

TX families: Through the USDA's efforts, schools can continue to provide healthful meals, free of charge, for many Texas public school students through June 2022.

Visit <https://www.fns.usda.gov/cn/child-nutrition-response-85> to learn more about this waiver.

## Schools are using several ways to safely distribute meals.

Regardless of your household income, your child can now have free and nutritious school breakfasts and lunches through June 2022.
