care and security of any PCD they bring to school. ### COMPLAINT PROCEDURE

Occasionally, a parent or community member may have a complaint concerning a school program, procedure or staff member. With the many interactions that occur each day in a district the size of Beaver Creek, rarely, a misunderstanding or disagreement may happen. When making a complaint, be sure to be clear and specific in voicing the concern. Be timely; avoid allowing tensions to build. Parents should not avoid contacting the school out of fear of retaliation. Beaver Creek High School seeks to treat all students in an equitable

manner.

In an attempt to resolve any complaint or problem as quickly and effectively as possible, school officials ask that the following procedure be followed:

- 1. Concern or Complaint about Staff Member:** First, parents should make arrangements to have a conference with the staff member of concern as quickly as possible. The person most directly involved can best answer most questions or concerns. If satisfaction is not obtained, arrange a conference with the building principal or department supervisor (transportation, cafeteria, buildings and grounds) whose telephone numbers are listed on the school website.
- 2. Concern or Complaint about Interscholastic Athletic Program.** If the athletic program, procedure or activity is connected to a particular coach, make arrangements for a conference with that coach first. If satisfaction is not gained, make arrangements to confer with the Athletic Director. If the complaint is still not resolved, contact the appropriate person. If the concern or complaint pertains to more than one sport, perhaps the Director of Athletic Services should be contacted first followed by contacting the building principal, if necessary.
- 3. Concern or Complaint about a Non-Athletic Program, Procedure, or Activity.** If the program, procedure, or activity in question is connected to one person, then make arrangements for a conference with that person. If the program or procedure is building or department-wide, then the first person to contact is the building principal or department supervisor.

## **COMPUTER/INTERNET**

Students will not use computers, computer networks, printers, or on-line services for disruptive, illegal, immoral, or unethical purposes. Any act that violates the rules outlined in the Student Computer Network Agreement may result in a loss of network accounts and privileges. The network supervisor reserves the right to inspect the files and mail of any user. Consequences may be issued for inappropriate use of technology and authorities may be notified if necessary.

## **COUNSELING OFFICE PROCEDURE**

The Beavercreek High School counseling office is open each day from 8:00 am to 3:15 pm. Other arrangements can also be made by appointment. If a student has an urgent need, he/she should feel welcome in the office at any time. Under non-emergency conditions, the following procedure is in place:

1. Students should fill out a 'Request to see counselor' form in the counseling office before school, during class change, during lunch, or after school.
2. The counselor will then send for the student during study hall or during the last 10 minutes of a class. Exceptions to this may occur due to an emergency or other urgent situation.

All students must have passes signed by the counselor to be excused for an appointment (except in an emergency) or must report to their class and ask for a pass from their teacher before they go see the counselor.

## **DELIVERIES**

If a family member or friend delivers flowers, helium balloons, or other gifts to students during the school day, a note will be sent to the student receiving the delivery that they can be picked up in the main office at the end of the school day. The main office will not deliver gifts directly to the student's classroom. *Deliveries to the building are highly discouraged.*

## **DRESS CODE**

Education is about more than learning academic content. BHS provides a supportive transition from Ferguson Hall which helps students meet our high academic standards and prepares them to navigate real world challenges while demonstrating excellent character. Part of navigating the real world is understanding the importance of context. Choosing the right attire for different contexts is an important life skill. We encourage students to keep their focus on learning, maintain age-appropriate expectations, and provide an environment that allows students to feel comfortable and express their individuality appropriately. We strive to enforce these rules respectfully and without judgment. With these interests in mind, BHS has defined their dress code to meet the following criteria:

1. Clothing must completely cover students from mid-thigh to top of chest in non-see-through materials. No midriff shirts or crop tops are to be worn.
2. The front and back of the shirt (or top of any kind) must be connected over both shoulders.
3. Jeans, shorts, skirts, or other clothing should not be excessively revealing.
4. Clothing must cover all undergarments.
5. Hats (including baseball and toboggan style), hoods, and head coverings (except for those worn for religious or medical purposes) are not allowed (including sunglasses, costume masks, and makeup that covers the face.)
6. Clothing must be free of obscene, violent, or inappropriate words and/or logos.
7. Clothing that could be used as a weapon (wallet chains, spikes, belt chains) is not permitted.

If a student is found to be in violation of the dress code, he/she will be addressed with possible recommendations:

- Adjusting the fit of the clothing (if possible to do so and still meet the guidelines) or putting on something that is already at school (e.g. PE clothes, a jacket, etc.). The student is required to wear the adjusted clothing for the remainder of the school day.
- The student will be given a clean article of clothing (t-shirt, sweatpants, etc.) to meet dress code requirements and will be sent back to class. The student is required to wear this alternate clothing for the remainder of the school day.
- Calling home and requesting a change of clothes.
- Placement in ISS for the day.

The high school staff will address non-compliance with the dress code in a respectful and professional manner; our intent is not to shame students for their wardrobe choices. We would expect that no student should need to be asked more than twice, in one school year, to

adjust their attire to meet the norms. Having to ask more than twice becomes an issue of disrespect rather than an issue about dress. We appreciate parent and student cooperation in our efforts to make our dress code and its enforcement fair, balanced, and gender-neutral.

