Mark Kowalski
Superintendent

August 22, 2023

Dear Parent or Guardian,

Coshocton City Schools will open its doors for the start of a promising 2023-2024 school year on Wednesday, August 23, 2023. The beginning of school always brings with it a variety of emotions such as anticipation, excitement, and nervousness for students, parents, staff, and administrators alike. As I start my first year as your superintendent, I share many of the same emotions while looking forward to a rewarding year together.

This year, unlike any other, will bring new challenges, lofty expectations, and unexpected obstacles. At the same time, it certainly will produce greater accomplishments, increased success, and memorable experiences for our over 1,500 students. I can assure you that Coshocton City Schools will roll up our sleeves and work to provide the best educational programs, greatest extra-curricular opportunities, and the most fulfilling school experiences as possible.

I feel honored to have been chosen as your superintendent. I'd like to thank all who had a hand in that process and the opportunity to come back to Coshocton. Having been a teacher in the district from 2000-2004, I was and still am extremely impressed by the community's commitment to this district. We will need your continued support as we strive to improve our school community. I wish everyone a successful school and as always GO REDSKINS!

Mark Kowalski
