Early applications are due to the school by February 15, 2021. Applications received after February 15, 2021, will be considered as spaces are available. Please call the school at 466-5581 for more information.

Please add the following information for appropriate completion of the application:

Please provide the following items with your application: 1) historical grades, 2) standardized testing record, 3) your most recent report card, 4) attendance records, and 5) a discipline record from your current school and submit with your application. Failure to turn any of these items will delay a decision about your application.

Completed applications may be mailed to the address on the front or you may turn the application in to your school counselor.

Nondiscrimination Policy: Consistent with Federal and State law, Discovery High School does not discriminate on the basis of race, gender, religion, disability or national origin.
