## Independent Auditors' Report

## To the Pulaski County School Board County of Pulaski, Virginia

## Report on the Financial Statement

We have audited the accompanying summary statement of cash receipts, disbursements, and balances of the Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2017, and the related notes to the financial statement.

## Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

## Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statement referred to in the first paragraph presents fairly, in all material respects, the cash receipts, disbursements, and balances of the Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2017, in accordance with the cash basis of accounting as described in Note 1.

## Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated August 7, 2017, on our consideration of the Pulaski County School Board, Virginia School Activity Funds’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting and compliance.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards 

## To the Pulaski County School Board County of Pulaski, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States the accompanying summary statement of cash receipts, disbursements, and balances of the Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2017, and the related notes to the financial statement and have issued our report thereon dated August 7, 2017, which included a paragraph emphasizing that the financial statement is prepared on the cash basis, which is an other comprehensive basis of accounting.

## Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Pulaski County School Board, Virginia School Activity Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of the Pulaski County School Board, Virginia School Activity Funds' internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and responses to be a material weakness [2017-001].

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Pulaski County School Board, Virginia School Activity Funds' financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## The Pulaski County School Board, Virginia School Activity Funds' Response to Findings

The Pulaski County School Board, Virginia School Activity Funds' response to the findings identified in our audit is described in the accompanying schedule of findings and responses. The Pulaski County School Board, Virginia School Activity Funds' response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The accompanying notes to the financial statement are an integral part of this statement.

## NOTE 1 -REPORTING ENTITY:

Nature of Activities:
School activity funds include all funds received from extracurricular school activities, such as entertainment, athletic contests, club dues, fundraisers, etc., and from any and all activities of the school involving personnel, students, or property.

## Significant Accounting Policy:

The accounts and records of the school activity funds are maintained on a cash basis reflecting only cash received and disbursed. Therefore, receivables and payables, inventories, accrued income and expenses, equipment, and depreciation, which are material in amount are not reflected, and these statements do not present the overall financial position or results of operations. Minor additions and replacements of furniture and equipment intended to be paid for out of normally recurring income are included in costs and expenses in lieu of depreciation on the statements of cash receipts, disbursements, and balances.

## NOTE 2 - DEPOSITS:

The Schools do not have a policy with respect to types of deposits and investments allowed.
Deposits with banks are covered by the Federal Deposit Insurance Corporation (FDIC) and collateralized in accordance with the Virginia Security for Public Deposits Act (the "Act") Section 2.2-4400 et. seq. of the Code of Virginia. Under the Act, banks and savings institutions holding public deposits in excess of the amount insured by the FDIC must pledge collateral to the Commonwealth of Virginia Treasury Board. Financial Institutions may choose between two collateralization methodologies and depending upon that choice, will pledge collateral that ranges in the amounts from $50 \%$ to $130 \%$ of excess deposits. Accordingly, all deposits are considered fully collateralized.

The Southwest Virginia Governor's School includes the Southwest Virginia Governor's School Foundation which is not subject to the Code of Virginia, but has investments with Edward Jones that are considered restricted cash and cash equivalents.

## Schedule of Findings and Responses

Year Ended J une 30, 2017

## 2017-001 - Lack of Segregation of Duties:

Criteria:
The schools are responsible for establishing and maintaining adequate internal controls over their accounts. A key component of internal controls is that no one individual should have both access to accounting records and related assets.

## Condition:

The schools do not have adequate segregation of duties over receipts and disbursements. For instance, the individual receiving and depositing funds should not also be responsible for recording receipts in the accounting system. In addition, the individual writing and posting checks should not also be responsible for reconciling accounts.

## Response:

The School Board agrees with the finding; however, the costs to correct the existing lack of segregation of duties would be prohibitive. The schools will take measures to continue to try to mitigate the lack of segregation of duties that exists.

## To the Pulaski County School Board County of Pulaski, Virginia

This report is to follow up our recent audit of the cash basis financial statement of the Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2017. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

## General (All Schools)

## Fundraising Activities

- If a fundraiser has its own fund then the overall receipts should be greater than the disbursements by the profit of said fundraiser. When the funds generated from the fundraiser are to be used they should be transferred to an appropriate account for use.
- If a fundraiser is posted within a fund, such as a club fundraiser, it should be properly detailed to review the gross profit. All items purchased from that fund should be for the benefit of the general student body or that particular club/group.
- Student raised funds should be used for the benefits of the students.

