Dear Bulldog Family,

It may be difficult to believe, but we have already finished 2 weeks of school. We hope that your beginning of the school year has been great! We want to help communicate some of the things happening around the district, but as always contact your child's campus for more specific information.

Accountability

Recently, TEA released district ratings. We received an **86**—the highest score New Waverly has ever received. Additionally, our campuses received **several distinctions**: the elementary received a distinction in Post-secondary readiness; the intermediate received distinctions in ELA/Reading and Math; and the high school received distinctions in ELA/Reading and Science. While we believe we are more than just test scores, we are proud when our students, staff and community receive recognition for their hard work.

New School Year

We want to thank everyone for a great first 2 weeks of school. We also want to thank our fire department, first responders, cheerleaders, faculty, staff and volunteers for their great welcome!

Coming Soon: Paper

One of the new programs that we will be rolling out is called PAPER. This program will provide every student in grades 2-12 access to an online tutor 24/7. It does require a device to access internet, but even smart phones without WIFI access can access the program. Every student will have the ability to get help with their subject areas.... they will also have access to feedback on essays (scholarship, college entrance, classwork, any need). We hope this is a support that will assist our students at any time day or night!

Enrollment

As an update, we have a few more friendly faces this year. We are beginning with our largest first week official enrollment ever as we have 1050 students!

Covid

As you know, the CDC and TEA greatly relaxed rules concerning Covid. However, we also know that when students come back together there is always a greater risk. While schools no longer inform the public of the number of cases, continually remind your kids about that need for good hygiene.

Activities

Tonight, we have 2 events at the high school. Our volleyball team is in action hosting Franklin beginning at 4:30 and the football team hosts Shepherd at 7:30.

We hope you have a great weekend and we look forward to another great year of Bulldog success!

"Together We Can"