### **EMERGENCY CLOSINGS AND DELAYS**

If a situation, such as severe weather, causes the high school to be closed, delayed, or to dismiss early, Beaver Creek City Schools will attempt to contact families as soon as possible through the website, social media, TEC, and communication with local television and radio stations. Parents and students are responsible for knowing about emergency closings, delays, and early dismissals. Please instruct your child on what to do in cases of unexpected delays, closings, or early dismissals. The complete policy about emergency closings, delays, and early dismissals can be found on the district's website under the "about us" tab.

### **HALL PASS PROCEDURE**

All students must have a hall pass any time they are not in the classroom. A hall pass is obtained from the teacher in charge of the room and permits a student to leave the room. A hall pass at no time permits a student to leave the building. Only one student is allowed to use a pass at a time. *Any permission to go to the parking lot or leave campus must be granted by the main office.*

### **HEALTH SERVICES PROCEDURES**

If a student becomes ill during the school day the student is to obtain a pass from his/her teacher and go directly to the clinic in order to be granted an excused absence from class. Students will not be admitted into the clinic without a pass from the classroom teacher. The nurse will assess the nature of the illness and contact the parent/guardian if a student is to be sent home.

Any student who desires to take medication (prescription or OTC) at school must have the completed MEDICATION REQUEST FORM (PPSH-1) on file in the nurse's office. The Beaver Creek City Schools Medication Procedure and Request for Administration Forms are available in the nurse's office (clinic).

School personnel will administer medication after receiving a two-part form "**Request for the Administration of Prescribed/Non-Prescribed Medication at School**" that has been completed and signed by both the prescribing physician and the parents.

If a student's parents are going to be out of town, the school needs a note from the parent/parents indicating what to do in case of an emergency. The note should include the name and phone number of the person/persons responsible for the student while the parent/parents are gone. It would be advisable to leave an emergency medical card with this overseeing adult.

Clinic visits will be limited to the last 10 minutes of each period except in cases of medical emergency and daily medications. Students are not permitted to phone a parent regarding an illness except from the nurse's office.

### **GANG ACTIVITY**

In order to insure a safe and violence-free school, gangs and gang activities are prohibited at Beaver Creek High School according to the following:

#### **A. Definition:**

A "gang" is any group of two or more persons whose purposes include the commission of illegal acts and/or displays or communication of any visible aspects of a gang or acts in violation of disciplinary rules of the Beaver Creek Schools. Students will not...

1. wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign or other item that evidences or reflects membership in, or affiliation with, any gang.
2. engage in any act, either verbal or nonverbal, including gestures or handshakes, demonstration of membership, or affiliation with any gang.
3. engage in any act that furthers the interests of any gang or gang activity, including, but not limited to:
  - a. soliciting any person to pay for "protection", or threatening any person, explicitly, or implicitly, with any other illegal or prohibited act;
  - b. painting, writing, tattooing or otherwise inscribing gang-related graffiti, messages, symbols, or signs on school property or personal property;
  - c. engaging in violence, extortion or any other illegal act or other violation of school policy;
  - d. soliciting any person to engage in physical violence against any other person.

**B.** Students are not allowed to belong to a fraternity or 'fraternity-like' organization which is not affiliated with the school. Students dressing of like kind constitute such a group which promotes more than individuality and will not be permitted.

#### **C. Groups, Clubs, Organizations, or Crews:**

Any group of individuals or students which dresses alike, is organized, has a name, and or recruits students to participate must have the approval of the building principal to exist. The group, club, crew, or organization must have the following:

1. Faculty sponsor
2. Mission Statement: explaining the purpose of the organization and how it serves the school community.
3. Non-selective membership open to all. No initiation rites.

### **GIFTED CHILDREN**

*(The Policy and Plan for the Identification of)*

The state of Ohio defines children who are "gifted" as students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others their age, experience, or environment. Ohio law requires the Beaver Creek City School District to identify gifted students annually under Ohio Revised Code 3321.03. Children in grades K-12 may be identified as gifted in one or more of the following areas:

1. Superior cognitive ability
2. Specific academic ability in one or more of the following content areas: mathematics, science, reading, writing, or a combination of these skills, and social studies.
3. Creative thinking
4. Visual or performing arts ability such as the visual arts, music, dance, or drama.

The district policy and plan for identification of children who are gifted, which complies with the Ohio rule regarding screening and identifications, is accessible to parents in each building office. Brochures that explain the identification process and gifted education services are available too. Formal screening periods will be scheduled in the fall and spring. Parents may refer their children for screening in any or all of the four areas. Referral forms may be obtained at the school office and should be submitted to the building principal. Parents of students transferring into the district who have been identified as gifted in other school districts in Ohio or out-of-state should use the referral form to initiate a review of data to determine compliance with Ohio standards.

## College and Career Readiness Test

Students may be exempted from the required scores on the 7 Ohio State Tests if they earn a remediation-free score on a college and career readiness test. Our district has chosen to use the ACT for this purpose. During the 3rd quarter every school year, Beavercreek High School will give all junior students the ACT during the school day. There will be no cost to students for this test.

