

# Message from the Principal

## Mrs. Leah Hayes

As a lifetime resident of Newton, and a graduate of Newton-Conover City Schools, I am so excited to serve as principal for North Newton Elementary. I have been an educator for more than 20 years, where I have served as a teacher for hearing impaired students, kindergarteners, as an assistant principal, and as a principal.

It is my honor and privilege to serve North Newton Elementary School and the community as the principal. My priority is to create a safe environment where students can learn and thrive.

Please do not hesitate to contact me if there is anything I can do for you and your family.
