Dear Lebanon Families and Guardians,

On behalf of the teachers and staff at Lebanon Elementary School, welcome to the 2021-2022 school year to our new and returning families! I hope that you've had an enjoyable summer and that your child is ready for the new school year. I'm thrilled to begin this school year as your interim principal of Lebanon Elementary School! Having worked at our school for seventeen years, I am dedicated to creating a positive learning environment for students by promoting academic and social emotional growth. We will continue to work together to achieve this goal despite the many challenges of the pandemic.

To ensure student progress, we will continue to assess and provide academic and social emotional multi-tiers of support. Our Positive Behavioral Interventions and Supports (PBIS) focus instructional learning to demonstrate respect, responsibility, honesty, and safety in all settings. Second Step and Restorative Practices help teachers foster classrooms with clear expectations and teach skills for emotional regulation and conflict resolution skills. Students in grades K-4 will engage in reader's workshop and continue to polish their skills in writer's workshop and hands-on math learning. Our NAEYC accredited preschool creates a rigorous classroom environment for our youngest learners with socially appropriate and meaningful standards for learning. We are committed to ensuring that learning is relevant and dynamic through varied instruction and technology such as 1:1 chromebooks in grades 2-4 and IPADS for our younger learners.

The partnership between school and parents is critical for student success! Please consider joining the PTA who support our schools and provide incredible events. To further bridge the school-home connection, please visit our website at [www.lebanonct.org](http://www.lebanonct.org) or the official Facebook page. These contain important information for our families, and are constantly updated with information to assist parents and students.

As we continue to work together, please feel free to contact me directly via email at [jessica.scorso@lebanonct.org](mailto:jessica.scorso@lebanonct.org) or by phone at 860-642-7593 with any questions. I look forward to continuing our partnership this school year!

All my best,

Jessica Scorso
