Dear Families of a Warrior Athlete,

The Salamanca City Central School District will be offering and **requiring** an online athletic registration process through the PowerSchool parent portal for students in grades 7-12. There will no longer be paper sign-ups available. This is a secured registration platform that is an easy, user-friendly way to register for athletics as well as keeping track of your students grades.

The online registration process **MUST BE COMPLETED** BY a PARENT/GUARDIAN and should be viewed and discussed with the student-athlete. Please complete the registration with the student-athlete present. Parents/Guardians are responsible for completing forms and ensuring that all medical information concerning your child's health, medical concerns, injuries, medications and allergies are reported to the school nurse. *Please note*, families with multiple students must complete an online registration form for each of their students.

If you have **not** registered for a PowerSchool parent portal account, please visit [www.salamancany.org/powerschool](http://www.salamancany.org/powerschool) for complete instructions.

**STEP 1: Ensure your child has a valid physical on file with the district.** Physicals are good for a period of one year from the date of the physical, to the end of the month (i.e. physical done 6/1/20 is valid until 6/30/21). **If any athlete did not get a physical from the school doctor in May and beginning of June, it will be their responsibility to get a physical from their physician.**

During the school year - updated physicals are to be turned into the School Nurse in your building.

**STEP 2: Complete the registration on Parent Portal**

- **Modified, JV and Varsity levels will be available from June 15, 2022 – August 22, 2022.**

**PowerSchool Parent Portal** <--- log into the Parent Portal and click on "**Quick Links**" (**left hand column**) and then click on Portal Login Page. This will open a new window. Find and click the Athletic Registration Link on the left menu bar. Complete the step by step registration process. You will be able to see all the sports and activities your student has participated in throughout their high school career.

*Note: If your child is a 7th or 8th grader planning to try out for a JV or Varsity level sport, they must complete the Athletic Placement Process – information can be found on our website at [www.salamancany.org/app](http://www.salamancany.org/app)*
