PRESCHOOL INFORMATION

The Westampton Township Public School District is offering the community of Westampton a full-day preschool program serving all 3-5 year old children for the 2023-2024 school year. The goal of this program is to provide a free, high quality preschool program to the Westampton community. Our preschool offers a classroom environment where students experience a variety of early reading and math concepts, language development, fine and gross motor skills, and social skills.

Program Overview and Design

Our goal is to provide an enriched preschool environment that meets the social, emotional, physical and cognitive needs of all students. This is a developmentally oriented program based on noted preschool curricula, as well as New Jersey Core standards for preschool. The program will incorporate activities within the classroom based on the children's individual learning styles. Creative Curriculum will be implemented in all three preschool classrooms.

There will be three classes offered, two will be located at Holly Hills Elementary School for three and four year old children (Preschool Program) and one Westampton Preschool class off campus at Head Start in Lumberton for three and four year old children.

Children must be three years of age by October 1, 2023; and have all necessary vaccinations to be considered eligible to attend the Preschool Program. Parents of general education preschoolers may apply for a position in the preschool program using the attached application. Applications will be accepted from April 1st through May 1st, 2023. There will be limited space in our preschool program so children will be admitted to our program through a lottery that will take place by May 31, 2023. If all general education spaces are not filled prior to the beginning of the school year, children will be accepted into the program on a first-come first-served basis until the classes are full, at which time the children will be placed on a waiting list.

After you have been notified that your child has been accepted, you will need to formally register your child online. See the school website (Holly Hills School) for New Student Registration at www.westamptonschools.org. The documents and forms required are listed on the website. If you have any questions about registration, please call the main office at Holly Hills Elementary School at 609-267-8565.
