## Independent Auditors' Report

## To the Pulaski County School Board County of Pulaski, Virginia

## Report on the Financial Statements

We have audited the accompanying summary statement of cash receipts, disbursements, and balances of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2014, and the related notes to the financial statement.

## Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

## Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statement referred to in the first paragraph presents fairly, in all material respects, the cash receipts, disbursements, and balances of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2014, in accordance with the cash basis of accounting as described in Note 1.

## Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 7, 2014, on our consideration of Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Pulaski County School Board, Virginia School Activity Funds internal control over financial reporting and compliance.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards 

## To the Pulaski County School Board County of Pulaski, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States the accompanying summary statement of cash receipts, disbursements, and balances of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2014, and the related notes to the financial statement and have issued our report thereon dated September 7, 2014, which included a paragraph emphasizing that the financial statement is prepared on the cash basis, which is an other comprehensive basis of accounting.

## Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered Pulaski County School Board, Virginia School Activity Funds' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of Pulaski County School Board, Virginia School Activity Funds' internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and responses to be a material weakness [2014-1].

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pulaski County School Board, Virginia School Activity Funds' financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## The Pulaski County School Board, Virginia School Activity Funds' Response to Findings

The Pulaski County School Board, Virginia School Activity Funds' response to the findings identified in our audit is described in the accompanying schedule of findings and responses. The Pulaski County School Board, Virginia School Activity Funds' response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on it.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The accompanying notes to financial statement are an integral part of this statement.

## NOTE 1 -REPORTING ENTITY:

Nature of Activities:
School activity funds include all funds received from extracurricular school activities, such as entertainment, athletic contests, club dues, fundraisers, etc., and from any and all activities of the school involving personnel, students, or property.

## Significant Accounting Policy:

The accounts and records of the school activity funds are maintained on a cash basis reflecting only cash received and disbursed. Therefore, receivables and payables, inventories, accrued income and expenses, equipment, and depreciation, which are material in amount are not reflected, and these statements do not present the overall financial position or results of operations. Minor additions and replacements of furniture and equipment intended to be paid for out of normally recurring income are included in costs and expenses in lieu of depreciation on the statements of cash receipts, disbursements, and balances.

## NOTE 2 - DEPOSITS:

The Schools do not have a policy with respect to types of deposits and investments allowed.
Deposits with banks are covered by the Federal Deposit Insurance Corporation (FDIC) and collateralized in accordance with the Virginia Security for Public Deposits Act (the "Act") Section 2.2-4400 et. seq. of the Code of Virginia. Under the Act, banks and savings institutions holding public deposits in excess of the amount insured by the FDIC must pledge collateral to the Commonwealth of Virginia Treasury Board. Financial Institutions may choose between two collateralization methodologies and depending upon that choice, will pledge collateral that ranges in the amounts from $50 \%$ to $130 \%$ of excess deposits. Accordingly, all deposits are considered fully collateralized.

Independent Auditors' Report on Supplementary Information

## To the Pulaski County School Board County of Pulaski, Virginia

Our audit was conducted for the purpose of forming an opinion on the financial statement. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statement.

## SCHOOL ACTIVITY FUNDS

## Schedule of Findings and Responses

Year Ended J une 30, 2014

## 2014-1 - Lack of Segregation of Duties:

## Criteria:

The schools are responsible for establishing and maintaining adequate internal controls over their accounts. A key component of internal controls is that no one individual should have both access to accounting records and related assets.

## Condition:

The schools do not have adequate segregation of duties over receipts and disbursements. For instance, the individual receiving and depositing funds should not also be responsible for recording receipts in the accounting system. In addition, the individual writing and posting checks should not also be responsible for reconciling accounts.

## Response:

The School Board agrees with the finding; however, the costs to correct the existing lack of segregation of duties would be prohibitive. The schools will take measures to continue to try to mitigate the lack of segregation of duties that exists.

## Date: September 7, 2014

## To the Pulaski County School Board County of Pulaski, Virginia

This report is to follow up our recent audit of the cash basis financial statement of Pulaski County School Board, Virginia School Activity Funds for the year ended June 30, 2014. During our audit we became aware of certain matters that should be brought to your attention. This report is primarily to state our findings and recommendations and to communicate them in writing.

## Critzer Elementary School

- No comments

## Dublin Elementary School

## Disbursements

- Purchase orders should be completed and dated prior to the date of purchase.
o The purchase order for check number 11932 payable to School Outfitters was dated 9/13/2013 and the invoice was dated 7/24/2013.

