

Application Instructions for CTE, EFA, EMC, and dual enrollment for the 2023/24 school year

DUE DATE: March 3rd for all programs!

Career/Technical Education (CTE):

CTE offers hands-on, career-based training programs in a variety of career areas. Programs include Health Science, Cosmetology, Aviation, Construction, Vet Science, Culinary Arts, and many, many more! For a complete list of CTE programs, as well as online application forms, please visit www.kresa.org/apply. (On the application, use Username: hsstudent, Password: #Kresa10).
***CTE slots can be competitive. Make sure you write a quality essay in order to maximize your chances of earning a slot in a program.

Education for the Arts (EFA):

EFA courses focus on a variety of artistic forms of expression, from writing to dance, music to theater, and more! For a complete list of EFA programs, as well as online application forms, please visit www.kresa.org/apply. (On the application, use Username: hsstudent, Password: #Kresa10).

Early Middle College (EMC - apply as a 10th grader only):

EMC is a program in which students begin taking classes at KVCC in 11th grade, focusing on a particular certificate or Associate's degree program, and extend their education into a 13th year in order to complete that program. EMC is a commitment, and we encourage families to research, ask questions, and make sure the program is a good fit for their student before applying. Attending one of the info sessions below is strongly encouraged for this program. For a complete list of EMC programs, as well as online application forms, please visit www.kresa.org/apply.

Dual Enrollment:

Students take select general education courses at KVCC, usually 1-2 per semester, for the purpose of transferring those credits to the college of their choice after graduation. Students interested in dual enrollment should attend the dual enrollment info meeting on February 3rd during PASS to learn next steps. Applicants will take a placement test and must be academically ready for college courses.