## Dublin Elementary School

## General

- Gift cards should be treated as cash. Gift cards should be signed for by the recipient to prove receipt.

## Pulaski Elementary School

## Cash

- Each school bank account should be reported to the State Treasury Department as an account holding public funds under the Security for Public Deposits Act. This Act provides additional insurance above and beyond FDIC limits in the unlikely event of bank failure. We recommend that the bookkeeper/principal contact the bank(s) and request that the school's bank account(s) be reported as a public deposit account to the State Treasury Department. This classification can be verified by visiting: https://spda.trs.virginia.gov/quarterlysearch.aspx. We noted that the National Bank of Blacksburg account was not reported as an account holding public funds.

## SNownlle Elementary School

## General

- Gift cards should be treated as cash. Gift cards should be signed for by the recipient to prove receipt.
- Donations should be signed for by the recipient to prove receipt.
- When an employee receives a gift card (of any amount) from the school it is considered a taxable transaction by the IRS. We recommend that the school board be notified when gift cards are given to members of staff so that the transaction can be appropriately reported to the IRS.

## Disbursements

- Purchase orders should be completely filled out and approved by the principal. We noted several errors including the following:
o The purchase order for check 5404 payable to Virginia Aquarium did not have the principal's approval.
o The purchase order for check 5405 payable to Park Inn by Raddison did not have the principal's approval.
o The purchase order for check 5406 payable to Golden Corral did not have the principal's approval.

## Dublin Mddle School

## Receipts

- Monies collected by teachers and other staff should be remitted to the central office in a timely manner, at a minimum by the next business day. Additionally, funds held overnight should be locked or otherwise safeguarded against theft. We noted the following errors:
o Receipts collected by A. Davis dated for 09/30/2016 were remitted to the bookkeeper on 10/04/2016.
o Receipts collected by C. Smythers dated 10/06/2016 and 10/10/2016 were remitted to the bookkeeper on 10/11/2016.
o Receipts collected by J. Horton dated 10/27/2016 were remitted to the bookkeeper on 11/01/2016.
- When posting receipts into the accounting software the receipt should be posted properly as cash and checks. We noted several receipts were not being divided correctly between cash and checks in the accounting software.

## Fundraising Activities

- Items sold to generate a profit should be accounted for in their own fund or posted to the applicable club/fund with sufficient description detail in order to properly calculate gross profit. The T-shirt and Carowinds receipts were comingled with receipts for candy sales. Also, strawberry sales receipts were comingled with country meat sales receipts. Please provide enough detail that would allow profit calculation.
- Staff should price yearbooks in order to cover costs associated with the purchase of the same. The school's yearbook fund showed a loss for the year.

## Pulask Mddle School

## General

- Funds generated from donations, student activities, or fundraisers should be used to benefit the students. Funds in the amount of $\$ 1,251.07$ were transferred from the Donations account to the Principal's Instructional Fund which included purchases that appeared to be unrelated to student activities.

## Disbursements

- All checks should be signed by at least two authorized signers. Check number 18679 to J \& D Fundraiser did not have the bookkeeper's signature.

## Pulask County High School

## Cash

- All bank account balances and related activity should be included in the general ledger. The Akers Memorial Scholarship, Lee Cook Scholarships, and Duane Dishon Scholarship CDs were not included in the general ledger.

## Receipts

- When posting receipts into the accounting software the receipt should be posted properly as cash and checks. We noted several receipts were not being divided correctly between cash and checks in the accounting software.
- Monies collected by teachers and other staff should be remitted to the central office in a timely manner, at a minimum by the next business day. Additionally, funds held overnight should be locked or otherwise safeguarded against theft. We noted the following errors:
o Receipts collected by J. McCoy dated 10/18/2016 through 11/15/2016 were remitted to the bookkeeper on 11/16/2016.
o Receipts collected by M. Bell dated 02/01/2017 through 02/08/2017 were remitted to the bookkeeper on 02/08/2017.

## Fundraising Activities

- Staff should price yearbooks in order to cover costs associated with the purchase of the same. The school's yearbook showed a loss for the year.
