

## Parents of Students in Grades 6-12:

Most of the 6<sup>th</sup>-12<sup>th</sup> teachers will utilize supplies available at the school. However, there are a few items that we do not have in stock that students will need to provide. High school students (9<sup>th</sup>-12<sup>th</sup>) may want to wait until they receive their schedule during enrollment to see which teachers they will have. (The name behind each item is what teacher's class they will need the item for.)
