Notice is hereby given that sealed bids will be received by the Oglala Lakota County School Board in the administrative office building, Batesland, South Dakota, until Friday, August 20, 2021, 4:00 p.m., for propane gas to be supplied and delivered to Oglala Lakota County public schools for a one-year period. The bids shall be made public at the regular monthly board meeting on Monday, August 23, 2021 at Batesland School Gymnasium, meeting will begin at 4:00 p.m.

The school district owns bulk tanks which allows the district to accept transport loads at the three major school sites, and also, small tanks located throughout the district, among them, Red Shirt School. Schools are located at Batesland, Rockyford: 14,000 gal; Wolf Creek 18,000 gal; Batesland: 18,000 gal; and to teacherages, as designated by the school board.

The successful bidder must keep the tanks at a safe operating level. The term of this bid shall be Sept. 15, 2021 and terminate on Sept. 14, 2022.

The bids should be based on pricing for the date of August 20, 2021 and should specify pricing details (i.e.) tank wagon price, discount and taxes which may apply. Bids should be detailed so that the cost to the district from all bidders can be readily compared. Bidder should include documentation of current cost to them from their supplier, whether the bid price is firm throughout the year, and a statement that any increase or decrease in the price of propane to the school district after the bid letting on August 23, 2021, will be substantiated by a letter from the bidder's supplier, stating that the price has increased by the amount that the bidder is passing on to the school district.

Bids should be sealed and marked "propane bid" in the lower left-hand corner of the envelope and addressed to the Oglala Lakota County School Board, Attn: Trina Lone Hill, P.O. Box 109, Batesland, South Dakota, 57716. For additional information please call Mr. Bob White, Maintenance Director, at (605) 288-1921 or (605) 685-8903.