Students must earn "remediation free" scores in each of the three sub score areas, two in English language arts and one in Mathematics. These scores are listed below.

### English Language Arts\*:

English sub score of 18 or higher

Reading sub score of 22 or higher

### Mathematics\*:

Mathematics sub score of 22 or higher

*\*These scores are subject to change in the future.*

Each student may use the highest score in each sub score from multiple administrations of the ACT to meet the student's graduation requirement option. This would include the state-funded administration in the spring of their junior year, and additional attempts that students take and fund through non-state resources during their academic years.

Please remember that these requirements are in addition to obtaining the credits required by the State of Ohio and Beavercreek City Schools.

## GRADUATION GUIDELINES (continued)

House Bill 113 has updated the first aid and cardiopulmonary resuscitation (CPR) curriculum requirement under Ohio law to include specific training and curriculum guides.

Beginning with the graduating class of 2021, these updates include:

- Each public school that offers grades 9-12 must provide instruction in CPR and the use of an automated external defibrillator(AED) to all students;
- The training for both CPR and AED must use "psychomotor skills";
- Instruction must reflect the most current national, evidence-based emergency CPR and AED guidelines and/or an instructional program of the American Heart Association or the American Red Cross; and
- The instructor does not have to be a certified trainer and the student does not have to become certified in CPR as a result of the training.

## GRADUATION CEREMONY ELIGIBILITY

**For a student to be considered eligible to participate in his/her graduation ceremony, the following graduation requirements must be satisfied:**

- A minimum of 21 credits, as required by the Beavercreek City School District, must be earned by the last day of school for Seniors during their graduation year. For the 21-22 school year, the Seniors' last day is May 13, 2022.
  - College Credit Plus grades are included in this requirement; a student cannot participate in the ceremony with an "Incomplete" grade from their college or university.
- The student must meet all State of Ohio Graduation Requirements (test scores, seals, etc.) by the last day of school for Seniors during their graduation year (May 13, 2022).
- All summer school courses (grades 9-12) will be offered *after* the school year closes. Therefore, seniors who fail a class needed for graduation will not have the opportunity to earn a credit that would allow them to participate in a graduation ceremony. A senior's intent to participate in summer school will not allow them to participate in the graduation ceremony.
- Graduation Rehearsal is a mandatory event. If a student does not attend rehearsal, he/she may not participate in the graduation ceremony. Graduation Rehearsal for the Class of 2022 is the morning of May 19, 2022 at Wright State's Nutter Center.
- Graduation for the Class of 2022 is May 22, 2022 at 6:00 pm at Wright State's Nutter Center.

Students who are permitted to drive must park in the lot and numbered spot they are assigned. Any student who drives due to an emergency situation should report to the main office for a one-day parking pass. Any car illegally or improperly parked may be towed at the owner's expense. **Students who wish to obtain a parking permit must:**

- 2. Complete the parking pass application form online.
- 3. Pay the parking permit fee via EZ-pay online.

Due to limited parking spaces, student passes are given to Seniors and Juniors first. Sophomores may apply for any remaining parking spaces if they are actively involved in a daily school sponsored extracurricular program.

Students who drive to school must adhere to the set of rules in the student handbook and on the parking pass application form. Those who do not adhere to the rules may be subject to disciplinary action as outlined in the parking violations section.

**\*After 8:15 am, all students will be required to enter and exit the building using the Main Entrance (Door 1 North).**

#### **PARKING VIOLATIONS**

- d) not go to the parking lot or to their vehicle during the school day without permission from the main office.
- e) not sell or give their parking pass to another student. The student the pass was issued to is the only authorized individual to be in possession of the parking pass. The student issued the pass must be the driver of the vehicle.

## **PAYMENT PROCEDURES**

Acceptable methods of payment for fees, workbooks, or any other charges for students can be made online using EZ-pay, cash, personal check, certified check, money order, debit card or credit card.

Checks or money orders should be made payable to Beaver Creek City Schools, regardless of which school building your student attends. There will be a \$15.00 collection fee assessed for personal checks that are returned by the bank for any reason. Grades, transcripts, diplomas, and/or school records will not be released for any students that have unpaid fees.

## **PUBLICATION OF STUDENT LIKENESS OR WORK IN THE MEDIA**

Consent for Beaver Creek City Schools to use pictures, videotapes, film and/or recordings of a student's likeness and/or voice or student work for news or promotional purposes is assumed unless a parent or 18-year-old student completes and submits a form 9120af3 *Refusal for Publication of Student Likeness or Work*.

This consent does **not** include the use of materials that specifically identify the student. In the event that personally identifiable information is to be used, the appropriate release form 9120af2, *Consent for Publication of Student Likeness or Work in the Media*, must be signed by a student's parent or guardian, or by the student if he or she is 18 years of age or older.

This consent releases Beaver Creek City Schools and its agents, successors or assigns from any liability for any violation of privacy or personal property rights which said parent or 18-year-old student has in connection with such materials. Said consent also affirms that parties waive any right to approve such material.

Consent and approval forms can be obtained from any school secretary or downloaded from the district's [website](#).

