VIKINGS 5th & 6th GRADE VOLLEYBALL

Dear families,

Hello! My name is Colette Mueller and I'm so excited to be coming on as the head coach of our 2021 Vikings 5th and 6th grade volleyball program. I'd like to share with you a bit about my volleyball experience: I've been playing organized sports since kindergarten and volleyball specifically since seventh grade. I played on a hard working varsity that, with great coaching, took third in the state tournament my junior and senior year. Since then I've played in countless club and recreational leagues and spent many fun weekends at tournaments around the state.

This will be my first time coaching volleyball but I've had wonderful coaches along the way to help form my work ethic, good sportsmanship and coaching philosophy.

I look forward to working with your young athlete to build a strong skills and teamwork foundation as Cook County Vikings.

Please reach out if you have any questions or would like to join our coaching team.

Sincerely,
Colette Mueller
