# It's time for care on your terms

Paytient is the new way to pay for your healthcare expenses over time.

· **Power in planning**

You can turn every out-of-pocket healthcare expense* into a planned, affordable, payroll-deducted payment plan over the amount of time you choose.

· **Retake control of your care**

You can use Paytient to pay for **medical, dental, vision, pharmacy, mental health, and veterinary care**. Get the care you and your family need - free of any interest or worries.

· **We are here to help**

Our support team is just a tap away. In-app chat support is available if you ever have a quick question, concern, or need to make a change.

## How Paytient works:

**Create your account**

Your card is ready for you! Scan the QR code below or visit **paytient.com/start** to get started.

**Swipe**

Swipe, tap, or insert your Paytient card to pay for a out-of-pocket health expense.

**Click**

Click the notification that appears on your smartphone.

**Split**

Then choose the interest-free payment plan that fits your family's budget.

* Please note that merchants self-select the category in which transactions will be listed and some merchants may be owned by other companies, therefore the transactions may not be categorized as a medical expense as you might expect.
