Dear Mrs. Heraz,

Please accept this letter of resignation from Meadows School as Migrant Education Program Specialist. My last day of employment will be June 30, 2018.

Thank you so much for four great years at Meadows. I have worked alongside some excellent colleagues, and have had so many opportunities to grow and develop my knowledge in all Migrant aspects.

I will never forget my time with the Migrant program as I have created great rapport with students and families. I will be available to assist with the transition once the new person comes on board.

Sincerely,

Leylan Piceno
