

Instructions for Completing Online Registration Forms

Each student in Kindergarten through Grade 6 must complete the Elementary Enrollment Packet by clicking [here](#).

When completing the forms, it works best to open the form with an Acrobat Reader. Please attach a copy of the completed form and email it to forms@pilotgrove.k12.mo.us. If you are utilizing the email form button embedded within the document, an email dialog will pop up for you to send the packet. If you do not see this dialog box, you will need to save the document and attach to an email.

You will receive an email within 24 hours of submission of the forms to confirm we have received all necessary information.

Please contact one of the school offices if you need assistance with any of the forms.