## **REPEATED VIOLATIONS**

**Students who chronically violate school rules and accumulate a total of 7 disciplinary actions (a combination of In-school suspensions, Saturday schools, and out of school suspensions) may be recommended for alternative educational and disciplinary support.**

## **SCHOOL RESOURCE OFFICER**

Since 1999 Beaver Creek City Schools has worked with local law enforcement agencies to provide School Resource Officers in schools. School and law enforcement officials have developed a beneficial, cooperative working relationship to enhance school safety.

The School Resource Officer is in school to ensure the peaceful operation of school-related programs. The School Resource Officer is, first and foremost, a police officer and must fairly and consistently enforce laws. With regular attendance in schools, the officers have become more involved in student discipline and have taken action in incidents such as fights, theft, and harassment. The net effect has been a safer school environment.

School Resource Officers also have made presentations to classes and acted as resources to teachers. The officers, while not professional counselors, have worked with students showing signs of extreme stress, anger, and peer conflicts, as officers have notified school officials and parents that danger signs are evident and the student needs some personal attention.

A School Resource Officer is NOT the school disciplinarian. It is not this individual's job to check hall passes or to enforce school dress codes or to conduct routine locker searches. However, the School Resource Officer cannot turn a blind eye to violations of the law, whether the violation takes place at school or elsewhere in the community.

## **SEARCH AND SEIZURE**

School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property, including vehicles, of a student, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age.

## **SKATEBOARDS, SKATES, AND BIKES**

Students who ride skateboards, skates, and bicycles to school should dismount and walk to class once on school property. When leaving school, students should not ride their boards, skates, or bikes until off school property. Students should **NEVER** ride these devices through the parking lot before, during, or after school. Once at school, bikes should be secured to bike racks outside and skateboards should be secured either in the student locker or in the main office for safe keeping.

### **Possible Consequences:**

1. Saturday school
2. Confiscation of skateboards, skates, or bike until parent can pick up after school
3. In school suspension
4. Out of school suspension

## **SPIRIT AND CLASS APPAREL**

All clubs, sports teams, and class officers must have the prior approval of the administration for any article of clothing or uniform. Individual students are not allowed to sell or distribute apparel which bear the school name, mascot, or school colors without prior approval from the school administration. The misrepresentation of the school mascot, school name, or school colors will **not** be tolerated. No references to alcohol, drugs, or sexual innuendos will be allowed on club or spirit apparel.

### Possible Consequences:

1. Out of school suspension
2. Recommendation for expulsion
3. Individual financial responsibility

### STUDENT ASSEMBLIES/IN-SCHOOL PLAYS

There are some assemblies throughout the school year that require students to purchase tickets. Students must purchase their own tickets from the sponsoring group or teacher and make sure they sign their own name at point of purchase. Students are **not permitted** to resell tickets to other individuals. Students attending an assembly with a ticket not legitimately acquired will also receive consequences.

### Possible Consequences:

1. Saturday school
2. ISS
3. OSS

### STUDENT DROPOFF AND PICKUP LOCATION

Students should be dropped off and picked up in the East Parking Lot or the Ferguson Hall Loop. The Athletic Loop is unavailable to any thru-traffic on Friday afternoons of a home football game.

### STUDENT IDENTIFICATION

All students have student identification cards and are required to carry their ID on their person. Students will use their ID cards for various reasons throughout the day (as hall passes, in the IMC, at lunch, extra-curricular activities, etc.) Students may be asked to verify their identification by staff in the building; students should abide by this request and provide their name to the staff member either by showing their student ID or giving the staff member their name directly.

### STUDENT NUTRITION DEPARTMENT

The Student Nutrition Department is pleased to provide healthy school meals for your child(ren) each and every school day. Our school meals provide protein, whole grain bread, fruits, vegetables and low-fat milk for one low price. All ala carte foods and beverages follow the latest USDA Smart Snack regulations. Thank you for allowing the Student Nutrition Department to serve you and your student(s).

### STUDENT SUGGESTIONS/CONCERNS

The staff is here to assist a student in becoming a responsible adult. If a student has suggestions that could improve the school, he/she should feel free to offer them. Written suggestions may be presented directly to the principal or to student council. If a student has a serious concern, grievance, or complaint, he/she should consult the complaint procedure discussed above.

### TRANSFER OUT OF THE DISTRICT

If a student plans to transfer from BHS, the parent must notify the counseling office and the registrar. Parents and students must fill out withdrawal forms, circulate the grades/fees form among all of the student's teachers who will fill out the form and initial it, and pay all fees owed to the Beavercreek City School District. Once all fees have been paid, Beavercreek High School will send the student's official transcript when the new school sends its request. Students moving overseas may receive a sealed copy of their transcript prior to leaving.

### USE OF TELEPHONES

Office telephones are not to be used for personal calls. Except in an emergency, students will not be called to the office to receive telephone calls.

