## Field Trip Permission Form

### CONTINUING PERMISSION TO PARTICIPATE IN ACTIVITIES

**STUDENT NAME:** \_\_\_\_\_

During the 2021-2022 school year, your child may participate in extra-curricular, field trip, and other similar activities. This permission form applies to all activities in which you allow your child to participate during the school year. You may be requested to separately approve a participation in specific activities, but the terms of this permission will still apply to any activities in which your child participates. You may revoke your permission at any time in writing submitted to the school principal.

With respect to any extra-curricular, co-curricular, field trip, and other similar activities in which my child is allowed to participate:

- ❖ I request and give permission to my child to participate in the activities.
- ❖ Subject to any limitations or restrictions of which I may advise you in writing directed to the school principal, my child is and will be capable, physically and otherwise, to fully participate in the activities without assistance, instruction or accommodation.
- ❖ If any emergency or other medical procedures or treatment are required as a result of or while participating in the activities, I consent to the activity teacher, sponsor, supervisor, chaperone, or other appropriate person, to take, arrange for, or consent to such procedures or treatment to be provided at my expense.
- ❖ I understand that the Board of Education does not or may not carry any insurance relative to any of the activities or for injuries that may occur to my child.
- ❖ The fullest extent permitted by law, I release and waive, and agree to hold harmless to the Board of Education, its agents, employees, representatives, and volunteers, from any claim by my child, myself, or others, on account of injuries, damages, or losses, arising out of during, or in connection with my child.
- ❖ I recognize and I have explained to my child that school rules regarding discipline while participating in any of the activities. This includes, among others, those relating to alcohol, drugs, and other substances. I also understand that should discipline problems arise, I may be called and required to pick up my child.
