## MIDDLE SCHOOL GUIDANCE DEPARTMENT

Where bright futures begin!

Call (607) 869-9636 ext. 4145 or visit our website

## ORGANIZATION

The Middle School includes grades 6-8. Students and staff at the Middle School are organized by grade level teams. These teams are comprised of the core area teachers (Math, ELA, Science, Social Studies, Spanish and Special Education). Additional encore area subjects include Art, Music, Physical Education, Family Consumer Science, Health & Reading. Each team is "housed" in a specific area of the school building.

## PARENT/COMMUNITY INVOLVEMENT

Critical to the success of any school is the involvement of parents in decision making. South Seneca Middle School has a Shared Decision Making Team which serves as the governing body for all stakeholders in the decision making process. Please contact the Main Office if you are interested in joining the team. Dates and times of the meetings will be posted.

## EXTRA-CURRICULAR AND AFTER-SCHOOL ACTIVITIES

The Middle School offers many opportunities for all students outside the academic day. Students in grades 7 and 8 are eligible to participate in the modified inter-scholastic program provided they are in good standing both academically and behaviorally.

## COMMUNICATION

In an effort to keep parents and the community informed, the Middle School will continue to publish the electronic newsletter "In the Middle." If you have a concern or just need clarification, please feel free to call the Middle School Office at (607) 869-9636, ext. 4120. Our goal as a school and community is to work with you in an effort to provide success for all of our children.

## HEALTH OFFICE

The Middle School shares a Health Office and a registered Nurse with the High School. The nurse can be reached during the school day at (607) 869-9636, ext. 4102.