**Students are not to use personal cell phones to call parents to receive permission to leave school. Office personnel will initiate all calls on behalf of a student seeking permission to leave school. In the event of illness, the clinic will make contact with parents for permission to release a student from school.**

### VISITORS

While the high school administration encourages parents to visit the facilities during the school day, for security reasons we ask that all visitors register in the main office. Students may not bring visitors to school without first obtaining written permission from the principal. No unauthorized person is allowed in the school building to see or converse with students during school hours. Persons wishing to confer with a member of the staff should call for an appointment prior to coming in the school, in order to prevent any inconvenience. **For building security purposes, Beavercreek High School will limit visitor access to essential purposes only.**

### WITHDRAWAL FROM SCHOOL

The Board of Education has an established policy regarding students withdrawing from school before the legal age of 18. The Beavercreek School administration does not condone students withdrawing from school, for any reason, prior to graduation. Counseling services are available for students and parents wishing to consider options other than completing high school.

No student under the age of 18 will be allowed to withdraw from school without the consent of his/her parents. Students under the age of 18 may withdraw from school only if the following criteria are met:

1. Provide a letter from the student's parent/guardian.
2. Complete a full-time work permit request form;
3. Complete a full-time work contract;

## STUDENT CODE OF CONDUCT

### BEAVERCREEK CITY SCHOOLS STUDENT CODE OF CONDUCT

(Zero Tolerance)

Students are expected to conduct themselves in a way that exhibits respect and consideration for the rights of others. Students of the District must conform with school regulations and accept directions from authorized school personnel. The Board has “zero tolerance” of violent, disruptive, harassing, intimidating, bullying or any other inappropriate behavior by its students.

A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. Students are also subject to discipline, as outlined in the student code of conduct for misbehavior that occurs off school property when the misbehavior endangers the health and safety of students within the District or adversely affects the education process. The Superintendent/designee develops regulations that establish strategies ranging from prevention to intervention to address student misbehavior, and provides continuing instruction in dating violence prevention in education courses in grades seven (7) through twelve (12).

Students and parents receive, at the opening of the school year or upon enrolling in the Districts schools during the year, written information on the rules and regulations to which they are subject while in school or participating in any school related-activity or event. The information will include the types of conduct that will make them liable to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the student code of conduct and the fact that any violations of the student code of conduct are punishable. The rules also apply to any form of student misconduct directed at a District official or employee or the property of a District official or employee, regardless of where the misconduct occurs.

The student code of conduct is made available to students and parents. If a student violates this policy or the student code of conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the state of Ohio and local ordinances.

A student may be expelled for up to one (1) year if he/she commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property or at a school activity, event or program.

The Superintendent is authorized to expel a student from school for a period not to exceed one (1) school year for making a bomb threat to a school building, or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this provision extends, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

Individual factors are considered when determining disciplinary action which include the student’s mental and/or physical characteristics or conditions, the age of the student and its relevance to the punishment, the prior disciplinary history of the student and/or the intent of the perpetrator.

Any pupil engaging in the types of conduct, either specifically or generally, like the kind of conduct listed below is subject to expulsion, suspension, emergency removal from curricular or extracurricular activities or transportation pursuant to S3313.661, Ohio Revised Code.

The types of conduct prohibited by this policy are as follows:

## BEAVERCREEK CITY SCHOOLS SUBSTANCE ABUSE POLICY

The Drug Free Schools and Communities Act of 1989, Public Law 101-226, requires that standards of conduct, applicable to all students, be in place that clearly prohibit, at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol by students on school premises or as part of any of its activities. This act requires that all parents and students be given a copy of the standards and notification that compliance with the standards is mandatory.

The material contained in this handbook is intended not only to satisfy the standards of conduct requirement of the Drug Free School and Communities Act, but also to provide our students and parents with this important information.

### BOARD OF EDUCATION POLICY: ABUSE

#### Approved December 1993 Substance Abuse Philosophy

The Beaver Creek Board of Education recognizes that chemical dependency is a treatable disease which is often preceded by misuse and abuse of mood-altering chemicals, including alcohol. The Board of Education also recognizes that the use of chemicals has the potential to interfere with the learning process and student's normal physical and emotional development.

The health problems of our students are primarily the responsibility of the home and community, because chemical dependency and/or \*co-dependency problems (problems students are experiencing due to someone else's chemical use) often disrupt the educational process, it is the prerogative of Beaver Creek City Schools to intervene with students whenever behavior is observed or an incident occurs suggesting chemical use or codependency.

Beaver Creek City Schools will take positive action through establishment of a comprehensive K-12 prevention/intervention program. This program may include: Education, counseling, parental involvement, appropriate referral, support groups, and a program of continuous training for all staff members.

The Beaver Creek City Schools recognizes that punitive actions – unless coupled with prevention and treatment – offer little encouragement to students to confront problems associated with their use and abuse of chemicals. Therefore, the District is establishing a policy and procedure which couple disciplinary action for violation of its Student Code of Conduct, along with motivations for self-improvement.

This policy will be subject to enforcement and/or disciplinary action by the administration during the course of any school year including summer school sessions and school-sponsored activities.

### STUDENT AND PARENT NOTIFICATION

#### A. Introduction

The Beaver Creek City Schools will make parents and students aware of the student substance abuse policy and all related disciplinary sanctions.

