

**Pleasant View School
School Improvement Plan 2021-2022**

Goal #1: Reading: 80% of students will score proficient or higher on common unit assessments (ReadyGEN)

Initiative 1: Improve ELA instructional practices utilizing ReadyGen instructional materials and practices acquired through LETRS training.				
Action Step	Person(s) Responsible	Resources	Timeframe	Evidence
Train teachers to utilize the Instructional Practice Guide as a tool to improve instruction, regularly review ReadyGEN routines, and provide opportunities for teachers to visit other classrooms to observe best practices in ReadyGen lessons.	Principal Assistant Principal	Substitute costs	Fall 2021	Faculty Meeting Agendas
Meet in grade level teams to unpack ReadyGen units.	Principal Assistant Principal	No cost	Monthly	Agendas
To meet the criteria of the Right to Read Act, all teachers and administrators will engage in professional development and training in LETRS.	Assistant Superintendent Principal Assistant Principal	ESSER II Funds	September - June	certification
Administrators will continue their professional development with Instruction Partners focused on increasing teacher's capacity to facilitate students' growth.	Asst. Superintendent Principal Assistant Principal	Title II Funds	September - June	Meeting agendas and notes

Goal #2: Writing: 80% of students score proficient or higher on common unit assessments (ReadyGen)

Initiative 2: Teachers will integrate Collins writing approach with ReadyGEN and utilize the updated curriculum templates				
Action Step	Person(s) Responsible	Resources	Timeframe	Evidence
Identify the common writing assessments within ReadyGEN that will be utilized at each grade level	ELA Curriculum Team	Title II Funds	Summer 2021	Curriculum Templates

Calibrate common ReadyGEN writing assessments across grade levels to identify those that meet or exceed standards	Principal Assistant Principal	Title II Funds	September - June	Writing Exemplar Folders
Implement Collins Writing types and Focus Correction Areas (FCAs) in ReadyGEN writing lessons	ELA Curriculum Team	Title II funds	Summer 2021	Curriculum Templates

Goal #3: Math: Decrease the percentage of students who fall below the 40th percentile on STAR math assessments.

Initiative 3: Strengthen math interventions and supports.				
Action Step	Person(s) Responsible	Resources	Timeframe	Evidence
Devise system of interventions to be provided by math paraprofessionals led by district math coordinator.	Math Coordinator	Local Funds	September - June	Schedule
Provide professional development to all elementary paraprofessionals on mathematical practices and instructional strategies	Principal Assistant Principal Math Coordinator	Local funds	September - June	Sign-in sheets
Provide professional development to educators for a new math intervention tool (Achieve3000)	Principal Assistant Principal Math Coordinator	Pending RIDE grant	September - June	Sign-in sheets