## Pulaski Elementary School

- No comments

## Riverlawn Elementary School

## Receipts

- Monies collected by teachers and other staff should be remitted to the central office on a daily basis. Receipt number 5115 collected by Mike Kennedy and dated $1 / 6 / 2014$ was remitted to the bookkeeper on 1/8/2014.

## Disbursements

- Employee reimbursements should be completely supported with detailed receipts. Check number 7620 to John Bowler did not have an itemized receipt attached as supporting documentation.

## Snowville Elementary School

- No comments

## Dublin Middle School

## Cash

- Bank reconciliations should be prepared in a clear format and include the following information: balance per bank, deposits in transit, list of outstanding checks, including check number and amount, other reconciling items and balance per books. We noted that all outstanding checks were not being printed and reviewed on a monthly basis.
- Outstanding checks older than one year should be remitted to the State as unclaimed property. At June 30, there are outstanding checks that are over a year old.

## Receipts

- Receipts posted should distinguish between the check amount and cash amount collected. We noted that all receipts are being posted as checks.

## Disbursements

- Disbursements should be posted to the appropriate fund for which the money was spent. We noted that there were non-picture related transactions posted to the Picture fund. In the future, transfers should be made so that the disbursements are from the appropriate fund.

## Fundraising Accounts

- The school's yearbook account showed a loss for the year. Staff should price yearbooks in order to cover costs associated with the purchase of the yearbook.

## Pulaski Middle School

## Cash

- There appear to be several bank accounts in the Middle School's name that are not accounted for in the Schools School Activity Fund ledger.

## Receipts

- Monies collected by teachers and other staff should be remitted to the central office on a daily basis.
o Receipt \# 94177 collected by Daniel Goff on $1 / 8 / 2014$ was remitted to the bookkeeper on 1/13/2014.
o Receipt \#9737 collected by Ken Mitchell on 5/5/2014 through 5/7/2014 was remitted to the bookkeeper on 5/12/2014.

## Fundraising Accounts

- The school's yearbook account showed a loss for the year. We recommend that the yearbook sponsor prepare a reconciliation each year that shows the number of yearbooks sold at each price, the amount remaining on hand, if any and the amount paid for the yearbooks.

## Pulaski County High School

## Cash

- Public School Activity Funds certificate of deposit account 1200001387 is not covered under the Virginia Security for Public Deposits Act.

## Pulaski County High School (Continued)

## Receipts

- Receipts should be posted as cash or checks as they are received by the bookkeeper in the same manner as they are deposited to the bank. This would allow for the use of the software feature that shows total cash and total checks deposited. Our audit disclosed that the deposit reports rarely matched what was actually deposited to the bank. We understand the timing involved in making sure this works so any improvement would be appreciated.

## Disbursements

- Adequate supporting documentation should exist for all checks issued.
o Check number 50185 payable to COSMO '14 did not have an invoice from the vendor.
o Check number 50399 payable to Sweet Springs Valley Water Co did not have adequate supporting documentation for the entire amount written.
o Check number 50451 payable to Great American Opportunities was paid from a statement and did not have an invoice.
- All checks written to vendors should have evidence of Principal approval. Check number 50446 payable to Jostens did not have evidence of such approval.

## Fundraising Accounts

- Fundraising activities are documented using a fundraising contract form. It would be beneficial if the sponsor/teacher of the fundraising event would complete the profit information after the event was closed. This would give an idea of why the actual didn't match what was expected.
- Commission accounts should not have disbursements. Instead, funds should be transferred to the appropriate account and disbursed. This is true for other accounts where profits are realized and funds are needed in other places.

## Athletic Tickets

- We could not locate an inventory log for the athletic tickets. A log would indicate which tickets were used, who used the tickets and the event. It would also provide for a year-end inventory that could be tied to the left-over tickets.

## Gifts to Staff

- Checks numbered 49711 and 49805 payable to Mark Hanks and Ross Matney, respectively, were cashed to give to faculty as prizes at the Christmas party. The School should be careful in doing this as it may prompt IRS findings for failure to report these amounts on the employee's W-2. Also, no documentation was provided as to whom received the cash.

## Prizes to Students

- Check numbered 50234 payable to Mark Hanks was cashed to give to students as prizes at the After Prom party. $\$ 583$ was returned to the school without documentation as to who received the $\$ 417$. In addition, check number 50235 payable to Mark Hanks was a reimbursement for items purchased as door prizes for the After-Prom Party. No documentation was provided to indicate who received the prizes.