1. At the beginning of each school year the student substance abuse policy and standard of conduct will be distributed to all parents and students. This handbook is notification of substance abuse policy and standard of conduct.
2. Compliance with the standard of conduct is mandatory.

2. School officials shall provide continuing in-service to staff personnel which will enable them to identify symptoms of drug and alcohol abuse.
3. School officials shall work cooperatively with other agencies to educate students, parents, staff, and community members.
4. School officials will endeavor to instruct students in areas including: physical, emotional, mental, social, and legal ramifications of drug and alcohol involvement.
5. The school shall encourage activities that are compatible with a chemical-free lifestyle.

### SUBSTANCE USE BY STUDENTS

#### A. Introduction

It is a primary objective of the Beaver Creek City Schools to assure that the education of all students shall proceed in an efficient, orderly, and non-disruptive manner. The sale, use, or possession of intoxicants, mind-altering drugs, or other controlled substances, including alcohol, on school premises, is an obstacle to that objective and an interference with the rights of students to receive quality academic instruction. While student drug education and referral to counseling resources will continue to be made available, such measures should be viewed as instructional or rehabilitative and will not be considered as an alternative to the disciplinary measures.

#### B. Responsibility of Students

No student shall use, have on his person or possession, have within his assigned school locker, automobile, be within easy access of, be under the influence of, sell, intend to sell, transport, give away or conceal any unauthorized mind-altering chemical or substance. Those substances included as mind-altering chemicals include, but are not limited to the following: stimulants such as diet medications, caffeine pills, amphetamines, cocaine, crack, etc.; depressants such as alcohol, barbiturates, sleeping medications, tranquilizers, muscle relaxants, etc.; narcotics such as heroin, steroids, morphine, codeine, etc.; hallucinogens such as LSD, PCP, peyote, psilocybin; marijuana or any of its derivatives including hashish or marijuana seeds; inhalants such as butyl nitrite, thinners, solvents, aerosols, etc. Also included in this category are "look-alike" or counterfeit controlled substances according to the Ohio Revised Code #2925.01 (P). This policy applies to the

following areas:

1. On or in close proximity to any property owned, leased by, or under the control of the Beavercreek Board of Education, including vehicles used for the transportation of students.
2. At any school-sponsored or sanctioned activity or event away from or within the school district.

The Board wishes to cooperate fully with students, parents, and the medical profession to assure that any student receives prescribed medication; therefore, prescribed medication may be taken in accordance with Beavercreek Board of Education Policy 5330 (Use of Medications).

#### **C. Responsibility of Staff**

Staff members in the Beavercreek City Schools will be made aware of their responsibilities for reporting all cases of drug and/or alcohol use to the appropriate building administrator. All staff members will report to the building administrator alleged possession, use, or selling of drugs, alcohol, and/or drug paraphernalia or instruments. Staff members will be provided with information and procedures to allow them to fulfill their responsibilities.

#### **D. Responsibilities of School Administrators**

When a school administrator has reason to believe that a student is in violation of the drug/alcohol policy, the following actions will be taken:

2. The parent(s) / legal guardian(s) may be notified and asked to meet with school officials.

1. A functioning prevention/intervention team in each building that will assist staff and administration in the identification, intervention and referral, and facilitation of support groups.

3. Academic tutoring may be provided to the student enrolled in a residential treatment program who qualifies according to Beavercreek Board of Education Policy no. 5530 (Substance Abuse).

### **DISCIPLINARY ACTION**

The administration shall establish rules and regulations which combine disciplinary action for violating of student code, with incentives for self-improvement. Disciplinary action for student use, possession, distribution, or under the influence of drugs or alcohol or drug paraphernalia shall conform to the Board of Education Policy no. 5610 (Removal, Suspension, Expulsion, and Permanent Exclusion of Non-disabled Students).

#### **Beavercreek High School Battling Beavers Athletic Parents Information**

#### **HEALTH INSURANCE**

It is the sole responsibility of the parents/guardians to see that their child is covered by his/her own health insurance prior to participation in practice or contest since Beavercreek City School District does not provide any such coverage.

#### **PAPERWORK**

Before your student athlete can try out for an athletic team he/she must have the following information on file in the Athletic Office: a current physical card (good for one fiscal year), a rules and regulations card, and a medical release form.

#### **TRANSPORTATION**

It is the school board's policy that a student athlete who is transported by bus to an event must ride the bus back to school following that event. The only exception to this rule is when an unusual circumstance occurs and the parent/guardian of the student athlete fills out an alternative transportation request form at least one day before that aforementioned event.

#### **PARENTS' NIGHT**

Most sports will have a parents' night at some point in the season. It is the Athletic Department's policy that parents buy a ticket for that event unless they make other arrangements with the Athletic Office at least 48 hours before the event occurs.

#### **PARENT / COACH RELATIONSHIP**

Both parenting and coaching can be extremely difficult. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to children. As parents, when your children become involved in our program, you have a right to understand what expectations are placed on your children. This begins with clear communication from the coach of your child's program.

#### **COMMUNICATION YOU SHOULD EXPECT FROM YOUR CHILD'S COACH**

1. Philosophy of the coach.
2. Expectations the coach has for your child and all the players on the squad.
3. Locations and times of all practices and contests.
4. Team requirements, i.e. fees, special equipment, off-season conditioning.
5. Procedure should your child be injured during participation.
6. Discipline that results in the denial of your child's participation.
7. That your child will be treated with dignity and respect.

#### **COMMUNICATION COACHES EXPECT FROM PARENTS**

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concern in regard to a coach's philosophy and/or expectations.

As your children become involved in programs at Beavercreek City Schools, they will experience some of the most rewarding moments

of their lives. It is important to understand that there also may be times when things do not go the way you or your child wishes. At these times discussion with the coach is encouraged.

### **APPROPRIATE CONCERNS TO DISCUSS WITH COACHES**

It is very difficult to accept your child not playing as much as you may hope. Coaches are professionals. They make judgment decisions based on what they believe to be best for all students involved. As you have seen from the list above, certain things can be and should be discussed with your child's coach. Other things such as those that follow must be left to the discretion of the coach.

### **ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES**

1. Playing time.
2. Team strategy.
3. Play calling.
4. Other student athletes.

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

### **CONCERNS? THE PROCEDURE YOU SHOULD FOLLOW**

1. Call to set up an appointment
2. The Beavercreek High School Athletic telephone number is 937-429-7547 extension 2465.
3. If the coach cannot be reached, call the athletic director. He/she will set up the meeting for you.
4. Please do not attempt to confront a coach before or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution.

### **THE NEXT STEP**

What can a parent do if the meeting with the coach did not provide a satisfactory resolution?

1. Call and set up an appointment with the athletic director to discuss the situation.
2. At this meeting the appropriate next step can be determined.

Since research indicates a student involved in co-curricular activities has a greater chance for success during adulthood, these programs have been established. Many of the character traits required to be a successful participant are exactly those that will promote a successful life after high school. We hope the information provided makes both your child's and your experience with the Beavercreek Schools athletic program less stressful and more enjoyable.

## **CO-CURRICULAR/EXTRA-CURRICULAR COMPETITION, CONTEST, PERFORMANCE CODE TOBACCO, ALCOHOL AND OTHER DRUG USE**

### **PURPOSE**

The Board recognizes that participation in co-curricular and extra-curricular activities is a privilege. In the Beavercreek City Schools participation in co-curricular/extra-curricular activities that include competition, contest or performance, affords students many growth and learning opportunities centered around the commitment to reach one's potential while contributing to team and/or organizational success. These are priceless opportunities that we want to make available to students.

The Board expects that students who choose to represent the Beavercreek City Schools in highly visible positions of leadership and/or competition/performance understand their responsibility not only to the rules and regulations detailed in the student handbook but also to the additional rules and regulations contained in the co-curricular/extra-curricular code of conduct.

### **THE CODE OF CONDUCT**

#### **I. Possession and/or Use**

Use of alcohol, tobacco or other drugs inhibits fulfillment of individual potential: it is illegal and creates an environment which compromises the individual student's health, safety and well-being as well as the health, safety and well-being of all student participants in the co-curricular/extra-curricular program; therefore, the use of alcohol, tobacco or other drugs (as listed in the student handbook and to include the illegal use of prescription drugs) by student participants will not be tolerated.

#### **II. Selling or Distributing**

The selling, distributing or trafficking of illegal drugs, harmful intoxicants, controlled substances, counterfeit controlled substances, or any other substance prohibited by Chapter 2925 of the Ohio Revised Code will not be tolerated by student participants.

### **VALID PROGRAMS UNDER POLICY**

In Beavercreek City Schools, activities that are school-sponsored, voluntarily engaged in by students, and result in competition, contest, or performance apply under the policy. Classes, clubs, or groups that students are selected and/or appointed to apply under the policy.

### **LIFETIME OF CODE**

All students will be considered "participants" and bound by the Code of Conduct beginning with the date the student enrolls in their respective middle and/or high school. Students may be additionally informed by athletic director/coordinator and/ or coaches at initial meetings for sports, clubs, activities, etc. The Code of Conduct is in effect twelve (12) months of year for the duration of the student's career.

### **GRADE LEVEL(S) AFFECTED**

Consequences are cumulative in grades 6-8 and 9-12 respectively. A second violation in grades 6-8 may carry over to the next grade level. A third violation in grades 6-8 will carry over to grades 9-12. A failure to be in compliance with Student Assistance requirements may result in a carry over of consequence.

### **PROOF OF VIOLATION**

The infraction should have been observed by:

- Any principal, or other school district employee (i.e. teacher, teacher aide, secretary, coach, custodian, bus driver, maintenance personnel, security personnel) adult chaperone or advisor during the school day or during school related activities; or
- Any principal, faculty member or advisor/coach at any time or any law enforcement officer or agency at any time, or be established by a court or other tribunal having jurisdiction to make such a determination; or
- Local law enforcement agencies will share information with school officials, when applicable, in an effort to promote a lifestyle among students that is tobacco, alcohol and other drug free.

### **REFERRAL/SELF-REFERRAL PROCESS**

Students, peers, parents, or other adults sometimes come to the realization that the use of alcohol, tobacco and other drugs is affecting them and/or a student and may seek help for assistance. Student participants can self-refer/refer one time if they have no prior violations of the code and do not have police documentation of an incident. Once a police report is filed, then no self reporting is allowed. Students

will be considered referred for assistance if:

1. Participant approaches a coach, athletic director, or counselor about use and voluntarily seeks assistance; or,
2. Information is received from peers, community members, law enforcement, district employees and/or parents that leads the coach/advisor or other school officials to believe that the student participant may have violated the co-curricular/extra-curricular policy. In this case, the student participant must confirm the validity of the information received, except when the participant's guardian (s) refers the student or confirms information.

Participants that fall under the Referral/Self-Referral category will not serve a penalty, however they must enter the Student Assistance Program and agree to follow program procedure. Failure to comply will result in the denial of privilege to participate.

### **CONSEQUENCES FOR A VIOLATION**

1. Use and/or Possession of Tobacco, Alcohol, or Other Drugs

#### **First Violation:**

If a student participant is found to be in violation of the Code of Conduct, the student will be denied the privilege of participation (competition/contest/performance) for one calendar year from the date the violation is determined to have occurred.

See section Student Assistance Program for specific requirements of the program.

#### **Second violation:**

If a student participant is found to be in violation of the Code of Conduct, the student will be denied the privilege of participation (competition/contest/performance) for two calendar years from the date the violation is determined to have occurred.

This disciplinary action is in addition to any other disciplinary action which can be taken pursuant to board policy.

### **APPEALS**

A written request for an appeal should be directed to the Building Administrator, and must occur within five school days following notification of the infraction. The participant will not be allowed to participate in contests/events during the appeal process. The Building Administrator will hear the appeal and arrive at a final decision on the case. There will be no further appeals.

### **STUDENT ASSISTANCE PROGRAM**

The Student Assistance Program incorporates assessment, education, drug testing, and service into a program of support for behavior change. It is our goal through the Student Assistance Program to build strong school, family, and community connections so that students are supported in pursuing their commitment to the Code of Conduct.

Program requirements are dependent on the level of violation and the level of intervention deemed necessary upon review and assessment of each student's case. At minimum, program requirements are as follows, but are not limited to:

#### **First Violation:**

1. Contact the Prevention/Intervention Coordinator within two school days of being notified of the violation to arrange for program requirements to be completed.
2. Complete four (4) hours of drug and alcohol education, approved by the Prevention/Intervention Coordinator within 60 days of the violation.
3. Complete ten (10) hours of approved service to their respective school within 60 days of being notified of the violation. Student participants have the opportunity to waive five (5) of these hours if they choose to address their respective peers and coach/advisor regarding the impact their violation has made on their life and their respective team/club. Students must work with the Prevention/Intervention Coordinator to prepare prior to addressing the team/club.
4. Comply with drug testing for the remainder of their participation in extra-curricular/co-curricular activities. Drug testing will be completed at a laboratory selected by the school. All costs incurred will be the responsibility of the student if over 18 years of

age, or if under 18 years of age, the student's parent/guardian.

**Second Violation:**

1. Contact the Prevention/Intervention Coordinator within two school days of being notified of the violation to arrange for program requirements to be completed.
2. Develop an individualized plan for assessment and intervention of student's substance use with Prevention/Intervention Coordinator and any other appropriate professionals in the area of chemical dependency.
3. After one calendar year, student and/or parent(s)/guardian(s) must submit a written request for reinstatement explaining how they have successfully completed the intervention plan to the building principal for possible reinstatement to participate in extra-curricular/co-curricular activities.

**Third Violation:**

While students do not have the option to reduce this violation, Beavercreek City Schools are willing to support and assist the student and family in securing appropriate services for substance use and/or abuse.

**FEDERAL LAW GUIDES ACCESS TO STUDENT RECORDS**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right for a hearing to challenge the contents of the record and to insure records are not inaccurate, misleading, or otherwise inappropriate.

A provision that students records will not be accessible in any form to any individual, agency, or institute without a written consent of the parent, except for the following: a) professional staff members of the schools; b) officials of other school systems provided the parent knows of the transfer, receives a copy of the record if desired, and has an opportunity for a hearing to challenge the contents of the record; c) authorized representatives of a federal or educational agency, in compliance with a judicial order or subpoena, provided that parents are notified in advance of the compliance by the school; and information connected with a student's application for financial aid.

The school may disclose personally identifiable information from the education record of a student who is in attendance at the school if that information has been designated as 'directory information'. Directory information may be used by schools in such school publications as school directories, athletic programs, school annuals, newsletters, media releases, videos, and other mediums of communication.

Military recruiters must also be given access to directory information. The parent or student, 18 years or older, must complete an "Opt Out" form, which is available in the BHS guidance office, BHS main office, or on the web if they do not want this information released.

Categories of information designated as "Directory Information" are as follows: student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended.

Deleting Directory Information: Parents and eligible students 18 years or older must inform the School in writing each school year if all or part of the "Directory Information" should not be released.

Any questions regarding the Federal Law, or Beavercreek Schools' policy may be answered by contacting Jeff Madden, Director of Pupil Services, 937-458-2414.
